BEES GET INTO THE LIQUOR BUSINESS
The presumption is that it will be used in lieu of sugar for sweetening purposes in alcoholic drinks. Just what the busy bees will think about getting into the liquor business, we are not sure.

The Ladies' Aid picnic was held last Tuesday at Wilson's park with quite a nice crowd there. Of course the supper was the main event and it was well under way by six-thirty. The men rose to the occasion and tried hard to beat each other at a good game of barnyard golf, (horseshoes) during which time the children and the ladies ran and won or lost in various races and contests. There were not enough men for a softball game, so some of the ladies did their stuff. Some of them had the audacity of trying to bring back the good old thought of "Well I used to." But next day, Oh me! A good row of spectators helped in the cheers and roared lustily for both sides. Each returned to their homes not so sound in wind and limb, but after having a good time and a real desire to meet again next year. We wish to thank those in charge of the park for their hospitality. They even washed our dishes for us and that's somepin'.

Pretty Western Wedding

Currie-Watson

A very quiet wedding was solemnized at Dodsland, Sask., on Friday, July 17, where Myrtle Evelyn youngest daughter of Mr. and Mrs. Dave Watson became the bride of P. O. Arthur Archibald, youngest son of Mrs. A. and the late Mrs. Currie of Nether Hill, Sask. The ceremony was performed by the Rev. Jas. A. Card in the presence of only the immediate families.

The bride entered the drawing room on the arm of her father to the strains of Lohengrin's bridal chorus played by Mrs. Jas. A. Card. She looked charming in a Queen's blue afternoon dress embroidered in pastel shades, silver slippers and a corsage of American Beauty roses.

Her only attendant was her sister Mary who wore rose flowered sheer and corsage of white carnations. Mr. Bill Currie brother of the groom was best man. After the signing of the register a sumptuous wedding breakfast was partaken, the table being centred with a three-tiered wedding cake, the bottom storey being formed into four hearts, and swathed in tulle and smilax. The toast to the bride was proposed by the Rev. James Card and responded to by the groom. The servieteur were the Misses Bisco Campbell, and McBride and Grace Bender.

During the afternoon a reception was held in honor of the newly married couple when one hundred guests signed the register which was in charge of Miss Ruby Ganton, R.N. The happy couple left for Saskatoon, where the groom is stationed at No. 4, C.F.T.S. The bride travelling in an air-force blue suit with biege accessories.

through smiles and urged us to start by making this week a smile week. She stated no person needs a smile more than the person who has none left to give. Next Sunday night the meeting will be in charge of Miss Viola Aveson. Plan to attend and bring a friend with you. On Saturday evening over 100 friends and relatives gathered on the lawn of Mr. and Mrs. Don Pickering to shower Mr. and Mrs. Gordon Mortson, who were married recently. The gifts were many and beautiful, showing the host of friends the young people have made in the community. A little wagon prettily decorated with pink and white crepe paper was laden with some of the gifts and brought out to the couple by little Joyce Perkins

niece of the bride, and little Frankie Nichols, son of Mr. and Mrs. Cecil Nichols. After the gifts were opened Miss Bertie Forster stepped forward and read an address, presenting the couple with a lovely end table on behalf of the High school boys and girls, whom Gord. had so faithfully motored to and from Richmond Hill High School.

FARMERS MAY SHOOT

Some farmers are getting mad enough to get out the old shot gun to stop the pilfering of gasoline from their farms. On the 8th concession of Whitchurch "Barney" Harding has lost quite a few gallons to prowling night raiders, and friends say he should take drastic means to put a stop to the thieving.

GO TO CHURCH SUNDAY

IS IT A SQUARE DEAL
For you to neglect the church when you would not live in a community without the church? If the church is the backbone of any community; the center of all our best life, thought and development; the greatest builder of private and public conscience; the soul's school for a character that will live through eternity; and the giver through its membership of more than 50 per cent of all charity—is it a square deal for you to let others do all this for you—and carry your dead weight beside?
