# Wartime Housing Ltd. to Pay Own Hospitalization

## DR. CARD, ASSIST. M.O. RESIGNS HIS POST

Wartime Housing Ltd. builders of six hundred homes in south Pickering Township, have agreed to pay for all hospitalization bills incurred by occupants of these houses who are indigent. It was revealed through their agent at the regular meeting of Pickering Twp. council on Monday. It has been feared for some time that such bills were to become costly to the municipality, but Mr. Cole, acting for Wartime Housing assured the members that his company would stand this expense.

In addition Wartime Housing is agreeable if the township chooses to impose a business tax upon Mr. Ross Murison, proprietor of the large new grocery within the confines of Ajax. Although this store has been erected upon land of the crown, and is not assessed, it was only deemed fair that the operator should pay some tax, as he was in competition with other Pickering merchants.

The question of collecting dog tax from Ajax tenants was also placed before Mr. Cole who stated that he believed this tax justifiable in view of the fact that these dogs, if allowed to run at large, untaged, would be a menace to surrounding sheep flocks. Dr. Card, assistant Medical Officer to Dr. N. F. Tomlinson, who has been

attending to the ills of Ajax residents, has tendered his resignation. The position paid no remuneration.

Mrs. Agnes Burch waited on council with regard the repairing of the cemetery at lot 33, con. 6. Council had previously agreed to pay fifty per cent of the repairs up to a limit of \$25, and this amount was granted Mrs. Burch on Monday.

A petition signed by the necessary ratepayers was presented by Mr. W. Weismer. The estimated cost of the new road and bridge was \$1300 and will be paid for over a period of three years.

Lloyd Johnson, assistant clerk and tax collector, revealed that of the twenty properties listed for the coming tax sale on June 25th, only ten remained. The total amount of taxes outstanding on these properties is \$1,039.

One sheep claim was ordered paid, the amount being \$55 for four sheep killed by dogs on the farm of Oscar Shaw, 5th concession. Relief accounts amounted to \$72.70.

Under the new system introduced this year, Income Tax is now on a pay-as-you-earn basis. The reduction of the 1942 Tax made this possible.

In most cases the larger part of the reduced tax will have been paid by the 1942 tax deductions or instalment payments. One-third of any balance must be paid by 30th June and the remainder on or before 31st December, 1943.

You must file an Income Tax return and pay any balance to establish your right, after the war, to the refund of the Savings Portion of your tax.

If you are a salary or a wage earner, your employer can probably supply you with Income Tax Forms—otherwise, they are available at your local Post Office or the office of your District Inspector of Income Tax.

Over 2,000,000 Canadians will be filing returns and paying taxes... avoid the last minute rush. If you wait, illness or other unforeseen circumstances may prevent you from getting your return in on time. Avoid penalties by sending in your return NOW!

Forms may be secured from your local Post Office or District Inspector of Income Tax.
