MRS. GEORGE SAUNDERS STRICKEN

Mrs. George Saunders, wife of the caretaker of the post office suffered a break-down last weekend which bordered on a stroke. Her condition since that time, however, is much improved, we are informed. It was fortunate that Mr. Saunders was having weekend leave and consequently was at home when Mrs. Saunders was stricken.
Last Sunday the family met a second misfortune when Mrs. Saunders' grandson Ian Lewis broke his arm playing on the swings at the town park.

YOUR ATTENTION PLEASE

The W. A. of Melville are putting on an entertainment in the Melville Church on Thursday evening, July 23, at 8.15 o'clock. LAKESIDE NEWS

Despite the extreme warm spell we have had this week, the flower beds and gardens around the lake never looked better. Take a stroll around in the evening, and see for yourself.

Bill Evans and John Nesbitt are competing in vegetable gardens this year, and both have displayed some prize produce to their city neighbours.

Mrs. Foster of Evans Drive, is in St. Joseph's Hospital, and her speedy recovery is hoped for by her many friends around the north shore.

Mr. Harvey Hess has been spending his leisure hours assisting his brother Victor in painting the family cottage on Cedarvale Drive.

Mr. and Mrs. William VanCamp, of the Vancamp Chemical Company, Toronto, spent the weekend with Miss Thelma Hess.

Mr. Richard Evans who is now stationed at Belleville with the R.C.A.F. spent the weekend at the family cottage here.

Clifford Lloyd, a son of Mr. Bert Lloyd, past president of the association, is now in the army.

The cottagers wish to congratulate Robert Windsor on the splendid job he has been doing of policing the lake. Bob is at the call of all at Musselman's Lake and can be reached by calling Stouffville 8407.

Mr. J. Halliwell of Summerhill Cottage, Connor Drive, is doing his bit to boost our country's vegetable production, and if you drop around he will proudly show you one of the finest crops of potatoes and tomatoes around the lake.

Cottagers will be interested to learn that Mr. and Mrs. W. B. Ford who won the Victory Goats at last year's picnic, donated by Mr. James Monk, Lincolnville may themselves donate a donkey for this year's lucky draw.

Speaking of the large number of children holidaying here this year, Grandma Walton had her ten grandchildren out for a Sunday recently and no less than twenty sat down to Sunday dinner at this home. The Waltons are not worried a great deal about looking after this large household. They have a large prize St. Bernard which never lets the children out of his sight.

James Pidgeon wishes to notify cottagers at the lake that there is still considerable mail at the post office. Winsome Corner, uncalled for. He also calls your attention to a display adv. in this issue in which he offers each Wednesday and Friday, fish and chips, a treat for your summer visitors to the lake.

Wm. Kirk of Kirkside Cottage, Appleton Dr., is on the sick list. Mr. Kirk has been a faithful worker for the ratepayers association for a number of years, and friends will be sorry to hear of his misfortune.

Mrs. Foster of Lyn-Wood Cottage is here recuperating from a long illness, and her many friends hope for a speedy recovery.

Mr. and Mrs. Cameron of London, Ont., are visiting Mrs. Cameron's sister, Mrs. M. Underwood for a couple of weeks.

We understand from Mrs. Kane that her King's Plate winner "Willie the Kid" has been forced into retirement by a leg injury and will be on the shelf for some time.

"Grandpa" Mark Underwood, a familiar figure in these parts has taken a position at the Pickering Munitions Plant.

Misses Bernice Todd and Mildred Rae are holidaying at Paxton Villa, Musselman's Lake.

The Gray Coach Lines have been expanding their service here steadily and several extra busses were employed on Saturday to bring in the big crowd of weekend visitors.

Mr. and Mrs. R. P. Caulford and family, Mr. Donald, and Misses Bertha and Nancy are again at "Springfield" cottage, Connor Drive, during the cottages.

Ex-Constable Bill Beach is busy supplying the cottages with wood. Wood like coal, is rather hard to obtain, and this vendor so close at hand is certainly appreciated.

Shadow Lake camp again is having a banner year, under the direction of Miss Pitt. The girls say that the meals Mrs. Gardner is dishing up were never better. Mr. "Andy" Williams, manager is to be congratulated on the tidy and attractive appearance of the big stone entrance. City children enjoyed a real old-fashioned hay ride on Tuesday, thanks to Manager "Andy," as the Eaton farm was hauling in that bumper hay crop.

Believe it or not, Honesty is still making the headlines, and hats are off to George Carney who turned over a five spot to a Shadow Lake girl this week, when the latter came to make enquiry at the Cedar Beach pavilion.

Jac Evans and his radio band will feature the mid-night dance at Cedar Beach Gardens on the coming eve of Civic Holiday.

It is almost impossible to get an accurate list of the total enlistments around the Lake, but a few of those who are annual campers here and have donned the King's uniform, are as follows:
"Doc." Daniels, son of Mr. and Mrs. Walter Jas. Daniels, who is well known locally in softball circles, is training with the R.C.A.F. as a radio mechanic.
"Stock" Stringer, is overseas with the R.C.A.F. as an Observer. The Stringers have been cottagers at the lake for some fifteen years.
"Dick" Evans, son of Mr. William Evans, and the late Mrs. Evans, and Billy Thomas, nephew of William Evans are also wearing air-force blue. Bill is an Observer and is now stationed in Alaska, while "Dick" is training as a pilot at Belleville.
Bill Logan is with the Signal Corps overseas.
Lloyd Barkley is overseas with the R.C.A.F. as a Radio Mechanic.
"Vic." Logan is also with the Army, and is stationed in Ottawa at present.
Victor Hess, son of Mr. and Mrs. Arthur Hess, and a radio singer of no mean ability is with the Ordnance Corps, and is stationed at Toronto.
Joe Underwood, who carried hockey colours for Stouffville on previous seasons is in the Canadian Army and is stationed in Toronto.
"Farmer" Tunstead has gone overseas with a Canadian Army Unit.
"Mack" Logan is with the R.C.A.F., and is now in a training school at Galt.
Jack Tweddle, son of Mr. and Mrs. Ernest Tweddle is wearing an army uniform overseas.
Roy Warren, familiar figure on Windsor Drive during past summers, is overseas as a pilot with the R.C.A.F.
Fred Darlow, son of Mr. and Mrs. Edward Darlow, is also a pilot overseas with the R.C.A.F.
"Vern" Davies, son of Mr. and Mrs. George Davies, proprietor of Cedar Beach, has enlisted as a pilot with the R.C.A.F., and is at present awaiting his call.
Four lads from Stouffville who occupied a cottage on Rose Hill Drive a couple of seasons ago, are now all in the service and all with the R.C.A.F. They are Don, Roberts, Don McRae, Chet, Wark, former bank clerks here, and Jack Sanders.

Other lads who are serving are Bill O'Neill, Bob Sanders, Henry Greer, Louis Wismer and Ollie Greenwood.
Probably the most air-minded family around the lake occupies a cottage on Evans Drive. Mrs. Wm. Refausse and two children are the family of Flight-Sergeant Refausse who is at Camp-Borden. Two brothers of Mrs. Refausse who are also members of this branch of the service, are Richard, Urquhart, at Clarehome near Calgary and Spencer Urquhart who is stationed in Calgary.

Since we have plenty of lads in uniform with us this year, the campers are reminded to give the boys a lift whenever possible.
A further list of Musselman's men in the armed forces includes the following: Joe Dearle, Gordon Gentle, Roy D'Eath, Harold Proctor, Wally Smith, Roy Rumble, Harold Bardell, James Ward, Peter Watson, Fred Watson, William Watson, Peggy Harvey, Sid Barnard, Gordon Smith, Ken. Irwin, John, Kennedy, Albert Perry, David Jamieson, Fred Bennett, William McDonald, A. J. Elliott, J. F. Hutson, W. Kelly, W. Hitchings, T. J. Shea, W. J.
