MARKED ANNIVERSARY

The first Primitive Methodist Church was built in Claremont in the year 1867. It was frame building and was later brick clad and used by Mr. Nicholas Burton as a residence and shop following union. The parsonage was later built in 1872, and serves the same purpose today. The following constituted the trustees and building committee: T. Appleby, A. Pikey, Thomas Pugh, George Hopkins, C. Stauffer and R. Ward. The parsonage was first occupied by Rev. W. C. Allen. During this period three men, Isaac Middleton, Thomas Appleby and F. Burgess, were prominent in the service of the church as local preachers.

Last Sunday the annual anniversary services were held in this United Church, with Rev. A. J. Eale of Mt. Dennis, being the guest speaker in the morning and Rev. Harvey Howey, B.A., B.D. of Oakwood United Church, Toronto, a former pastor, at night. Music was supplied by the local choir and a guest choir in the evening.

A Halloween Party and Euchre, proceeds for war work will be held at the home of Mrs. Roy Morgan, on Wednesday, October 28th. Everyone is invited and asked to come in costume. There will be good prizes for euchre, and a lucky draw.

Two local patients were removed last week to the hospital in Toronto and both have undergone operations. Mrs. Walter Ward was reported to be improving on Monday. Miss Margaret Kennedy, daughter of Rev. and Mrs. I. E. Kennedy was rushed to Toronto where she underwent an operation for appendicitis.

Biggest Auction of Season
Probably the biggest auction sale of the season in this district will be the dispersal of the Middleton Estate on Thursday, Oct. 22nd, on the farm, a quarter mile north of Brougham. This sale is to start sharp at noon, and speculators are wondering if the vast amount of material displayed on the big two-coloured bill can be disposed of in one afternoon.

Giving Up The Farm
Mr. Fred Redshaw who has worked the Hugh Percy farm on the side-road just west of the village for the past seven years is giving up the farm and will hold an auction sale of his farm stock and implements on Tuesday, Oct. 20th. The sale should attract a large crowd as there is considerable stock to be offered. There are nineteen cows and beef cattle, also 8 calves and over fifty pigs. The sale will commence at 1 o'clock with A. S. Farmer the auctioneer.

Crashes Brock Rd. Bridge
Fred Riddle of the 7th concession escaped with little more than a battered nose, when the car which he was driving collided with the bridge abutment on the Brock Rd. just below the village. Mr. Riddle was travelling south at the time, returning from Claremont.

Split With Oshawa in Bowling Competition
What may probably be the final bowling tournament was held on the local greens on Wed. afternoon and the prizes which were given in poultry went, two to Oshawa, and two to Claremont. Earl Beare of the local club won the first prize turkey, Mr. Wilson, Oshawa, second, Mr. Stacey, Oshawa, and Mr. Hammond, Claremont, each collected chickens for third and fourth prizes respectively.

No United Action on Store Closing
There has been no settled policy concerning early closing of Stores in Claremont to meet the request of the hydro for conserving current. We understand that Cooper's big store and probably others will respect the request and close every night but Saturday during the winter season.

Mrs. L. Matthews was in Toronto on Friday to greet her nephew, Spr. Cliff. Routley who arrived in the city with the New Westminster Salmonbellies, in their quest for the Dominion Lacrosse Championship. Cliff, we understand, only played during the first game with the Combines, and was forced to the bench with an injured ankle.

An event of more than unusual interest to Brougham was the marriage in the church here on Saturday, Oct. 10th of Miss Mary Irene Malcolm and Pte. Walter Blake Knox. This was the first military wedding in Brougham church. The bride is a daughter of Mr. and Mrs. Howard Malcolm and the groom is a son of Mr. and Mrs. William Knox. The bride given away by her father was attired in white silk jersey and carried American Beauty roses, and white bouvardia. Her attendant was Miss Fern Malcolm of Brougham who wore pink sheer and carried an old fashioned nosegay. William Knox supported the groom. Miss Mary Brown sang during the signing of the register, and the happy couple left the church to the strains of the wedding march played by Miss Helen Malcolm. For travelling the bride wore rust brown with dark brown accessories. The couple will reside in Toronto.

Mr. and Mrs. Will Birkett wound up their bowling season in fine style last weekend. This local couple competed at Unionville on Friday and came home with a fine pair of turkeys, while in company with Mr. and Mrs. Sterritt, they captured a set of blankets at Agincourt on the holiday.

MORE WOLVES IN ONTARIO COUNTY

With wolves reported to be more plentiful than ever in Ontario County, chiefly in the northern townships of Rama and Mara, the county has had to pay out more bounty money. According to Miss E. A. McKay, county treasurer, the total paid out to date is \$325.00. When a pelt is sent here by farmers or others killing wolves, it is sent to the Department of the Game and Fisheries at Queen's Park to be looked over. Approval is sought to pay the bounty of \$25.00 on it, and, when received, the treasurer issues a cheque for the full amount. The province, however, remits forty per cent so that the actual cost to the county is \$15.00, and most members of the county council agree that it is money well spent.

In some townships bounties are also paid, in addition to the county-provincial cheque, so that the killing of wolves can be made fairly profitable.
