**AURORA COAL DEALER
C. WILLIAMSON DEAD**

Funeral service for Charles H. Williamson, 64, well known as an exhibitor of heavy team horses at fall fairs was held in Aurora on Saturday, from his residence there. Mr. Williamson, coal & wood dealer died at his home Wednesday. He was a native of Whitechurch township.

Besides his widow, there are surviving four brothers, Frank of Ravenshoe, Ont., Arthur of Roblin, Man., Daniel of Aurora, and Edward of Newmarket. Two sisters, Mrs. George Bell of Toronto and Mrs. Arthur Atkinson of Aurora, also survive.

COUNTER CHECK BOOKS

Many merchants now provide space on their counter check books to list the ration coupons required on the order. The Tribune will be pleased to show samples to any interested customers requiring counter check books. There is no extra charge for such printing. If you are in need of counter check books let us have your order well in advance of using up your last book.

Seldom Seen

Seeding time usually gives me plenty of opportunity to think and reason out a lot of things as I plod over and round and round the field. I admit I started all flustered this spring because we couldn't get going until so late. To arise each morning to find it had rained all night or was then raining, while the days were getting closer and closer to harvest, was exasperating. The boys at the corner store are talking blue-ruin every night.

However, we finally got to seeding and have finished away ahead of clay land owners. I went in to dinner the other day and Mrs. Josh said, "What do you think, I had a caller this morning almost before I had the milk cans washed up." He wanted to know if I wanted extra sugar, and if so he could put me in the way of a bag." Mrs. Phil said she, certainly needed the sugar and would appreciate an extra bag.

Then the caller unfolded the scheme of how Mrs. Phil would put \$15 on the table, and a stranger would bring along the bag of sweetening and take up his pay.

Mrs. Phil said that when the full story was unfolded to her she got hot all over, good and mad, and said, John Jones, I don't want anything to do with your stranger friend, that's what they call black market, and you leave this house at once."

Jones left muttering something about only wanting to help a neighbor, but he was intending to help himself too. I think he helped himself to our chickens two winters ago, and he was once in court, charged with stealing pigs.

Well, as I said, one gets a great chance to think when he is seeding, and I was thinking, why is it so many people decide against living a straight out and up life.

Probably we are all to blame. We have made it so hard for some to progress, and certainly the weak get pushed about.

Thinking still more I'm wondering if it will be any different after the war, since there is so much talk about a different kind of world.

Well, if there is to be a change we must think, and plan at our township meetings—then get out and fight for a square deal for all.

We have got to put down the black market in everything, seek dependable men in public places, and after all obey the Ten Commandments.

You see seeding time provides the opportunity to plant both in the ground, and in the brain. May the harvest in both cases be rich and abundant.

family had Sunday tea with his parents.

Mr. and Mrs. J. Stewart and daughter, and Miss M. Coppins were holiday guests of Mr. and Mrs. R. Coppins.

Mr. and Mrs. Robb, Fanny and Linda, Mr. and Mrs. C. Symes and Barbara, also Miss Lily Davis all of Brooklin, were Sunday guests at Walter Symes'.

A large gathering were present last Thursday evening, at St. Clements Church, Jones Ave., when Mr. Ridley presented his musical comedy, "The Castaways". Flash correspondent was master of ceremonies. Rev. A. E. Lunau and Mr. Vaughan Blueman were present.

**JOB OLDHAM DIES AFTER LONG
ILLNESS**

After a lengthy illness, Job Oldham, Mount Albert, died at his home in his 81st year. Born in Uxbridge township on March 19, 1863, he was the son of the late Mr. and Mrs. Elliott Oldham, Mount Albert. He married Frances A. Harman, 51 years ago.

A farmer all his life, Mr. Oldham was a school trustee and a member of the United church.

Surviving besides his widow are two sons, Jagger and Norman, Mt. Albert; three daughters, Ruth, Sunderland, Mrs. I. McLaughlin (Carrie) Mrs. Robt. Windsor (Laura), both of Ballantrae, three brothers, Arthur, William and Abel, Mt. Albert; and one sister, Mrs. Ada Sawdon, Mt. Albert.

The funeral service was conducted by Rev. W. H. Burgess, at the residence. Interment was in Mount Albert cemetery.

The pallbearers were Norman Brooks, Herbert Harmon, Geo. Walsh, Frank Harrison, Alfred Jarns and William Pegg.—Newmarket Express-Era.

**TOWNSHIP OF MARKHAM
WEEDS**

Owners and Occupants of property in the Township of Markham, take warning that if any NOXIOUS WEEDS are found growing on lands within the Township AFTER JUNE 15th, the Township will destroy the same without further notice and will charge the cost of such work against the property in taxes.

TAKE FURTHER NOTICE that Weeds must be kept cut throughout the entire year or the Township will destroy them as often as necessary to prevent their growth.

OWNERS should make certain that tenants destroy their Weeds in order to avoid these charges against the property. Special attention is requested to:—

RAG WEED and POISON IVY

J. W. WARRINER,
WEED INSPECTOR.

**25th
ANNIVERSARY**

This year marks a quarter of a century of our establishment in the creamery business.

We wish to express our heartiest appreciation to all our business associates, to the cream producers as well as to the butter distributors, and to all with whom we in any way had business contact, for their splendid support and cooperation.

By the steady yearly increase in our butter production, we are pleased to know that our efforts to render a satisfactory and complete creamery service to our patrons is appreciated.

Aside from a commercial standpoint it is of great satisfaction to know that one is rendering some service to the community in which we live and we are satisfied that we have created a profitable and convenient outlet for our patrons product, and at the same time we are justly proud of having produced a grade of butter that commands an excellent demand.

The service we render our cream shippers is of a two-fold nature; one is that our trucks will collect the cream directly from your farm and the other is that you have the privilege of making your own deliveries direct to the creamery for which we pay you an extra two cents per pound of butterfat.

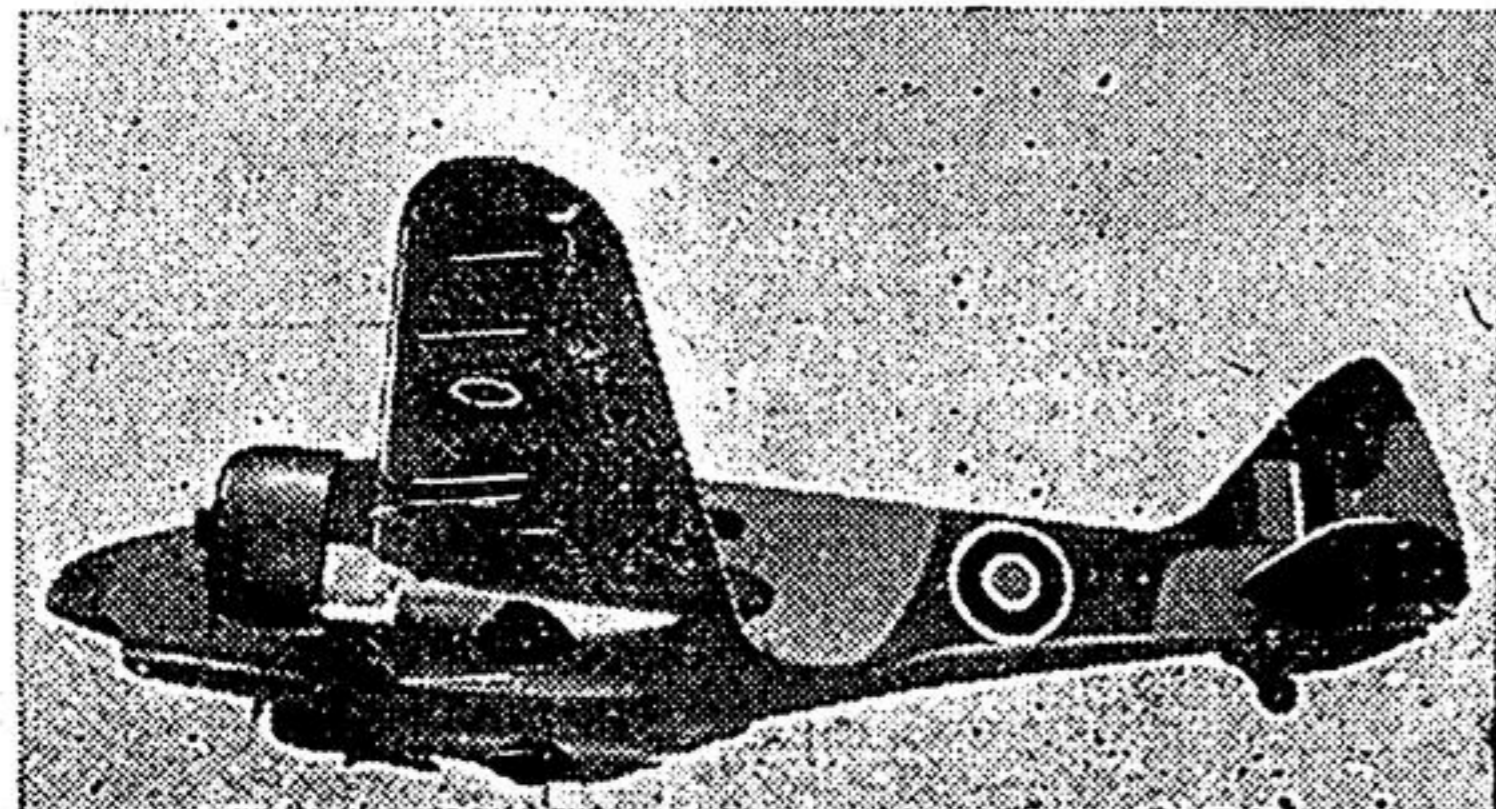

Another recent contribution to this community is the installation of our cold storage meat lockers. The long felt need of such a service in the community has certainly proved itself by your overwhelming response and we only regret that we cannot meet the demand for more lockers.

**WE NEED MORE CREAM TO MEET THE DEMAND
FOR OUR BUTTER:**

**YOU NEED A PROFITABLE AND CONVENIENT
OUTLET FOR IT.**
