Premier's Stand on Temperance Pleases S. S. Convention

Markham Township Sunday School convention went on record at Unionville as appreciating the recent stand taken by Premier King for instituting a cut in liquor business, when by a standing vote the convention authorized the following resolution: "Whereas our prime minister, Rt. Hon. W. L. M. King has assured us of his stand on the temperance question,

Resolved that this convention express their appreciation of his attitude and further encourage a program of education along this line, and that a copy of the resolution be sent to Mr. King."

The sessions held last Thursday in the United and Lutheran churches at Unionville were well attended. It was the 74th annual gathering, and was opened by the president.

At the morning session reports from the various departments were given and discussions followed. These proved very interesting and informative. It was felt that the need in Markham Township was a return to the Sunday Schools, hence a resolution was adopted to sponsor a movement for "Back to the Sunday School." During lent a special campaign is to be carried on to increase the Sunday School attendance as much as possible.

For the afternoon session there were two speakers, Dr. I. H. Erb and Rev. C. E. Cragg, both of Toronto. Dr. Erb gave a masterly address on "Christ and the Apostles." He pointed out that the first disciples had to learn some things that we in our day must learn also. The six things mentioned were: Self-denial, service, faith, humility, tolerance, and patience.

Dr. Cragg spoke on the subject: "Christ and the Child" and stressed especially in his message that our boys and girls should be shown their need of Christ when yet in their early youth. Dr. Cragg stated that many of the members of his church in Toronto were converted before the age of 10.

Gunner Knudsen who arrived near the end of the afternoon session sang a very fitting selection "Forward to Christ," which was greatly appreciated!

While the afternoon session was in progress in the United Church, Rev. and Mrs. Norman Rowan were conducting a children's service in the Lutheran Church. This church was packed to capacity and a very enjoyable and profitable time was spent.

In the evening Dr. Cragg spoke on the subject, "Christ and the Home." He said that no nation could rise higher than the standard of its homes. Germany, the birth place of the great Protestant reformation, has fallen because of her pagan teachings and the failure to build Christian homes. He also stressed the great need of prayer and Bible reading in the home.

Gunner Knudsen the noted Danish tenor, sang four selections at this service.

Hugh Boyd reported on the Bible distribution among the day schools of the township. Teachers and pupils alike have shown deep appreciation in this most important part of the work of the Township Association. Nearly 200 Bibles have been distributed to the day schools during the past year, Mr. Boyd disclosed.

The ladies of Unionville and surrounding district provided very generous meals for all.

Dr. Cragg who has seen many conventions stated that this was the most enthusiastic convention he had ever attended.

IN MEMORIAM

Sgt. Pilot George A. Davis, died February 11th, 1942.
A gallant son; a fearless lad, He gave to his country the best he had
He asked no favour, just a chance to fly
And help win the victory in the sky.
Nobly he fought and nobly he died, With the Master Pilot at his side.
Mid the Cotswold Hills lies all that is mortal,
But in realms of peace he lives immortal.
Rev. and Mrs. Douglas Davis and Family.

IN MEMORIAM

In loving memory of Eli R. Ramer, who passed away February 16, 1942. God knows that he was suffering. That the hills were hard to climb. So he closed his weary eyelids. And whispered "Peace be thine" Now in the beautiful hills of God. By the valley of rest so fair. Sometime, someday, we know not when
We will meet our loved one there.
Sadly missed by Wife and Children

IN MEMORIAM

Mary Patterson (nee Stouffer). Beloved wife of J. A. Patterson, Greenshields, Alberta, passed away February 26th, 1941.
Called home to rest,
Beyond the vale of weeping,
The loving Father,
He has willed it so,
In Heaven above safe in the Saviour's keeping.
Oh! blest abode where
Sorrow's tears ne'er flow,
Remembered by a loving husband, her brothers and sisters.
