One of two known beef rings still existent in Pickering Township held their closing meeting on Saturday evening. The Claremont Ring with G. M. Victory Loan Objective Over 2½ Million

The objective for Ontario County in the Victory Loan campaign for which this paper is running big display advertisements, is set at 2,600,000 as compared to 2,200,000 the last loan. Oshawa's share of the total is half the amount, but the farming sections this time are expected to be able to buy bonds even if in small denominations. The farmer, like the mechanic, is receiving more money these days and can afford to put a little away in savings of this nature. He is expected to, if any man is.
