feet." At the feet of the Lord Jesus seems ever to have been the place in which Mary was found. Falling before Him as a worshipper, she used the same words that Martha had done, but not as upbraiding Him; rather, as expressing the perplexity of her troubled heart.

Verse 33—"Jesus . . . groaned in the spirit, and was troubled." Deeply moved by Mary's pent-up grief, Jesus entered into it all with her, as He ever does in the sorrows of His people. His was a true human spirit, for in taking humanity into union with Deity, He did not just assume a human body, but He took part in flesh and blood in the fullest sense, except for its sin (Heb. 2: 14). He had a true human spirit and soul, as well as a body prepared of God in the virgin's womb.

Verse 34—"Where have ye laid him?" He would have them direct Him to the tomb, that He might accompany them there and enter into all their grief, preparatory to raising Lazarus from death.

Verse 35—"Jesus wept." There are only two words in our English Bibles, but there are three in Greek, for the definite article precedes the name. "Wept" is literally, "shed tears." When we remember the dignity of His person and discern the glory of His deity, how it enhances the meaning of those tears!

Verse 38—"Jesus therefore again groaning in himself cometh to the grave." This was no pretended exhibition of feeling or emotion. Our Lord's whole being was stirred as He thus came into contact with the ravages death had made—for by sin came death. He could not look on such suffering without entering into it in the fullest and tenderest sympathy.

Verse 39—"Take ye away the stone." He called upon them to do what they could. Alas, they could do no more! Already corruption had set in. He only could overcome its awful power.

Verse 40—"If thou wouldest believe, thou shouldst see . . . This is the divine order. Faith first, then sight. Man may try to reverse this, but it will never work. We do not see the glory of God until we believe His Word.

Verse 41—"Father, I thank thee that thou hast heard me." Our Lord ever acted in the full consciousness

of uninterrupted communion with the Father

Verse 42—"Because of the people which stand by." That is, in order that the onlookers might know He was acting as the Son in fellowship with the Father. He invoked the Father's name thus publicly before calling Lazarus back to life.

Verse 43—"He cried with a loud voice, Lazarus, come forth." If He had not used the name of the dead man, He would have emptied the whole cemetery. Some day that voice of power will call all the believing dead from their tombs—and later all the unsaved (John 5: 28,29).

Verse 44—"He that was dead came forth, bound hand and foot with graveclothes." There is a difference between life and liberty. The voice of Jesus Christ was to this dead man the message of life. Those who loved him were called to "loose him, and let him go." We see the same thing in connection with the reception of spiritual life and practical deliverance from those things that bind the soul and hinder progress.

**BUTTER PRODUCTION
DECLINES IN COUNTY**

Although a marked decline was noted in the production of Cheddar Cheese in Ontario County in January, the make of creamery butter was well maintained despite there was a slight reduction.

Figures published by the Ontario Department of Agriculture show that only 450 pounds of cheddar cheese were in the county during the month as compared with 27,930 in January a year ago. At the same time 70,369 pounds of butter were produced, as compared with 71,235 pounds in the previous January.

**POTATO PRODUCTION INCREASE
OBJECTIVE FOR 1943**

At the recent meeting of the Ontario Crop Improvement Association, held in the King Edward Hotel, Toronto, it was pointed out that there has been a marked decline in potato production throughout the Province during the past ten years. While acreage has shown marked decreases, average yields per acre during past ten years are also considerably lower than for any ten year period during the past fifty years, and quality has not improved. During the year 1941, carload shipments to Ontario amounted to 3,269 as compared to 1,139 in 1931. Considering demands and needs for foodstuffs, and the increased amounts which might be secured from

potatoes as compared to other crops, it was unanimously agreed that every effort should be made to increase potato production in the Province during 1943, by at least 10 p.c., as requested by the Dominion Government. In consideration of the situation with regard to scarcity and costs of labour, machinery, fertilizers and suitable seed, it was the opinion that the objective should be obtained by increased yields rather than by increased acreage. Recommendations were made that surveys should be undertaken to determine all available potato machinery, particularly in crop areas best suited to potato production, followed by arrangements and organizations to make effective use of same, either by co-operative or custom methods.

Your RED CROSS CALLS TO YOU
Never has the need been so urgent
\$10,000,000 NEEDED NOW!

YOUR RED CROSS appeals to you for funds to carry on its program of mercy; to continue vital war work performed by no other organization. Never has the need been so urgent. Helping to keep up the morale of half-a-million fighting men is a gigantic task, and that is only the beginning. The Red Cross makes life more bearable for thousands of prisoners of war. Over 2,000,000 parcels were shipped to them last year—more than this number must go in 1943. Our men in British and Canadian hospitals need Red Cross comforts and heartening visits from the staff of Red Cross "visitors". Red Cross help to shipwrecked sailors is essential, thoughtful, immediate. Homeless war orphans—our own kin and those of our allies—sick and starving men and women in many lands—millions in Russia, Greece and China and other peoples of the United Nations—need more food, medicine and comforts from the Red Cross. The need is world-wide; this year the cost will be greater than ever. The work must go on. Obey the dictates of your heart; open wide your purse and be generous. Remember, you are the Red Cross!
