Farm Stock Sale Runs to \$3'200

The farm stock sale of goods belonging to Albert Smith on the Madill farm in Pickering last Saturday ran to \$3,200 with fair prices ruling throughout. Cows sold at attractive prices, but implements were not so hotly sought after. This is not to be wondered at since we are just entering winter season. A mow of hay went for \$270 which looked like a good price. One of the best buyers at the sale was Ewart Anthony whose bill of goods totalled around \$900. The farm has been rented to Carman Flagg, while Mr. and Mrs. Smith hope to locate in Stouffville if they can buy a suitable house in town.

PEACHES

Please keep in mind the Y.P.U. meeting to be held on Friday night at the Kirk home. A good attendance is asked for as this is the meeting to elect new officers.

Miss Dorothy Hoover and Master Christopher English of Toronto, spent the weekend at the Hoover home.

Charles Lehman who has been stationed at Vancouver, was a recent visitor with his uncle, Mr. Warren Morris.

Miss Vida Gowland of Toronto Police, was a recent visitor with her sister, Mrs. Cleverdon.

Mr. and Mrs. Russel Chapman and Shirley of Aurora, had Sunday dinner at the Smith home.

Sorry to report a number on our line are suffering from the Flu. We hope they will soon be better.

Congratulations go to Mr. and Mrs. Wilnot Warriner, who celebrated their wedding anniversary last Thursday.

Lorne Hoover and Jack Warriner spent Monday in Toronto, we understand they went to see Santa Claus, but we have not been able to find out just what they asked him to bring them for Christmas.

Mr. George Hoover had a 3-year-old colt become wedged in his water trough. They worked for almost 3 hours and could not release it, as the trough was reinforced with wire and would not break. Finally they fixed a block and tackle through the ceiling into the barn and pulled it out with the tractor. No bones were broken, but the horse is badly skinned and its legs are very stiff.

Send The Tribune to absent friends.

ELGIN BRUBACKER DIES IN NIGERIA

The very sad news reached Stouffville this week announcing the death of Elgin Brubacker, missionary in Nigeria, who passed away from pneumonia, according to the scant information available here. He left Canada four years ago, and was only in his 29th year, having served continuously on the foreign field in these difficult times for the missionary. Elgin was married to Miss Edna Fusse of Stratford, who was understood to be with him at the time of his death. Every sympathy is felt by a big concourse of friends in Stouffville for the bereaved parents, Rev. Isaac and Mrs. Brubacker for former residents of Stouffville and Gormley.

Mr. O. Bartholomew went north Wednesday morning to take part in a wolf hunt in Gwillimbury township.

DIED IN 94th YEAR

The death of Chas. Burgess occurred in Toronto on Saturday. The aged man in his 94th year, suffered a broken hip some time ago. At one time he was a resident of Stouffville, and is the father of Mr. Harry Burgess, Stouffer street, Stouffville.

Joe Cooper had a wonderful farm stock sale on Tuesday. Cows, although not fresh sold over \$100, and a mow of hay went for something like \$370. Everything seemed to sell well and buyers came quite a distance to get the potato digger.

Herman Kuhl, shown here with his wife, Lauretta, has revealed the contents of a letter from his son in which the young man described being 'slapped in the face, kicked in the pants and cursed' by Lieut.-General George S.
