Signs of Spring were in the old home village on Good Friday. Chas. Both stores were showing this year's garden seeds and Mrs. Charles Watson and Miss Jean were picking out their wallpaper.

About fifty people attended the miscellaneous shower for Mr. and Mrs. Arthur Baker (nee Helen Darling) in the basement of the United Church, on Thursday night. The program opened with community singing, after which Miss E. Foskett and Miss W. Stewart had charge of several games and contests. The bride and groom received many gifts along with the good wishes of their many friends.

Good Friday trains were crowded both ways. The Correspondent spent the day in Goodwood. Getting off the train, he asked Mr. Reid to direct him to the Cunard Line docks, when boats leave every hour on the hour.

## Look Out! A Sick Liver is Dangerous

**Do you have persistent headaches and backaches? Are you tortured by rheumatic pains in muscles and joints? A faulty liver is clogging your whole system. Serious ill health may result.**

Your liver is the largest organ in your body and most important to your health. It supplies energy to muscles, tissues and glands. If unhealthy, your body lacks this energy and becomes enfeebled—youthful vitality disappears. Again your liver pours out bile to digest food, get rid of waste and allow proper nourishment to reach your blood. When your liver gets out of order proper digestion and nourishment stop—you're poisoned with the waste that decomposes in your intestines. Nervous troubles and rheumatic pains arise from this poison. You become constipated, stomach and kidneys can't work properly. The whole system is affected and you feel "rotten" headachy, dizzy, tired out—a ready prey for sickness and disease.

Thousands of people are never sick, and have won prompt relief from these miseries with "Improved Fruit-a-tives Liver Tablets". The liver is toned up, the other organs function normally and lasting good health results. Today "Improved Fruit-a-tives" are Canada's largest selling liver tablets. They must be good! Try them yourself NOW! Let "Fruit-a-tives" put you back on the road to lasting health—feel like a new person. 25c, 50c.

"Always In Pain, Now Grand Relief!"

I suffered so badly from rheumatism and neuralgia that I could hardly walk upstairs or close my hands.

After taking "Fruit-a-tives" for four days I could walk upstairs without difficulty. I have no more bother with rheumatism or neuralgia, and advise anyone suffering as I have, to use "Fruit-a-tives". They give quick relief.

William J. Trevor, Toronto, Ont.

"Sick For Years, In Hospital—Now Fine!"

I had a bad case of biliousness and constant headaches and aches. I became so ill I had to go to a hospital. Nothing helped until I started taking "Fruit-a-tives".

In a very short time my troubles disappeared. Now I have no more headaches or backaches and can do my housework without help.

Mrs. E. D. Denton, London, Ont.

## Sunday School Lesson

### Lesson for April 12

**THE MISSION OF THE SEVENTY GOLDEN TEXT**—"The harvest truly is great, but the labourers are few; pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest."

Luke 10:2

### THE LESSON AS A WHOLE

The period of our Lord's ministry on earth was coming rapidly to its end and many in Israel had not yet heard the Kingdom message. While as a people they had been waiting (at least presumably) for Messiah's coming for centuries, they did not know that He had appeared already. It was in the plan of God that they should have the opportunity to accept Him as their King, and so Jesus appointed seventy ambassadors, in addition to the twelve apostles, who were commanded to go before Him into every city where He would follow later, and to make known the fact that the promised One was in the land already and men were responsible to receive Him and yield allegiance to Him. They were to go from place to place, two by two, witnessing that the Kingdom of God was at hand. It is evident, though not mentioned directly, that the Lord empowered the Seventy as He had the Twelve, not only to heal the sick, but to work other miracles as signs of the coming age, for when they had completed their tour they were rejoicing in that "even the devils (demons)" were subject to them.

We need to remember the limited character of their ministry, both as to time and scope, as we consider the instruction given them before they set out. It would be folly to assume that Christ's servants in after years were to be under these rules of conduct. As the King's forerunners in His own land, they had a right to expect His subjects to care for them. The present mission of His sent-ones to a lost world is of an altogether different character and could not be carried out in the world under present conditions, without purse or script. But the spirit of the commission is for all who endeavor to serve the Lord Christ. To seek to make the ministry of the Word a lucrative profession is to dishonor the One we are called to represent.

Verse 21—"In that hour." It was the hour of ever-increasing rejection: Jesus had just rebuked the cities wherein most of His mighty works were done, for their unbelief and even hostility. But He found His joy in the Father's love. His spirit was gladdened as He saw the plans of the Father developing. The babes in Israel—those who were simple enough to believe the message—were the joy of His heart. He found rest in the will of the Father.

Verse 22—"No man knoweth who the Son is, but the Father." There is a mystery about the incarnation—the union of Deity with humanity—that the mind of man cannot fathom. Nor does man, left to himself, know "who the Father is," but the Son came to reveal Him to us. In Jesus we see the Father fully manifested (John 14:7, 11).

Verse 23—"Blessed are the eyes which see the things that ye see." It was theirs to live in the day when the prophetic word was being fulfilled.

Verse 24—"Many prophets and

knights have desired to see those things which ye seek." Peter tells us how the prophets of old wrote for our benefit. They spoke as moved by the Spirit of God, as they predicted the advent of His Son, but they had to study their own prophecies in order to get a glimpse of what was meant. They foretold what was not to be fulfilled until many years had passed (1 Pet. 1:10-12). Happy indeed were those who lived to look upon Messiah's face, and to enjoy the salvation He came to provide.

## Goes to Texas Team

Earl Cook, Lemonville pitching product, and for years a star of Stouffville's nine, has been sold by the Detroit Tigers to their farm club, Beaumont, Texas. Earl left here a few weeks ago for Lakeland, Florida, home training grounds for the Tigers. Cook is thirty years old.

itinerant preachers rejoined Jesus and His other disciples. They had proved His ability to work through them and they rejoiced that it had been given to them to demonstrate that even the demons had to be subjected unto them when they invoked the all-prevailing name of Jesus.

## FOUR SONS FROM ONE FAMILY SERVE THEIR COUNTRY

The four sons of Dr. and Mrs. A. J. Brace, 71 Sheldrake boulevard, are all serving their country in various capacities. Their parents were missionaries in China for about 24 years and their special knowledge of China and the Chinese language has enabled their sons to give special service. Of special interest to our readers is their record because the Braves are closely identified with Stouffville. Mrs. Brace was the former Blanche O'Brien, sister of Mrs. Wm. Thompson and Herb O'Brien, now in Newmarket.

The three eldest sons lived in Stouffville and two went to school here.

The eldest, Carman S., spent five years as technical adviser to General Chiang Kai-shek, helping him to mechanize his troops. A graduate electrical engineer, he was in charge of training the young Chinese men in motor mechanics, for though they had cars and trucks, they did not know how to look after them. He came back to Canada three years ago and is living in Toronto with his wife and three children. He is now serving as an air raid warden.

Wilfred P. is 32 and is serving with the Defense Industries Ltd., at Pickering. He is a commissioned officer with the Officers' Training Corps, engaged in training troops.

The Navy has claimed E. Brockman, who joined up last June and is stationed on the east coast. He was born in China 26 years ago, and is a graduate B.A., from Sir George Williams College, Montreal, and a divinity student in Emmanuel College in Toronto. The youngest son, A. Julian, is a first year student at the School of Practical Science, University of Toronto, and is serving with the C.O.T.C. Auxiliary Air Force.

One son, David P., died in China, or he too, would have been in uniform, said Dr. Brace, who is a veteran of both the South African War and the first World War, went from China to France in charge a Chinese labor contingent.
