Unionville Pastor Goes to Cooksville

After a pastorate of ten years in Unionville and Milliken, Rev. A. E. Owen has accepted an exchange with Rev. H. D. McCormick of Cooksville. Last Sunday Rev. Mr. Owen preached his farewell sermon to his congregations.

During his pastorate in Unionville Mr. Owen has taken a keen interest in all the organizations of the church and has always been a willing worker in worthwhile activities in the community.

He has had the privilege of performing one hundred and one weddings during this decade, the number of funerals was not ascertained.

Mr. Owen has had an interesting time during his thirty-seven years in the ministry, and an additional four years while a student. As his first charge when a student he was appointed to Emsdale in Muskoka, and he made the journey from his home in Thornton, a distance of one hundred and twenty miles, by horse and buggy. The road, now No. 11 Highway, was just a trail then and north of the Severn bridge it was impossible to trot the horse due to the rocks. He made the distance in three days travelling forty miles each day. He purchased his first car—a Ford, in 1915 and it gave him fine service.

He has had charges at Gore Bay, Chatsworth, Whitevale, Shelburne, Allandale, Uxbridge and Unionville. Mr. McCormick has been at Cooksville for the past three years and expects to move into his new field right away. He will be taking over the work the first Sunday in September, after having had his holidays during August.
