GARDEN SEEDS GARDEN FERTILIZER

**STIVER BROS.**

## Announcement!

The Shaw Store closes on Saturday, April 22, for re-organization prior to being taken over by the New Owners, Mr. and Mrs. H. Spofford. Watch next week's paper for full details, and the opening date.

### Losing Good Citizens

Mr. and Mrs. Bert Love intend to move back to Toronto shortly, hence the community stand to lose a couple of splendid citizens with whom we regret to part. They have made friends in Stouffville during their two years residence, and Mr. Love has been secretary of the Lions Club the past year, and was a prominent worker in handling the food ration books. In fact Mr. and Mrs. Love were always ready to participate in any movement for the betterment of the community. They will hold an auction sale at their residence on Main street, the former Beebe place.

25 years ago this week hogs were selling at \$20.50 per cwt. Sounds good, but sugar sold for \$19.50 bag the same week, we note in an old market report.

Mr. Lloyd Turner has rented the Jones farm at Altona from Ralph Jones. Mr. Turner did a good deal of fall plowing on the place.

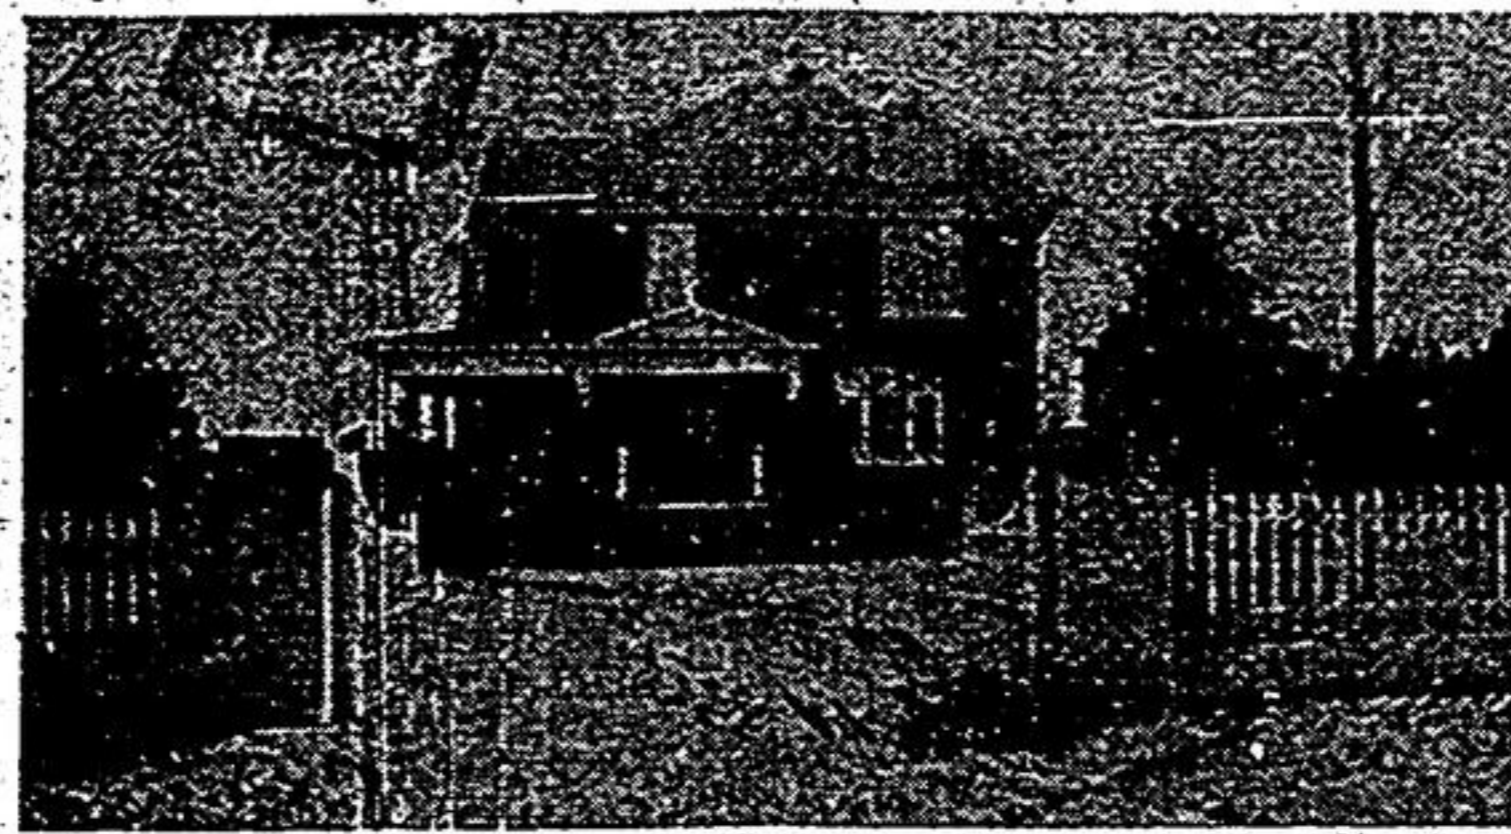

Principal D. A. MacRae of Uxbridge High School has tendered his resignation to take effect at the end of the present school term. The Uxbridge principal will join the staff of the Collingwood Collegiate.

Miss B. Raymer, daughter of the late Rev. Christian Raymer has returned to town from Toronto and will occupy the old family home opposite the Presbyterian Church, and which has been rented now for some years. It will be like old times to have Miss Raymer located in town once again.

Members of the Masonic Order at Stouffville who attended the official visit of the D.D.G.M., Richard Winter of Pickering to Markham Union Lodge, last Wednesday evening were: Fred Crossen, Jos. Borinsky, A. E. Weldon, Ormsby Lehman, Harvey Moyer, Frank Riches, Ira Aldred, Earl Howsam, W. Griffiths, Edw. Logan and Robert Snowball.

The next blood clinic at Markham will be held on Thursday, May 4th. This is the final clinic of the year, and it is hoped there will be a big response to round out 1000 donors for the term. A similar clinic will be held at Uxbridge on May 11th, if the date and place suits your convenience better.

# Local and Personal Happenings

This fine old home enlarged for the Ontario Bible School and afterwards vacated by them, may be reduced to a bungalow by the new owner Mr. Clarence Doner.

### Sold 9-Pound Pullet

Wm. Morris, east of town, must be a good poultryman. Last week he delivered to a customer in town a pullet, (under a year of course,) weighing nine pounds plucked. This farmer purchases his chicks every year from the Mitchell Poultry Farm, and of course Hugh Mitchell is proud of the weight recorded on this one too, since it constitutes quite a record.

While in town last week Harold Doner lost his windshield sticker for the new license. The number is 17239, in case someone picked it up.

Mr. Walter Talbot has rented the Steckley house at the south end of O'Brien avenue, and will move in this month.

There'll be another of those popular dances in the Claremont Community Hall this Friday night. Enjoy the round and square dancing with Barrett's orchestra.

Mr. and Mrs. Walter Briard, Main street east, have gone to Detroit to spend a month at the home of their daughter, Mrs. Woodcock.

Mr. and Mrs. Robt. Johnston were in Hamilton on Sunday visiting the home of their son there. Miss Jane Birkett accompanied them as far as Oakville.

The Young People of the Presbyterian Church and the organization from the Christian Church were to hold a joint meeting this Wednesday evening at the home of Mrs. Chas. Ward. The program was supplied by the Christian young people.

Remember the big FREE Concert to be staged in Ratcliff's Hall, on May 5th; to be sponsored by the Stouffville Lions Club, and under the auspices of the North York Victory Loan Committee. Tickets are being sold for a Victory Bond to be given away free the evening of the show. Tickets will also be available at the hall that evening.

Mrs. Bruce, townline west, picked up a substantial sized bill on the roadway in the west end one day last week as she spotted it while sitting in their automobile. The owner was evidently a traveller from some distance, since no local person has reported the loss of any money.

**Member Visits Town**  
 Miss Agnes Macphail, C.C.F. member for York East, was in town last weekend interviewing a number of her supporters and workers in the village. Through her weekly letters from Queen's Park the member for this riding has given her constituents a smattering of what was going on there, and her reports certainly were widely read.

**Whitchurch Players on All Star Selection**  
 Herb Simpson, oldest player in the Aurora Town hockey League this year, was one of the leading scorers of the group and picked by North York sportswriters as No. 1 defenceman in the league. "Duke" Dennis of Vandorf who teamed with Herb, was another choice for this position. "Jake" Baker was given the nod for right wing position.

**Brothers Met in Italy**  
 Pte. Heb. Pugh was over from Camp Borden last weekend to visit his parents Mr. and Mrs. Alf. Pugh Heb. is attached to the R. C. A. Ordnance, and his big complaint is that they will not take him overseas. However, his two brothers Price and Morley are at the front, and that should be enough for one family. The latter two met only recently in Italy, according to a letter received by the home folks last week. It was a great meeting, you may be sure.

With receipts from dog tax over \$200, the highest ever in Stouffville, it looks as though we might be nearing a goal of a pup for every home, but folks who are bothered by roaming canines will wish the goal a far off. And speaking of dogs, isn't it at the beginning of May that the bylaw requiring dogs to be kept on their own premises excepting when on leash, comes into effect?

**Late Customers Pay Penalty**  
 Quite a number of customers overlooked paying their hydro bill due last Saturday, and are being called on to pay the penalty for late payment. In looking over the list of late payers for six months, it is strange that the same people get caught nearly all the time. Persons are allowed from the first to the 15th of the month to pay their account, and this ought to be sufficient and is sufficient for 95 per cent of the users. Failure to make prompt payment not only leaves the user open to pay a penalty, but the current is liable to be cut off forthwith.

Bernie McCarthy, ex-Markham and Unionville hockey player who was with Galt this year, has donned the Navy blue and is stationed at H.M.C.S. Star at Hamilton.

After six months spent in New York at the home of her son Ross, Mrs. John Lee has returned to town to take up her residence again in the part of the residence occupied by her brother Mr. Isaac Barkey. The big city and the Bronx district seem to have agreed with Mrs. Lee.

There'll be a euchre party in the Oddfellow's Hall this Friday night, April 21st, at 8 p.m. under the auspices of the Service Men's Wives and Mothers' Club, the proceeds to aid the Soldiers' Comfort Fund.

The village of Richmond Hill is to gain a new industry for which a factory will be erected at once. The new business will be a pea processing plant for which a number of farmers in that district have contracted to grow peas.

The Lions Club of Leamington have embarked on the ambitious program of raising \$150,000 for a new hospital in that town, and now appear to have raised in cash and pledges \$100,000 of the amount.

A coming event of outstanding interest is the Annual Banquet of No. 6 Milk Producers this Thursday evening, in the Buttonville hall. Mr. F. G. Gardiner, reeve of Forest Hill village will be the guest speaker, and the banquet opens at 7:30 o'clock. Local farmers will attend in large numbers.

### MADE GOOD SHOWING IN FINAL JUNIOR APPEARANCE

Ronnie Rowe, ex-Markham hockey star played a fine game for the Montreal Royals in the talent of their series with the Oshawa Generals. Rowe is with the Navy and couldn't play the whole series, which incidentally is his last in Junior hockey. The Navy permitted him to play with a civilian team within the Quebec boundaries; he couldn't get permission to play elsewhere.

### NEW USED TRUCK ORDER

Sales of used trucks, trailers and buses by individuals who are not in the automotive sales business have been placed under a price ceiling, J. H. Berry, Motor Vehicle Controller, has announced. This new order applies to sales by individuals, not in the business of selling motor vehicles, whether in private deals, by auction or in sales of personal or household effects. Sales of used passenger vehicles have been under a price ceiling since last October. Maximum prices are established on the basis of new vehicle prices. Allowances are made for depreciation according to the age of the model, and provision is made for handling charges, optional equipment and transportation charges. The order requires that an invoice be delivered to the purchaser in each transaction, stating terms of sale, price, model, year, serial number, wheel base, tire equipment, and any extras or accessories included.

### MAIL FOR OVERSEAS

So many people are interested in overseas mail these days that the present run of advertisements in this paper issued by the Postmaster General, Col. W. P. Mulock should be read with care. No one is more concerned than the member for North York in landing these packages and the letters safely into the hands of the boys and girls at the front, but with all the care and effort the job just can't be done one hundred per cent. For instance over 800 parcels went down in the deep waters recently through enemy action, and not much could be done about that. Then another potential loss is due to poorly secured packages.

Despite all this a great job is being done, and if those interested in sending parcels and letters to the forces away from home will read carefully the instructions and advice which the Postmaster General is taking the trouble to issue, the results will still be better.

### STUDENTS DONATE \$100 TO CHARITIES

Over one hundred dollars was cleared from the annual commencement of Stouffville High School, and it has been decided by the student body to divide it among three local war charities.

The Red Cross will receive a gift of \$35.00, also the War Branch and Soldiers Comfort Fund will receive \$35.00 each. This money is given to these worthy organizations by the pupils because it is felt that the money is needed more on the battle field and high seas than at home.—Com.

## "WHEN JOHNNY COMES MARCHING HOME"

ALSO  
 "FIVE MEN OF AUSTRALIA"

*The Best farm machinery service in Canada*

FACED with the difficulties created by wartime shortages in labor and machinery, Canadian farmers carried on with the equipment that was available, and it is a tribute to their energy and enterprise that they have attained the tremendous increases needed to serve the needs of the United Nations. To assist them in their greater production programmes, Massey-Harris and its dealers set new and higher standards of service to farmers. In the maintenance of equipment in the hands of farmers, they have prolonged the use of machines beyond their normal life period, and by reconditioning and rebuilding, they have put back into service machines much needed to compensate for the shortage of new ones. In the supplying of parts—always a feature with the Company—Massey-Harris and its dealers have, during these difficult days of shortage, rendered such an outstanding service as to earn the reputation of being—"The Best Farm Machinery Service in Canada."

Early ordering of repair parts helps you and helps your dealer
