

Where Cream is Shipped  
Prosperity is Reflected  
in the Farmer's Family

**The Stouffville Creamery**

has built up an enviable reputation  
as a place where

**The SERVICE Pleases  
The PROFITS Satisfy**

**Highest Butter Production---**

During the twenty-four years which we have been in the creamery business, it has always been our aim to improve the service which we render to the cream producers of this district. Nothing pleases us more than the fulfillment of this aim. In the years 1940 and 1941 our output of butter has been greater than ever before. This fact proves that the cream shippers in our district appreciate the improvements we have made.

**New Conveniences---**

The improvements we recently added to our creamery service, namely the cold storage locker facilities, and the differential of two cents per pound of butter fat on cream delivered to the creamery are great conveniences and at the same time they are very profitable to our patrons.

**Delivery Service Profitable---**

The rental we charge for the meat lockers is only a mere fraction compared to the savings you derive from them. Our patrons who ship their cream by truck can also take advantage of the locker service since we can have our truck deliver their meat. The increase of two cents per pound of butter fat, which we pay for delivered cream, nets our patrons from twenty to sixty cents extra per can.

**Make the Most of Your Herd---**

Since we have increased our churning capacity and since there is an excellent demand for our butter, we are now in position to handle more cream. You, for your part can not afford to miss the advantages of such a service. So join the multitude of our satisfied shippers and make the most of your herd.

Telephone for our truck to call for your cream, or bring it yourself at your convenience.

**DO YOUR PART TO RELIEVE THE CAN SHORTAGE**

In compliance with the new cream can regulations to help relieve the cream can shortage, kindly return all cans that are not in use for Cream.

**THE STOUFFVILLE CREAMERY**

We are now open Tuesday, Thursday and Saturday evenings.

Dear Bert:  
I think you fellows are mind readers every time I am out of smokes your welcome parcel arrives. Thanks a lot. The weather is pretty good here now. We've got raddishes, peas, and such like, up in our garden here at the billets. I'm keeping in practice for when I get back. So long.  
George Abell

Hello Bert and Comrades,  
I do appreciate the smokes you send, and am always most glad to get them. I've never missed once since the parcels have been started although I lose plenty others people send. I think it mighty small business that anyone should steal them, don't you? It is raining like the dickens tonight and you know the kind of rains we get. Thanks a lot pals.  
Yours truly,  
Gordon Lehma.

April 22, 1942  
Dear Sir,  
I received another carton of cigarettes from you today. I wish to thank you and the organization which is sending me smokes so regularly. I assure you they are most welcome and very much appreciated.  
Yours truly,  
Jack Schell.

Hello Friends,  
Received your most welcome parcel of smokes again. Everything is going fine and I am keeping well. No activity here. Thanks again for your increasing effort in keeping us supplied. Cheerio,  
Price Pugh

Dear Friends,  
Your welcome gift of cigarettes arrived okay. The brand are excellent, thanks a million. We are having nice weather here now.

Everything looks swell. Here's hoping all's well in Stouffville and district. Thanks again,  
Cpl. Madill

Stouffville Comfort Fund,  
Thanks old soldiers for your smokes. They are sure welcome. They are very scarce here and of a poor grade. A soldier is only allowed to buy five at a time, and they are now a shilling for ten. Kind regards to all.  
Percy Pipher.

Stouffville Comfort Fund,  
Dear Bert,  
Just a few lines to thank you for the cigarettes. I am a while answering your parcel but they came just as I went on leave and did not get them till I came back. I had a good leave with the wife and baby. I went to all our folks. The countryside over here is just starting to look good now with the leaves and cherry blossoms in bloom. It was

nice to have the leave, but coming back to army life is not so nice. I guess some day we will see as much action as you old fellows in the last war. We will be ready for home then. I hope everything is still going fine in Stouffville.  
Yours truly,  
Pte. Oliver Larkin.

Dear Sirs,  
Once again I write you a few lines thanking you for your kindness in sending me the smokes for which I am very grateful. I am still on the south east coast not far from Bruce Lintner and Fred Castle whom I see quite frequently. We see lots of the R.A.F. these days going back and forth and we are hoping they will soon have a place ready for us across the channel so we can finish this mess and get home again. Again I express my thanks to all those kind friends

**MRS. GEO. GREENFIELD  
PASSES IN 78th YEAR**

The late Mrs. George Greenfield died at the home of her daughter Mrs. Lovell, Toronto.  
She had been bedridden for sixteen months when she broke her hip in a fall.  
Although never able to walk she passed many happy hours away sewing and crocheting until two months ago she suffered a severe heart attack. Although thought to be improving favorably, she passed away very suddenly Sunday, May 10th.  
After leaving England with her husband and family she resided on the 7th concession of Markham where they lived for 20 years. Mr. and Mrs. Greenfield then moved to Toronto to live with their daughter where they both died. Her husband predeceased her nearly five years. She is survived by four daughters, Emily (Mrs. Cobb) Ada (Mrs. Lovell) Rose (Mrs. A. Hill), and Albert in U.S.A., Joe of Unionville, John of Langstaff and Fred of Markham.  
Funeral was held on Wednesday to St. Johns Cemetery, Norway.

April 19, 1942

Dear Sirs,  
Just a few lines of appreciation for the 300 cigarettes I received last week, I think they are the best thing you can send the boys over here as cigarettes have gone up so in price since the new budget came out. We now pay 44c for a package of 20 cigarettes, and then they are not nearly as good as our own brands.  
Well we are getting some lovely weather over here now. It is nice to be able to get out and enjoy it. I suppose seeding is getting on over home. I still get The Tribune and sure enjoy reading it. It brings back old names and old faces. Sometimes I have to stop and think for a while before I realize who it is I'm reading about because it is now 28 months since I left Canada and a lot of things take place in that time. News is scarce so I guess I'll quit for this time. The best of luck,  
H. C. Cook

April 14, 1942

Dear Bert,  
I wish to thank you again for the Comfort Fund smokes. I see by The Tribune there are quite a few lads getting smokes and I know, they all feel the same as I do. We are much indebted to the Veterans who make this possible. Wishing you lots of luck,  
Fred Castle.

Kinloss, Scotland

Dear Bert,  
It makes me very happy to be one among the many over here who receive your grand boxes. They are worth their weight in sterling to us. This is the second I've received and they sure hit the spot. Words cannot express my gratitude to you at home who are constantly remembering us in this way and also knitting socks, etc.

Every Canadian, and they are many at this station, received knitted things and warm pyjamas from the Canadian Red Cross in London through the padre here. I get The Tribune every week and it was never enjoyed as much as it is now. I was very sorry to read of the deaths of two of my fellow pilots from home. It leaves us with a greater ambition to carry on and bring this conflict to a victorious end, and give our governments a chance to make a lasting peace. I pray God may give them the courage, judgement and intelligence to do it.

By the time you receive this I'll be on a Bomber Squadron flying Britain's biggest bombers over Germany, and giving that arch villain Hitler a packet from Stouffville. It won't be a packet of candy either. I saw my brother about a month ago and he is now in an all Canadian night-fighter squadron. We had a fine visit and he is very pleased with his job as I am with mine.  
Goodbye for the present. Yours is a very fruitful work and does more good than you imagine. Keep it up.  
Yours gratefully,  
Jim Thomas.

April 26, 1942

Dear Comrades,  
Just a few lines thanking you very much for the smokes. I would have written before but maybe the reason will be in your papers. We were on a scheme, the first division going against the second division. It was a change from the old routine. Things are still quiet, although the Germans hit along the coast about every night, but only with one or two planes. Thanking you again and wishing you all the best.  
Bert Maskell.

Private Eldon Staley and wife are visiting at Mr. Bert Staley's.

Mrs. I. Foskett, we understand is improving since her recent accident.  
Mr. and Mrs. E. Sheehy visited Goodwood on Sunday. They now live at Islington.

Mr. and Mrs. George Jones were Sunday guests with Mr. and Mrs. E. Hockley.

A fox was seen quite near the buildings on a farm just a little north of Goodwood recently.  
Mr. and Mrs. Lauce Couling and Mac had Sunday dinner with his sister Mrs. Baldwin and family.

Willis Taylor and Miss Blanche Mortson visited at Albert Taylor's on Sunday.

Privates Justin and Ginger Todd were home on Sunday. Both look smart in their uniforms.

To our newlyweds Mr. and Mrs. Reuben May who will make this their home we extend congratulations.

Mr. and Mrs. Alex. Brown visited Goodwood on the occasion of the Baptist Anniversary.

Owing to the heavy rain on Thursday many Goodwood cellars were flooded again.

Mr. and Mrs. John Badgerow and Allen spent Sunday in Toronto with Mrs. John Forsyth.

Before their meeting each Monday evening United Church young people will play baseball in the park. A fine idea, we think.

Gnr. Kenneth Wagg has been transferred from St. Thomas Training School to one in New Brunswick.

Mrs. Wm. Robb and Lanny and Mr. and Mrs. Charles Symes and Barbara of Brooklyn spent Sunday with Mr. and Mrs. Wm. Symes.

Monday, May, the 25th, at the United Church the young people will hold a social evening when Church Hill Young Peoples will be the guests.

Sunday visitors with Mr. and Mrs. Dan Norton were Mr. and Mrs. Alvin Norton (Claremont), Mr. and Mrs. H. Norton and Mr. Maurice Sheldon.

The W. A. met at Mrs. Arthur Dowsell's on Wednesday afternoon. It was decided to pack the box for the Kinmount fire-sufferers on Thursday, May 21. Anyone having anything for these folks kindly leave same at the Jones or Watson stores.

We are sorry to lose Mr. and Mrs. Ralph White and family from Goodwood. They are moving to Stouffville where Mr. White is employed at the Tool and Machine Works.

Congratulations to Stouffville's new constable, I. D. Russell. Just recently we stood on the front street in Goodwood and witnessed a car race in at 50 miles per hour, then stop at the station where the driver loitered for some time, indicating there was no excuse at all for the speed. It takes brains to drive slowly and carefully, and rattle brains to go 50 miles an hour.

Mr. and Mrs. Bert May and family, also Mr. and Mrs. Wellington Yake and Vera, visited Mrs. Murray Slack in Oshawa Hospital. They report that Mrs. Slack is doing some better, but she will not be out of the hospital for some time yet.

Birthday greetings to the following:

Mrs. H. Todd, Thomas W. Davey, Beth Kellington, Mrs. Charles Lee, Elizabeth Thompson, Thos. Kellington, Mr. Jack Todd, Mrs. Harold Norton, Doris Smalley, Joseph Cooper, Edna McDonald, Alfred McDonald, Wilbert Irwin, Arnold May, Mrs. Ralph Faulkner, Ross Johnston, Harvey Swine, Joseph Swine, Eileen Lewis, Mrs. Howard Pugh, Violet Taylor, Mrs. A. Taylor, Mrs. H. Swain, Irvin Rabey.
