NOSE REMODELLED

June Havoc, the comedienne, reported to her movie bosses with a magnificent new nose, in the Grecian style. She also had a couple of black eyes. "Surprised" is the word for the reaction of the head men, who'd told her to leave it alone. Miss Havoc, the younger sister of Gypsy Rose Lee and a stage and screen star in her own right, said she'd hated her nose these many years. She had it remodelled.

THINGS LEFT UNDONE NOW CANNOT BE DONE

English Vicar is quoted as enumerating consequences of neglect.

An English Vicar, writing to his people a year ago, among other things said the following:

We have been a pleasure-loving people, dishonouring God's Day. Now the sea shores are barred. No pick-nicking or bathing.

We have preferred motor travel to churchgoing. Now there is a shortage of motor fuel.

We have ignored the ringing of church bells calling us to worship. Now the bells cannot ring except to warn of invasion.

We have left the churches empty. Now they are in ruins.

We would not listen to the way of peace. Now we are forced to listen to the way of war.

The money we would not give to the Lord's work now is taken in taxes and higher prices.

The food for which we neglected to thank God now is unobtainable.

The service we refused to give to God now is conscripted for the country.

Lives we refused to live under God's control now are under the nation's control.

Nights we would not spend "watching unto prayer" now we spend in anxious air raid precautions.

Is it not time we checked up on this thing here, too? Or must it take bombs to awaken us?

SUCCESSFUL IN MUSIC

At the recent examinations of the Toronto Conservatory of Music Miss Mary F. Bowman of Aurora, secured first class honors in grade II theory, and honors grade III (history) theory.

Gormley
 Mrs. Roy Nigh and little daughter Lois from Hagersville, have been visiting friends in the community.

Leroy, the small son of Mr. and Mrs. Allan Heise has been suffering for weeks with a sore knee. Last week he was removed to the Hospital for Sick Children for an examination and the x-ray revealed a broken needle which had apparently been there for some time unnoticed until a fall early in January caused a painful swelling. Now that the needle has been removed, he is improving very nicely.

It would seem that the good-old custom of neighbors visiting neighbors is being revived in this community. Since the coming of telephones and motor cars folks just did not visit so much, but we notice this winter in most any home any evening a happy group around the supper table enjoying a social evening together.

Quite a number of the men folks have found employment in the city during the winter months. We wonder how this will affect the farm labor problem when spring comes.

Private Fred Hill from Newmarket training camp is enjoying a two weeks holiday with his family here.

Mr. Peter Brillinger visited Mr. Bob Denny at Mrs. Cherry's home on Sunday afternoon.

Mr. and Mrs. Peter Steckley and Mrs. Norman Jarvis were Sunday guests at Roy Brillinger's home.
