GOODWOOD

Miss Thelma and Mary, Aigue of Toronto, visited Mr. and Mrs. Wm. Beard the weekend of Jan. 16th: Miss Margaret Peel and Margaret Jones of Toronto, visited Mr. and Mrs. Beard last weekend.

Mr. and Mrs. Wm. Henderson are visiting their daughter, Mr. and Mrs. Robert Gulliver, in Oshawa. Neither of them was feeling very well before they left here and Mrs. Henderson developed pneumonia and was very sick for a few days, but glad to report she is on the way to recovery.

Mr. and Mrs. Bilkie of Toronto, spent the weekend with their daughter, Mrs. A. Bell.

Glad to see Goodwood Flash Correspondent, Mr. Wm. Davey renewing old acquaintances here on Saturday.

Mrs. Arthur Dowdell, Mr. Earl and Lorne and Bert Tindall were called to Lion's Head Sunday morning, their sister Mrs. Nixon being in a critical condition. We hope the illness is not so severe as reported, and Mrs. Nixon will soon be able to be up and well.

Mr. and Mrs. C. W. Watson have secured the assistance of Miss Spang, in the many duties they have to perform, and they will be able to have more leisure time which was badly needed, as there is enough work for three at the post office store.

The W.A. meeting will be held at the home of Miss Beatrice Erskine on Wednesday, Feb'y 2nd at 2.30 p.m. The word "righteousness" is to be used for the roll call. The devotional will be taken by Mrs. Norman Wagg and the program will be in charge of Mrs. Bert Tindall and Mrs. George Maye. The hostesses for the occasion are Mrs. Bert Tindall and Mrs. Ernest Morganson.

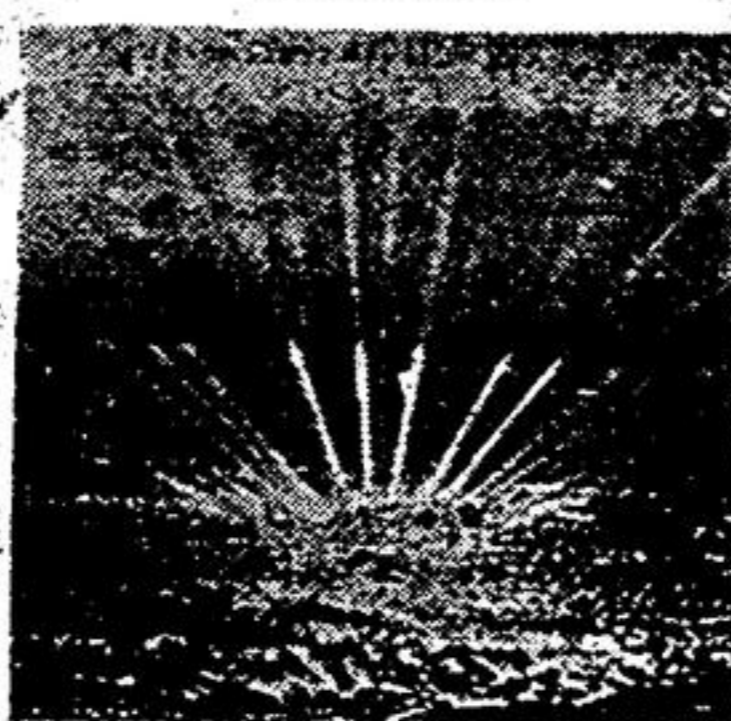

Mrs. D. McDonald has received a very interesting letter from Serg. Morley Pugh now in Italy. Morley said in part: "It is just 3 o'clock in the afternoon but it is dark (sunny Italy) and of course not very inviting. I have had some good Italian meals, since we are invited out to meals by our Italian friends to their homes. Spaghetti and tomato sauce. I love it! Olive oil at first I hated, but now I think it is fine.

TRUCKER RECEIVES BROKEN ARM SECOND TIME

After having his arm removed from a siling only a week, following a recent fracture, Roy Tindall, trucker, broke the unfortunate member a second time when he was squeezed severely by an animal he was loading in his truck. The arm is now back in the siling again.

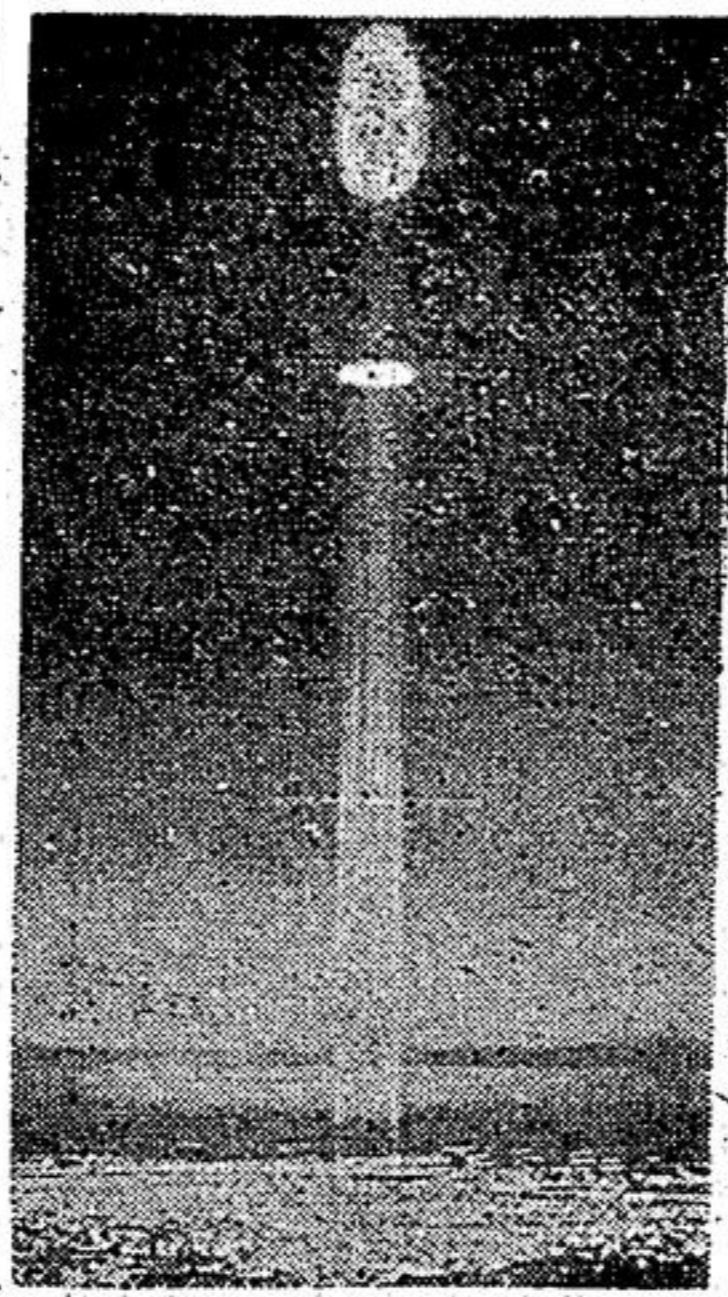

Send the Tribune to absent friends.

SKY SHOW

This unusual pattern of light was formed by the U.S. army searchlights, each with 48,000,000 candle-power, as they were pointed skyward from the Los Angeles Colliseum during an army-navy show. The picture was made from Mount Wilson, 19 miles away.

PILLAR OF LIGHT

The searchlights are coned into one gigantic pillar of light, reaching an estimated 20,000 feet into the night sky. A cloud layer interrupts the shaft of light, which is more than 200 yards in diameter.

WATER SHORTAGE FEARED

Numerous farmers are now hauling water for their stock or as an alternative they are driving the stock to nearby creeks daily. Scores of farmers report wells low and cisterns exhausted, and that if a downpour of rain does not come soon, considerable hardship will be experienced. With a total absence of snow in this region, there can be no such thing as a thaw to help out, consequently as hundreds of wells are perilously low, anxiety is increasing.

SCHOOL TAKES OVER EDITORIAL DUTIES

SUGAR FOR CANNING AGAIN 10-15c LIMIT

Sugar for 1944 home canning will be made available through 10 spare "F" coupons in the ration book now being used by consumers' rationing authorities announced a few days ago.

A standard allotment of 10 pounds of sugar per person for home canning purposes will thus be provided. Householders wanting more sugar for canning can get it by using their preserve coupons to buy sugar.

To meet the needs of households which depend chiefly on the purchase of honey, maple syrup and commercially packed jams and jellies, the special sugar coupons will be exchangeable for preserves coupons upon application to local ration boards at the rate of one "F" coupon for one preserve coupon.

Housewives will not have to apply to their local ration boards to obtain canning sugar. The coupons they will use are already in the ration books which they now have, although the first of these coupons will not become valid until June 1st.

To Our Policyholders

Our ninety-seventh annual report contains evidence of another very satisfactory year of progress in 1943.

As a result of improved mortality experience, a stabilized interest rate and decreased operational costs, the security behind Canada Life contracts has been still further strengthened.

The funds which have been accumulated on your behalf are being employed largely in your country's war financing. At the same time, great numbers have again been helped through distressing circumstances because of their co-operation with the many thousands of others who constitute the Canada Life.

A complete annual report is available at any of our offices.
