

**TORONTO
Goodwood
FLASHES**

Walter Davey
8 Stanton Ave
Toronto.

In Quaker Hill district all roads blocked from Monday till Saturday. Mail came in on sleigh Saturday evening.

The sympathy goes out to Mrs. Lawrie Wagg in the sudden death of her father, Mr. Stanley Oldham in a Toronto hospital.

The third concession is just right for skiing. Groups of children are seen during the day enjoying themselves.

Sorry that Mr. Swain is moving from the 3rd Concession.

Pte. Russel Johnson was home in Siloam for weekend from Manning Poole.

Miss Isabel Hockley was home at Siloam on Sunday with the Rev. and Mrs. McLaughlin.

Pte. Cliff Snowdon visited in the Uxbridge district recently on a hunting expedition. Cliff enjoys rabbit hunting.

Rev. and Mrs. McLaughlin visited with Mr. and Mrs. Carling Alcock on Sunday.

Pleased to see that Mrs. Warren Beach is able to be out again after her illness.

Siloam butter price 39c, eggs 32 and 30c a dozen.

Good attendance at Siloam church on Sunday considering the weather and bad roads.

Buy your spare Tribune at Watson's store, Goodwood.

Our good friend Will Todd is now resting nicely in the Private Pavilion of the Western Hospital.

Mr. Toole of Quaker Hill visited with the Forsyths on Sunday.

Private Harvey Feasby was home for the weekend.

Miss Jean Slack has returned to Toronto after a visit to her home.

Goodwood War Workers packed several large cartons on Tuesday afternoon.

Mrs. H. Norton spent Saturday afternoon and evening with her aunt Mrs. Albert Miller, Uxbridge.

Master Harold Brethour spent Sunday with his aunt Mrs. H. Coppins.

Private Bud Norton of B.C. is home on leave also Corporal Doug. Norton of Toronto was home.

Goodwood Young People were at Stouffville on Wednesday night for a skate. Four boilers of coffee and a mile of weaners were eaten.

Gordon Jones was with a group of volunteer blood donors at Oshawa on Monday.

Roads are still blocked in most places. The 3rd and 4th concessions were opened January 26th.

Mr. and Mrs. Reuben May had dinner with her parents on Friday.

Mr. Tom Dawson is suffering with a severe cold.

Visitors at Mr. Dan. Norton's on Sunday were Jack and Greta Collins Mrs. Wm. May and Gordon Jones.

Miss Marjorie McGuckin visited with friends at Quaker Hill on Sunday.

The Community of Siloam was shocked to hear of the sudden death of Alex. McMillan of Uxbridge. He was a school chum of the Tribune editor, A. V. Nolan.

Sorry to read of the death of our friend Pat. Cosgrove, known as the "Country Doctor". Pat's medicine was well known to cure everything but broken bones. Our sympathy to his family is here extended.

We are very sorry to hear that our friend Mrs. T. Heyward of Mount Albert is not so well and is now confined to her bed all the time. Probably the bright sunny days of spring will help.

Three lucky sevens. Next week three well known people celebrate their birthdays, Miss Marie Feren, Mrs. Earl Storry and son Teddy, all on February 7th.

A letter from our friend George McGuire of Calgary states they have had 10 days of cold weather, lots of snow and (whew) from 35 to 40 below zero.

After staying inside for a week Mr. McGuire took his trip down town to the barber shop. Oh yes, the barbers charge 50c for a hair cut.

Very sorry to hear of the destruction of Christ Church Parish Hall at Roaches Point. The hall is on the highway and used a great deal for various meetings. We understand a one year's supply of wool for war workers was burned with the building.

Correction! Yes, friends, just an error. The item in January 23th issue of the accident to Inspector Davie, T.T.C. Mr. Davie is a day inspector of the T.T.C. in the East district, and it was he who met with the accident at coupling cars, and not the Correspondent's brother Peter H. who is night supervisor of the cars on the system that runs all night.

Sorry to learn that Mr. Clarence Jones lost a valuable horse last week.

Good news, very pleased to hear that our friend Mrs. Will Hackney has improved in health.

Pte. Leo Blueman who is stationed at Brantford had a few extra days leave last week end. Leo with his father is down at their farm at Scugog Island disposing of their stock.

Old timers have never seen a winter to match this one continuing cold and stormy weather since the first of December.

Miss Lillian Streikow, also Miss Ruth Miller visited at the Davey homes on Tuesday night. Lillian is a niece of the Correspondent.

Mr. and Mrs. Reuben May had dinner with Mr. and Mrs. Jones. The ladies spent the afternoon quilting.

Mrs. George Jones and Mrs. Reuben May visited Mrs. Clarence Jones on Wednesday.

Miss Eunice Woodland spent a week recently as teacher in training at Mongolia school.

Sorry Mrs. William May is on the sick list. Hope for a speedy recovery.

Miss Jean Slack of Toronto visited in Goodwood on Sunday.

Mr. Mose Norton left on the train for army training on Monday.

The death of Mrs. Walter Symes is a great shock to Uxbridge Twp. residents.

Mr. Gordon Jones spent the weekend with his parents.

Arnold May visited with Mr. and Mrs. Reuben May on Friday.

Webb School closed several days on account of bad roads.

Congratulations to Joe and Jack Norton who have been made Corporals in England.

Rolph Norton who is a Military Police enjoyed a twenty one day leave with his relatives.

At the St. Clements Church, (Jones Ave.) Annual Vestry Meeting on Monday, January 25. Flash Correspondent was again re-elected sr. lay delegate to the Anglican synod and after years of retirement through his accident the correspondent was asked to be a peoples sidesman. On the printed Vestry report the sum \$60.35 was credited to, the Mission Account. This dona-

tion came from our friend Miss Grace Fotte, who is known to our Stouffville friends. So to the kind lady we say thank you.

SHE WILL INSTRUCT R.C.A.F. MEN

Miss Margaret Littlewood, Toronto girl pilot, is seen being assisted out of an airplane by Squadron Leader Carling-Kelly, flying instructor at the R.C.A.F. station at Trenton, Ontario, after completing a gruelling R.C.A.F. test flight.

EARLIER AND LARGER PENSIONS FOR AGED IS PROPOSED.

Immediate adjustment in old age pension regulations to lower the minimum age at which pensions may be received, and increased pensions were proposed by York County Council last week.

Councillors passed a resolution asking members of York County old age pension board to recommend at what age the pension should first be granted, and also what an adequate pension might be in view of increased living costs.

Another resolution urging that pensioners confined to hospital or institution be given at least \$5 a month for incidental expenditures was approved by county council. Deputy-Reeve John Doggett of East York told county councillors that inmates of institutions get only \$2 of their \$20 pension for personal spending, and hospital patients are allowed \$3 of their \$20 pension.

"That a man should have to wait until he reaches his three score and ten years before receiving assistance is ridiculous," commented Reeve F. G. Gardiner of Forest Hill. "The pensions start at far too late an age, and the compensation, \$20 a month is not adequate."

Reeve F. J. MacRae of York township said increasing old age pensions had been considered during the tenure of Farquhar Oliver as minister of welfare, and it was estimated that an increase in pensions of \$5 a month would cost \$5,000,000.

"I understand it as this extra cost which held up granting an increase in pensions" said Reeve George

**THIS YEAR
Start your chicks
EARLIER!**

It's good business, this year, to start your chicks earlier than ever. For good BRAY Chicks, see

STIVER BROS.
Stouffville, Ontario.

Mitchell of North York. "This is the time when human rights must be considered before money."

Reeve John Warren of East York said he knew a case where a man and wife both receiving a pension had their combined income reduced from \$40 to \$35 a month. "They should at least get the maximum of \$40 a month, even that is small enough," said Mr. Warren.

"Our county board can make recommendations but it will be up to the provincial legislature to permit the increase," said Reeve MacRae of York township.

H. E. Beckett, York County administrator of old age pensions, reported that of 481 new applications for pensions last year 285 had been recommended for full pensions, 61 for part pensions, 50 refused by both county and province, and 85 referred back for more information and further investigation. Even blind persons were granted full pensions last year.

In the county of York there were last year 2,536 receiving full pension, and 594 receiving part pension, while 47 received full blind pensions and two received part blind pensions.

HOW TO ENLIST IN THE CWACS

Ottawa, February 2: So you're really thinking of joining the C.W.A.C.'s? Well, Miss (or Mrs.) the Ottawa headquarters of that amazing organization of women at war has just explained how you go about doing it.

Supposing you live in one of the thousands of not-very-big towns in Canada—like Salmon Arm, B.C.; or Sheet Harbour, Nova Scotia; or Cochrane in the near-wilds of Northern Ontario; or Minnedosa, Manitoba or even Pincher Creek—and decide to find out what this Canadian Women's Army Corps is all about.

First thing you do, if you really want the facts, is write to the District Recruiting Officer at Army Headquarters in the nearest one of the following cities: Halifax, St. John, Quebec, Montreal, Kingston, Toronto, London, Winnipeg, Regina, Calgary, Vancouver, and ask him to send you that little blue book called "Women in Khaki."

"Women in Khaki" will tell you the 31 essential jobs open to you in this woman's army, if you have the necessary qualifications. It will tell you how much you get paid; how you live, what kind of clothes you wear, and what might happen to you if you do get in. (You may be called on to serve at home or abroad—and some of the Corps are already on duty in England.)

You read all this, and get interested, and talk it over with your parents or maybe your husband. Then you tear out the last sheet of the little blue book, fill out the application form on the reverse side and send it back to the District Recruiting Officer. The D.R.O. studies it, passes it to his CWAC recruiting officer, and if you have the necessary qualifications they'll send you a transportation warrant.

After your medical examination, you're in, or out. If you're in, you're practically away in a cloud of train smoke to Vermilion, Alberta; or Kitchener, Ontario (depending on the part of this country in which you live) for a four week basic training course which makes you a soldier.

Earns High Post

G. E. CARTER, recently named assistant passenger traffic manager, Eastern Lines, Canadian Pacific Railway, in a promotion from the post of general passenger agent, Eastern Lines. Mr. Carter makes his headquarters in Montreal.

Your HYDRO Answers the Challenge!

WARTIME POWER DEVELOPMENTS IN ONTARIO

- To meet the power needs of Ontario's war industries your Hydro has increased the supply of electricity in the last four years by over 760,000 h.p.
- This has made a tremendous contribution to the war effort, providing our highly electrified factories in Ontario with the necessary power to produce great quantities of weapons for our fighting forces.
- The development of new power sources is continuing—in the wilds of Northern Ontario a huge diversion program, that will reverse the natural flow of water, is nearing completion. In other parts of the Province additional power projects are nearing the final stages of construction.
- The splendid co-operation of the citizens of Ontario in conserving electricity during the recent months has contributed greatly to our war effort and is thankfully acknowledged. The shortage of power, however, is still critical and the need for conservation continues.
- Still more power is needed to produce still greater supplies of war weapons and materials. When the victory is won, that same power will be available to contribute to peacetime progress in our industrial, commercial and home life.

INCREASE IN POWER FROM MOST RECENT DEVELOPMENTS

1. Plant nearing completion to provide 65,000 h.p.
2. Mid-Ontario plant supplying 10,000 h.p.
3. Hundreds of miles of new Transmission Line.
4. Rapid progress on new diversion program.
5. 54,000 h.p. plant into production last summer.
6. 230,000-volt Transformer Station to distribute power.
