YOUR SAFEST INVESTMENT

"Canada never has failed and never will fail to meet her obligations promptly and in full."

Our country urgently needs every dollar we can spare from our savings and from our earnings. Canada will pay back every cent with interest.

When you buy Victory Bonds you lay up for yourself the best of all investments. They are backed by all the resources of the Dominion of Canada; they yield a fair rate of interest; you can borrow against them; and they are readily saleable when you need the cash.

If we lose the war we lose everything. If we win the war it will be because you and fellow-Canadians backed our fighting men to the absolute limit of your ability.
