Evening Council Session is Brief

Business transacted at the first evening session of Markham Township council held in the clerk's office, Unionville on Monday was down to a minimum.

The Spencers stated that the road was in such a bad condition that the man of the house who was on war work was unable to bring his car home, and was forced to leave it over night at some distance with the danger of theft.

Constable Ben. Gayman reported that stray dogs had attacked Silverwood's Dairy cattle on the farm of Ken Watson near Unionville one evening recently. He told council that one of the hogs had been destroyed and that the other was being attended to.
