"It's so doggoned fresh! That's what I like about it."

The boy's right! Stover's, White or Brown Bread is FRESH. It's FRESH when you buy it . . . and FRESH when you eat it. And yet, this golden loaf always slices smoothly and easily. For that in-between snack, with jam, cheese or spreads, eat Stover's white or wholewheat Bread.

Look for and get Stover's in the smart, Blue 'n' White Wrapper, at your grocer's display. For door buyers—the Stover's Bakerman passes 3 days a week. Call him.
