Gib. Wright is brightening his garage with a fresh coat of paint. This isn't the first time Gib, painted the village red, for he did the job only a few years ago but it faded out. "Its hard to get reliable paint," says the corner store merchant.

Will you kindly allow Mrs. Wallwork and myself to thank our many friends and neighbours for their kind expressions and congratulations on the occasion of our Golden Wedding Day.

It was certainly a great surprise to us to receive so many wonderful floral gifts and the useful presents which we greatly appreciate for the usefulness and comfort they will give us.

In looking back through the years that have gone by since we came to Ballantrae we have a deep feeling of gratitude and thankfulness for the many kindnesses and helpful deeds that have been bestowed on us; what wonderful neighbours in your eagerness to be always ready with a helping hand.
