A Wee Brother for "Happy"

Notwithstanding the fact that little "Happy" had a brother born last week, she is still the smallest pony to be born in these parts. "Happy" weighed only 26 pounds at birth and her little brother arriving last week weighed 31 pounds. Their mother "Real Delight of Linwood" is very proud of her cute offspring. The above picture of "Happy" was taken by The Tribune when she was a few days old. Her little brother looks just like this today, while "Happy" is quite grown up.

VANDORF CONCERT RAISES \$164

People of Vandorf and the surrounding district raised \$164.28 for the Evening Telegram British War Victims' Fund last week with a community concert and social evening at

Vandorf United Church.

Taking parts in the program were soldiers from Newmarket Training Camp, the Aurora United Church Sunday School Orchestra and many well-known York County artists.

Walter Davey
8 Stanton Ave
Toronto.

Congratulations are extended to Mrs. George Thomson of Pape Ave., who celebrated her birthday on February 26.

Fred Middleton came to the city to visit his mother here one day last week.

The Goodwood quilt is finished and ready for exhibition we are privileged to announce.

Miss Martha Stewart has left for the city where she will be employed for a time at least.

Pleased to learn that Mrs. P. Baston is well again.

Toronto people enjoyed the Goodwood poem by Miss Jones and it made such a hit papers were in real demand.
