STEVE THOMSON.  
Nov. 15, 1943

## U.F.O. Notice

The United Farmers of Ontario, Stouffville Branch No. 63, is re-organizing under the name of "Stouffville Co-operative Association." A charter to carry on business has now been granted the Provincial Directors by the Ontario Government.

Under this charter, the Association is authorized to deal in practically every kind of consumers' goods. For the duration of the war the Association will be barred, from dealing in any commodities not heretofore handled by the Club. These will be added as restrictions are lifted.

Meanwhile, the Club is doing business and has been doing business during 1943 at the rate of over One Hundred Thousand Dollars per year. To do a business of this magnitude, it is found that certain building accommodation to carry it on in and increased funds for the financing of such business must be provided and this the new set-up, if subscribed to, takes care of.

It is then proposed to raise the necessary funds by what is known as "The Loan Unit Plan." The head of a family, or some other member thereof, is asked to pay to the Association Ten Dollars for a membership fee and, in addition, to lend to the Association one or more units. The Unit has been fixed in the Charter and By-laws at \$25.00. On this Unit, or these Units, the holder may be paid up to 4% interest yearly. It is not desirable that any one person hold any considerable number of these Units. It is desirable that a great many should hold at least one Unit.

The subscribers will own the business and will conduct it on a thoroughly democratic basis. There will be seven appointed, by you yearly, who will hire the manager and other help.

The business will be conducted on a thoroughly co-operative basis. There are some twenty-eight hundred farm families within a radius of ten miles from Stouffville and another ten hundred to fifteen hundred other families within the same area, every one of which would benefit by having their own Consumers' Co-operative. Why have others doing for you what you can better do for yourselves and at the same time save money? No one makes or receives a profit from a co-operatively conducted business.

Why not get together and WORK TOGETHER?

Canvassers will call on you for your subscriptions or you may call at the office of the Stouffville Farmers' Club.

A Mass Meeting is being arranged to be held in Stouffville on Thursday, Dec. 2nd, to be addressed by prominent Co-operative Speakers, screen pictures will also be shown illustrating the work of this great movement.

Nomination for the village council in Stouffville, will be received on Friday evening, Nov. 26, from 7.30 to 8.30 p.m.

At 8 p.m.

Speakers from Toronto and Ontario Associations present. Annual Reports and Discussion  
W. L. Clark, District Director.

Chas. Hooper, President  
Fraser Gee, Secretary.

## Well Known Farm Home in Markham Changes Owners

The 100 acre estate of Councillor Albert Reesor about two miles south of Stouffville, has just been acquired by Mr. Leonard Hoover, neighboring farmer. The farm has been worked this year by Mr. Joe Reesor on the homestead while Councillor and Mrs. Reesor have continued to live on the place which has been their home for some 30 years.

We understand the change will not be effective until next fall, and after that time the Reesor place will be worked henceforth by Ernest Hoover, son-in-law of Leonard Hoover and who is now living on the Simeon Hoover farm.

Friends in the township will be very pleased to know that Mr. and Mrs. Reesor and their two daughters are remaining in the township and have acquired the former Peter Burkholder house and land on the 8th concession, and so will become neighbors of Mr. and Mrs. Harry Spang.

The Reesor farm adjoins the Reesor homestead and is in good state of cultivation and regarded as one of the better class properties in the township. In addition to good barns it has a good house all in repair. The reported sale price is \$15,000, but this has not been confirmed.

**OLD BETHESDA GIRL PASSES IN U.S.A.**

Bethesda people will regret to learn of the passing on Tuesday, Nov. 9th, in Bemidji, Minnesota, of Mrs. George Campbell (formerly Harriet Allin). Mrs. Campbell was a member of the late John Allin's family and is survived by two sisters and a brother, namely Mrs. David Snider of Stouffville, Mrs. Margaret Andrews and Mr. Percy Allin, both of Aurora.

Mrs. Campbell spent her girlhood in Bethesda, attending public school there, and the Newmarket High School. Later upon graduation as a teacher she immediately took schools in the States of Michigan and Minnesota. For the past 34 years she has lived in Bemidji, Minnesota, where she has been closely associated with Sunday School and educational work, indeed as late as this past spring term was on the staff of the Bemidji Business College.

In her 72nd year, Mrs. Campbell passed away as the result of a cerebral hemorrhage suffered a month ago, leaving to mourn her loss, her husband, Attorney George Campbell, and two daughters, Lois and Katherine.

**THE REEVE DINES ON RABBIT**

Reeve A. E. Weldon is certain to enjoy a rabbit stew some time this week. On Tuesday evening while driving over to Goodwood his car struck a rabbit in the head, and it was brought home and prepared for cooking, since it was in such excellent shape. Some people tramp all day, and carry a gun to knock over a bunny or two.

**MORE HELP WANTED**

More blood donors are required for the coming clinic at Markham, on Nov. 25th. Only 80 responded last time, whereas there should have been 120. If you can add your help this time it will be appreciated.

Eight who offered themselves could not be accepted because they failed to observe the food diet. No fats must be taken for breakfast that morning, no eggs, cream, or fried food. If you have not obtained a food card, apply to M. E. Watts, Stouffville, or Dr. Innis MacDonald, Markham.

Send The Tribune to absent friends.

**Animal Breaks from Scene of Sale**

Although weather conditions were ideal and a fair crowd assembled at the farm of Mr. E. W. Evans north of Claremont, on Tuesday, for the registered stock sale of Shorthorns, prices were not high. The top reached was \$175 for Mayflower Maid 61st, being Lot No. 1 in the catalogue. When the next animal appeared, buyers turned over the page, but the bossie threw up her tail and struck for parts unknown. She never returned in time to be sold.

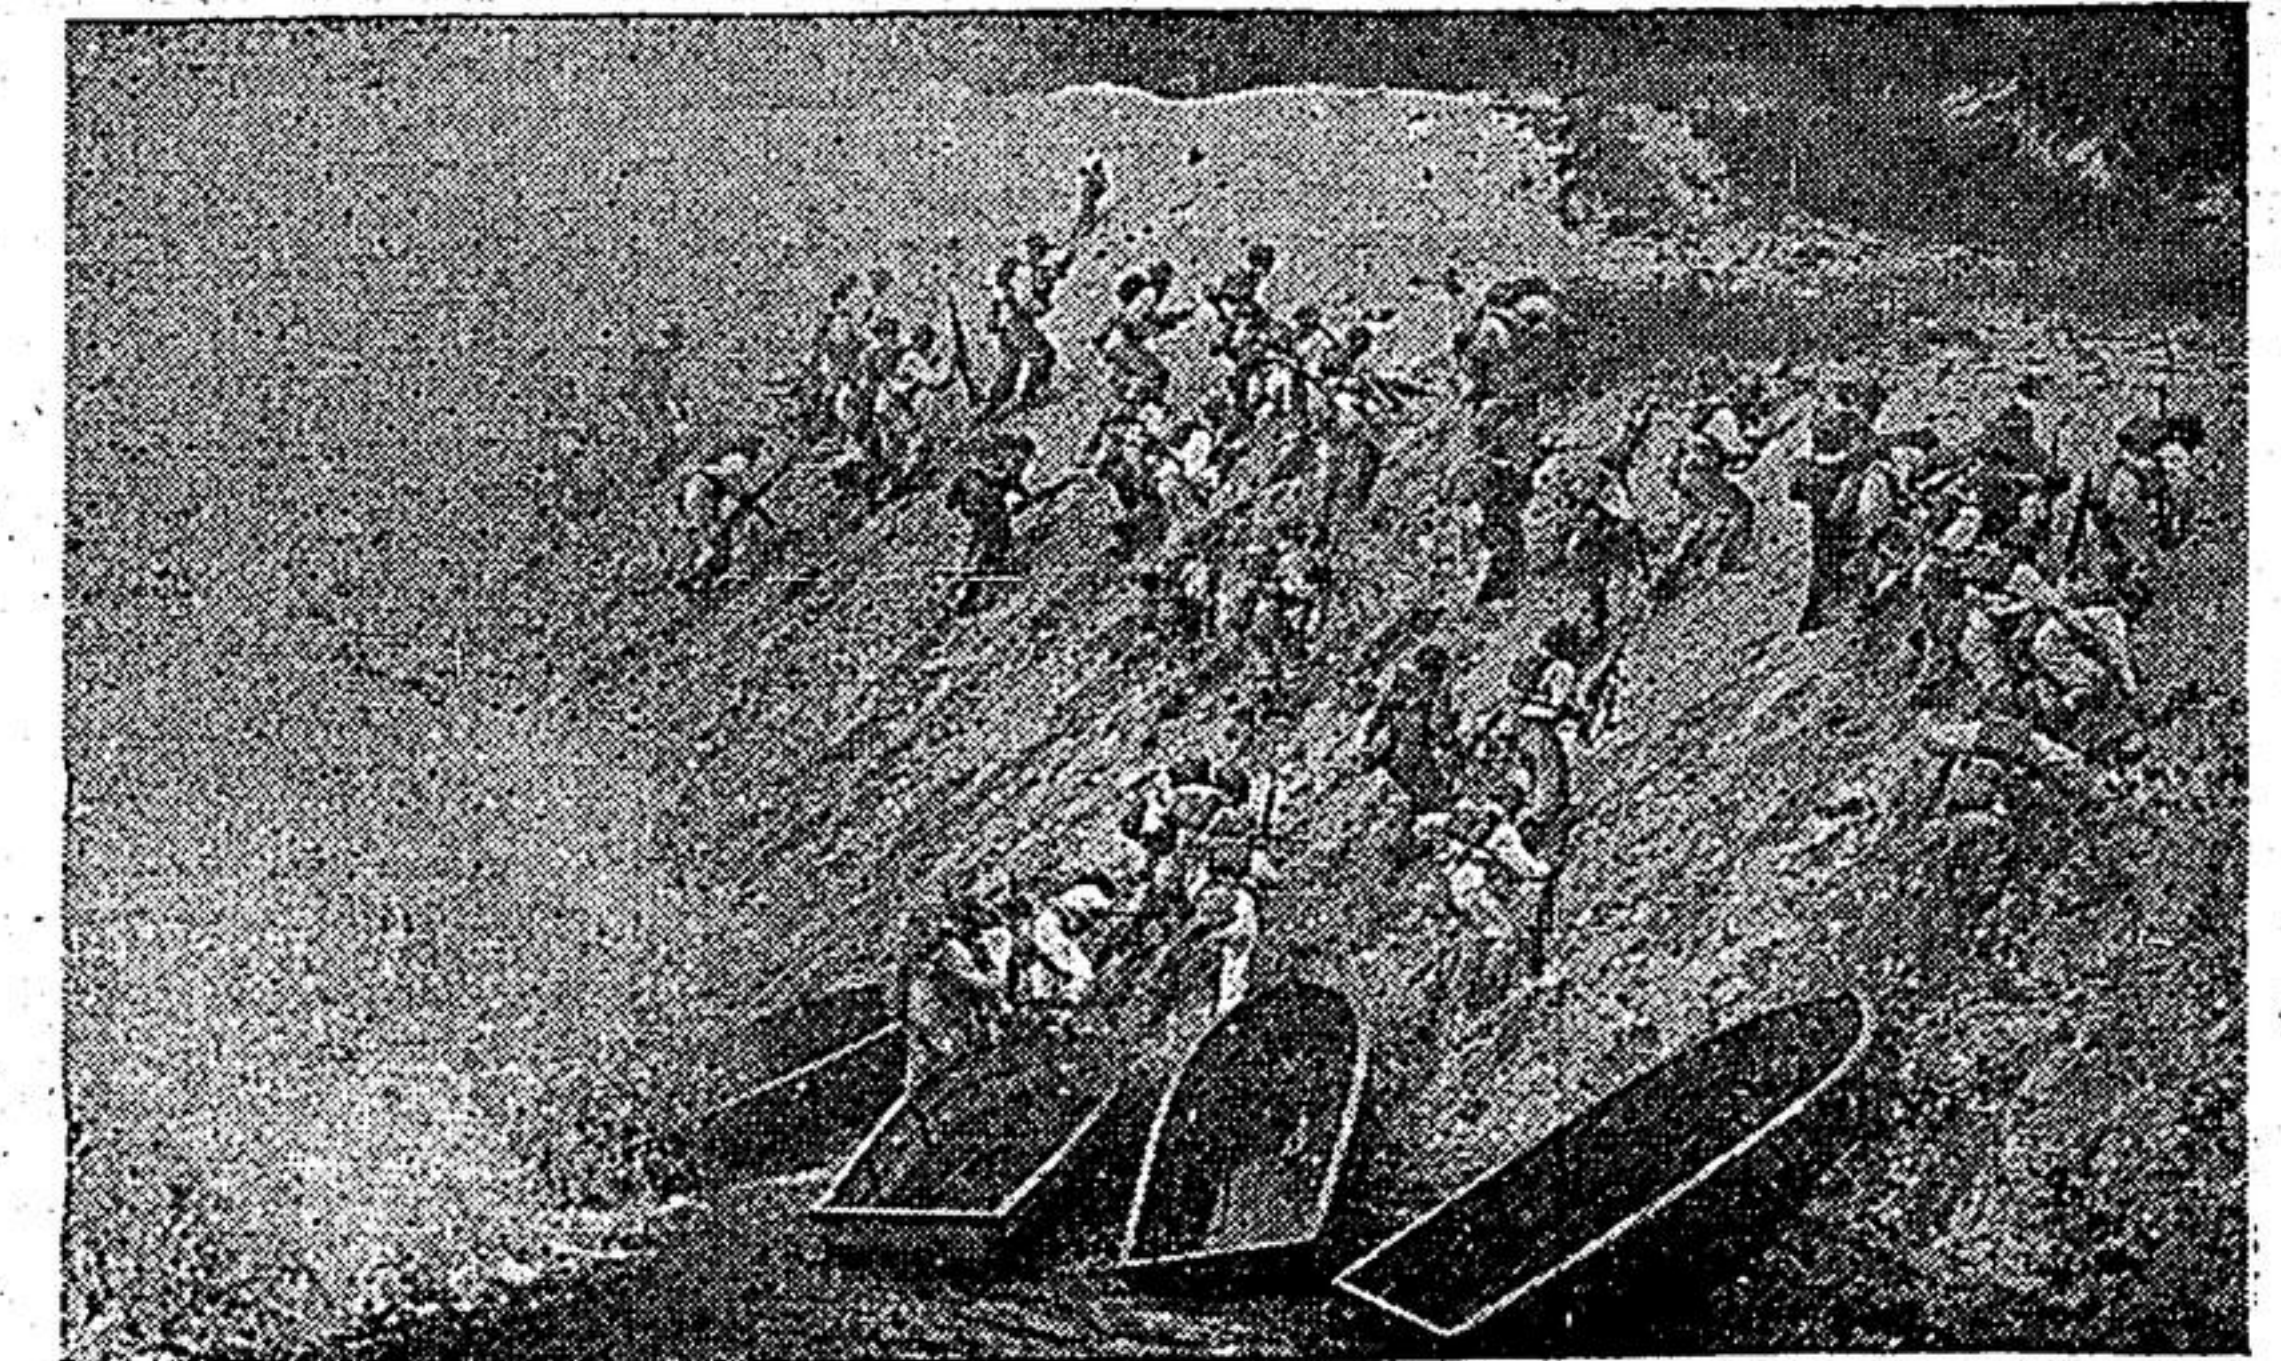

Registered sheep went at market prices from \$10 to \$15 each. The sale was sold by W.F. Marquis of Uxbridge, since Ted Jackson advertised to be on the block, was ill in bed.

**DO YOU WANT WORK THIS WINTER?**

Toronto manufacturer of Asphalt Shingles and Roofing products needs men for factory and warehouse work from now until farm work resumes next Spring. No experience necessary. Full pay while you learn the job. Good wages and working conditions. Room and board near factory.

This is essential civilian work in a government-designated industry, important to Canada's war effort. Those employed in war work need not apply.

APPLY to your nearest EMPLOYMENT SELECTIVE SERVICE OFFICE.

Newest advanced military training centre for the Canadian Army is Camp Ipperwash, located near Sarnia, Ont., adjacent to Lake Huron. The camp, A29 Canadian Infantry Training Centre, has been in operation for about a year and has already established a fine reputation for the efficiency of its training methods. Over its rough and varied acres, the infantryman in training finds almost every type of country over which he may expect to manoeuvre on active service. This picture shows one phase of the training. Through the smoke of simulated battle, troops are charging up a sandy bank after making a river crossing under fire. Ipperwash is turning out crack soldiers. (Photo by Barney Closter for Canadian Army).
