Mr. and Mrs. Joe. McMullen, 10th street, celebrated their sixtieth wedding day on Monday of this week. Since Mr. McMullen is quite critically ill, the occasion was not seized upon for any celebration. Mrs. McMullen, however, is very active and has done most of the nursing of her husband who is in his 92nd year.

Back from Western Trip
Mr. and Mrs. Lou Lownsborough returned last week from an extended visit in Saskatchewan where they spent most of the time at the home of their son in Carnduff. Farming conditions this spring in that section of the west are identical with Ontario—too much rain, and only a small amount of spring seeding done. Enroute home Mr. and Mrs. Lownsborough stopped off at Stony Mountain, 12 miles from Winnipeg to visit a brother there. There are great stone quarries there, and it is the location of the big provincial goal.

Mr. and Mrs. W. Payne and Dorus of Markham, and W. H. Payne, on leave from Bedford, N.S., spent an evening with Mrs. Geo. Brownsberger this week.

Big Caterpillar Reo in Operation
Woodward's new bus operating between Stouffville and Ajax replaced the smaller vehicles last week, and certainly looks quite swanky. The big Reo has seating capacity for 50 passengers, but will accommodate 100 people in rush times. Coming up from Ajax on Friday evening 86 passengers were aboard, since employees who live at the plant were coming home for the long weekend.

Over Three Tons of Scrap in Cadet Collection
Approximately three tons of salvage was collected by the Stouffville Air Cadets in their recent tour of the town. Nearly two tons of waste paper alone was bundled up for shipment to the city. Proceeds from this material will go to the support of the cadet unit here. Citizens are reminded that the depot on Main St. is ready to receive additional salvage at any time. Although the building is not always open, if the scrap is left suitably bundled at the door, it will be taken care of.

Potatoes Are Scarce
City folks are scouting the local district for the odd bag of potatoes which are hard to buy. Farmers holding any supply do not wish to part with any until they have completed planting, then if they have a surplus, they will be available for eating purposes. To relieve the situation 150 carloads of Saskatchewan potatoes will soon be rolling into Ontario according to J. N. Sinclair, director of foods, Wartime Prices and Trade Board.

One city chap on Saturday had called upon endless farmers in Uxbridge and in Whitechurch and obtained half a bushel. Another fellow got a bag, but those who write their country cousins find it hard to get the tubers that way.

Plan Trip to Western Coast
Next week Mr. Isaac Barkey and Miss Flossie intend to leave next week on a couple of months' vacation travelling to the Pacific Coast. They will take the C.N.R. to Edmonton where they will visit Mr. Barkey's brother Henry, and then proceed to the coast and Victoria. The return journey by C.P.R. will bring the travellers to New Westminster where a stay will be made visiting his sister-in-law, Mrs. Hardman. Next Calgary will be a point of call to visit friends and relations. Enroute home they will break the train trip by taking the boat from Fort William to Sarnia, and at the same time visit with more relatives at the latter port. Miss Barkey has been to the coast on a previous occasion, and said Mr. Barkey, "It will be my first trip to the coast, although 36 years ago I made a trip to Western Canada on a harvesters' excursion." Last year Mr. Barkey sold his well appointed machine shop, once called the foundry (although it was scarcely a foundry), to the Stouffville Machine and Tool Works, and while he has been very busy assisting the new firm with war orders, the time has arrived for him to enjoy a well earned holiday.

MEAT RATIONING STARTS TODAY

Meat rationing comes into effect in Canada today, May 27. Spare "A" coupons (brown) will be used at the rate of two per person per week and each will be good for the purchase of approximately one pound of meat, depending on the amount of bone in the cut. Merchants and housewives will be supplied with charts showing the exact amount of each meat cut that can be purchased with one coupon. It has been estimated meat rationing will reduce Canadian consumption by 20 to 25 per cent.

Scores of small articles, as well as beds, washing machine, electric goods, will be sold by public auction at the Silvester block in front of the fire hall on Tuesday evening, June 1st, beginning at 7.30 o'clock. This is known as a White Elephant Sale where the articles are donated to the Air Cadets who benefit from the sale of them. A youth from the Bowmanville Home, 12 years of age, was turned over to Constable Rusnell here the other day, and placed back in the care of guardians. The lad had been placed on the farm of Cliff. Lee in Uxbridge township, and had started to school when he decided to wander, taking \$7 with him, which sum was going fast since he used it for meals and candy. Once in custody of the big chief the lad made one effort to do the disappearing act, but a prompt pick up by the neck, decided him against further attempts and he humbly submitted to the direction given him by the limb of the law.

Children Raise \$8 for Red Cross
With Master Jimmie Bodendistel as master of ceremonies, some fifteen youngsters developed the idea of putting on a concert in the park grand stand last Saturday, many of the children being under ten years of age. The net result was \$8 for the Stouffville Red Cross, a handsome contribution you will agree. With Jimmie as announcer, every performer did wonderfully well, and they deserve great praise for their effort. The participants were Jimmie Bodendistel, Aubrey Golden, Jim Salmon, Fred and Geo. Griffiths, Clifford Harper, Shirley and Roberta Bone, Joyce Barkey, Barbara Harper, Grant Burkholder, Rony Walsh, John Davis, Sheila Tait, Barbara Buckley.
