Kolofog Wettex, Kolofog Wettex (Extra Poison), Bor-
deaux Mixtures, Special Spray Lime, Borax for Turnips.

STIVER BROS.

BOX GROVE FARMER BORNE TO LAST REST

Rev. Geo. Dix of Scarborough, pastor of Box Grove United Church conducted the funeral service for the late Bismark C. Reesor at Box Grove church on Friday afternoon. Deceased who was in his 74th year was carried to his last resting place by five cousins, Arthur, Ira, Max, Luellan and Wilbur Reesor, and Frank Ramer.

The late Mr. Reesor died on the farm where he was born at Box Grove and where he spent all his life. Although not enjoying the best of health the end came with shocking suddenness as he had been in town only a few days before his death.

Son of the late Andrew Reesor, as a young man Bismark married Alice Davis who survives him. They had no children. Other survivors are four sisters, namely Mrs. Anson Hoover, Mrs. Ernest Steckley, Mrs. Louis Wright, and Mrs. James Jarvis, (Stouffville,) also a brother Bert Reesor.

B. C. Reesor was a reliable steady farmer and a highly esteemed citizen. Mr. and Mrs. Jarvis were in attendance at the funeral from town.

QUIETLY MARRIED IN TORONTO

The marriage was recently performed by Rev. Curtis of Toronto, when Miss St. Pierre, the daughter of Mr. and Mrs. St. Pierre of Whitby, was united in marriage with Donald Lehman, son of Mr. and Mrs. A. B. Lehman. Mr. G. Lehman of Stouffville, acted as best man, and Mrs. Wichsted of Whitby, accompanied the bride. Others present at the ceremony were Mr. and Mrs. Telf. Rennie, Stouffville, and Mr. and Mrs. Len. Hill, Toronto. The couple enjoyed a short trip down east following the wedding. They will reside in Stouffville.

The domestic water service in most of the town was shut off on Friday afternoon for two hours while a connection for a new main pipe line for Fair street, was being made at Ed. Pennock's corner. Nearly \$1000 will be spent in extending the mains this summer where no mains have been before.

DOESN'T SCARE THEM

This two-ton blockbuster doesn't scare these girl workers at the U.S. ordnance plant at Omaha, Neb. Until the detonating of "arming" mechanism and the fins are added at a combat area airport, the bomb could be dropped a mile—well a long way, at any rate—without exploding. The girls are standing on the bomb's shipping fins.

Local and Personal Happenings

Sergt. Allen McConnochie was in town visiting with his wife and family this week returning to his post at Mountain View.

Donald Middleton, R.C.A.F. was home from Brantford over the week-end visiting his parents, Mr. and Mrs. Middleton, who recently moved in from Claremont to live on Baker avenue.

Mrs. Jack Spang returned with her husband to spend a few days with him at his post in Brantford, also with her sister Norma, who is training at Hamilton General Hospital.

Mr. Harry Stover is spending the holiday in Kitchener with his wife and children who have been visiting her mother, Mrs. Warder, and who will return home this week.

Leaving Toronto General Hospital after visiting Mr. Frank Williamson, east end, Stouffville, for whom she keeps house, Mrs. Violet Degeer, aged 69, fell in a corridor and fractured a wrist. She was admitted to the emergency wing before she was able to return home.

A large gathering was in attendance at the Sunday evening service of the Stouffville United Church when Empire Youth Sunday was observed by a church parade of the Air Cadets, the Junior Boy Scouts and the C.G.I.T. Rev. D. Davis was the speaker and took as his subject "The Boy David." In addition to an anthem by the choir, a special number, a cornet rendition of "Land of Hope and Glory," was given by Alice Forsyth and Earl Lehman.

Early morning milk delivery has started, also Sunday delivery for the warm weather.

Mr. and Mrs. Duncan Hulse and Alice Story of Sask., were week-end visitors with Mr. and Mrs. M.E. Watts, Stouffville.

Mr. and Mrs. Gordon Sellers, and Mrs. J. Fleming, Agincourt, spent the weekend in town as the guests of Mr. and Mrs. Walter Atkinson and Mrs. Fred Johnson.

Reuben Rawson, Markham, was in town Saturday night. Last week he shot a white woodchuck over on the big farm at Langstaff. Few people have seen a white chuk, which is considered a freak.

Goats are in good demand today, according to Mr. Fred Cole, prominent breeder, 9th concession of Markham. Mr. Cole has recently shipped a considerable number of his prize animals to British Columbia and Salisbury, N.S., some championship stock.

The gardens were given a real boost forward with the warm spring rains of early Monday and subsequent showers. Of course there are quite a few gardens not yet planted which will miss out on this good start. However, it seems that everybody has a patch of early "stuff" planted somewhere about the premises.

Patrons of the numerous Stouffville Lions Club Dominion Day Concerts will remember the popular dance team of Lee and Sandra who starred here in several shows. The couple were married last week in Toronto. The groom is Chief Petty Officer Alan Lund, R.C.N.V.R. and bride, also a petty officer in the navy is the former Blanche Mary Harris.

Jack Swift, son of Sergt. Maj. Arthur Swift and Mrs. Swift, formerly of Stouffville, was in town during the weekend visiting with his sister, Mrs. W. C. Sanders. Jack has just recently joined the Navy, and had Mrs. Swift along with him. Prior to enlistment he was employed in a machine shop at Leaside. He is now on his way to H.M.C.S. Cornwallis, in Nova Scotia, for further training.

With the local merchants agreeing to open their places of business both Tuesday and Saturday evenings for the summer season, the farmers and others who shop on these evenings ought to co-operate in doing their buying before 10 o'clock so that business places may get closed up before Sunday morning. Too many leave their buying until after this hour, which is not being very considerate to the clerks who have been behind the counter since morning.

Here is a generous offer being made by Mr. Jas. Monks, that will appeal to anyone who would like to have a garden, but has no land for such an undertaking. Mr. Monks owns three building lots on north Church street that were worked for garden use last summer and were well fertilized at that time. He will allow any person who applies for them the free use of the grounds this summer for merely keeping the weeds down. Incidentally this is an offer that should appeal just now when we are at the peak of our war effort.

Mr. Bert Love's sale on Saturday afternoon didn't draw a large crowd although everybody present seemed to be a buyer and bidding was never on the slow side. Husbands bidding against wives here and there provided some amusement and conversation when it was discovered, usually too late, Strange too, how the good things go cheap and the cheap things go dear at these auctions. A new pair of rubber boots sold for \$1.40, which cost \$4.50, while on the other side of the balance sheet a coal scuttle costing 75c. brought \$1.50. A small mantle radio in good order sold for \$23. You used to buy them new for \$13 but they are not being made today. The house where the sale was held, known as the Beebe place has been sold to Dr. E. S. Barker who will move in right away.

MILKS COWS AND DOES CHORES AT 85 YEARS OF AGE

One of the smartest men in old Ontario for his great age is William Hurd living with his daughter, Mrs. Deles Morris, Glasgow, who last Thursday reached his 85th birthday. He was born in the rugged wilds of Manitoulin Island, and how rugged it was a century ago those who are familiar with the territory today may well guess.

Mr. Hurd chores every day and helps with the milking, night and morning which indicates his physical capacity, quite well, and we may well ask to meet his equal.

To mark his birthday his three sisters came here to help celebrate the occasion, they being Mrs. Smidt of Hamilton, Mrs. A. A. Beamer of Niagara Falls, and Mrs. Young from Tilsonburg.

Claremont Park Board are sponsoring their regular dance in the Community Hall, there this Friday evening—there's a good time awaiting you.

Stanley Chin, Newmarket restaurant keeper, was fined \$25 for keeping a slot machine on his premises, and the machine, now outlawed, was ordered destroyed. Stanley sort of took it on the chin, as it were.

James Arnold who died at Zephyr this month in his 88th year, served as a Sunday School Superintendent for 25 years at Zephyr and before that had been holding a similar position at Mount Albert.

An eagle with a wing spread of seven feet was shot over at Scugog last week near the farm of Mr. Ira Aldred of Stouffville. Daily papers held up the farmer who did the shooting as being a great shot. Shucks, who couldn't hit something seven feet in size.

Blood Clinic Date Moved Ahead

The date of the 11th Mobile Blood Donors Clinic has been moved ahead from June 8th to Tuesday, May 30th. The call cards are going out shortly, but come along whether you receive a call or not. Just remember to take a breakfast which is free from fat of any kind.

Prizes were offered to the salesmen in the recent victory loan campaign selling the highest percentage of their objective. In this connection W. A. Trench of Richmond Hill won first prize, \$25 cash, and Joe Fry of Markham village, second prize \$15. To win second place Mr. Fry had to write up orders for over \$81,000 worth of bonds.

Mr. Thos. Jennings arrived home from Private Patients Pavilion, Toronto General Hospital on Friday following two weeks' sojourn in that institution due to his serious accident when he fell from a tree while trimming branches for the B. & S. Telephone Co. Although in a cast Mr. Jennings is able to move about on his feet and is making a miraculous recovery from a serious back injury.

Booted by Sismans

The following school children in Whitchurch and Markham Townships were booted by the Sisman Shoe Co. of Aurora with a new pair of scampers each for their part in soliciting promises to buy bonds in the recent Victory Loan Drive. They are in Markham, Joyce McGiver, Edna Eade, Harold Forster, Dorothy Hood, Margaret Bennett, Rena Miller, Nelson Buchanan, Janet Noxon, Phyllis Bruels, Irene Brennan, Jean Fairay, John Lunau, Robert Burrows, in Whitchurch, Jean Willson, Paul Mallory, David Preston, Billy Armstrong, Joyce Pyle, Nancy Langley, Isabel Stewart, Lenore Spence, Norma Cowie, Laura Beech, Robert Clubine.

Mr. and Mrs. Duncan Hulse, Toronto, spent the weekend in town with Mr. and Mrs. M. E. Watts.

Mr. and Mrs. Ross Kester were in Hamilton last week attending the Spring Convocation and Reception at McMaster University.

Mr. and Mrs. C. Clark and daughter Myrtle of Zephyr, also Mr. and Mrs. Harold Page and son Keith of Uxbridge, were visiting at the home of Mrs. Lena Ramer, Baker avenue, last Sunday.

He Couldn't Forget

Mr. Harry Stouffer nearly forgot that Monday was his birthday—but the Stouffer family, the Forsyth's and the Smith's remembered, and they all arrived at an appointed hour for supper, to take our west end Main street resident by complete surprise.

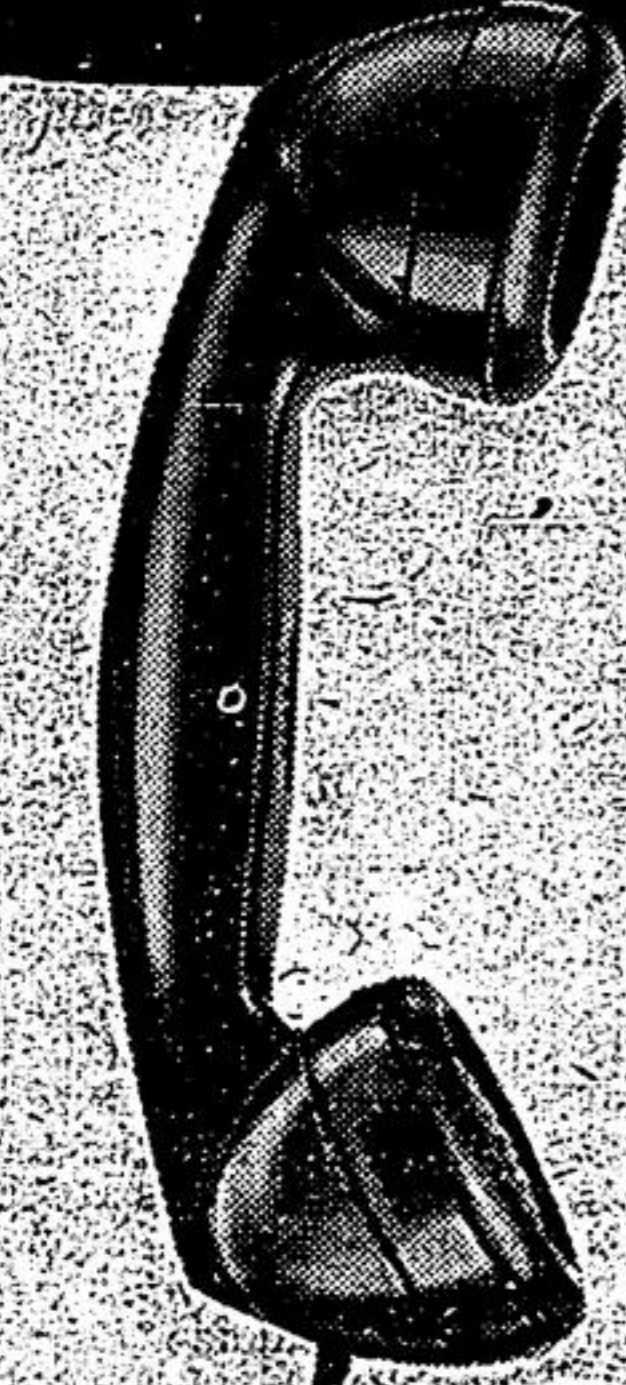

First time in town in five months Mr. Ralph Jones was really tickled to make the trip on Tuesday morning. For fifty years and more he has never missed a week, generally walking in from Altona. Severe illness this winter plus his nearly 81 years is the answer to his inability to carry on as usual.

An interesting visitor in town this week is Marine Capt. Harry Carter from Fort William. He is accompanied by his daughter, Mrs. John Chomut of Brandon, Man., and they are staying at the home of Mr. Harvey Clendening, towline west. When they called on The Tribune they were accompanied by Mrs. Job Scott, Toronto, daughter of Mr. Clendening. Capt. Carter is an uncle of the Clendening's and a brother-in-law of Mrs. Alex. Grubin of this town. The Captain's mother is an old Cashel girl, member of the Hisey family. It is eight years since he last visited here, but he's a busy man sailing the great lakes. The captain is employed by the Pigeon Lumber Co.

Three Cakes Arrive for 81st Birthday

One of the town's most interesting elderly women is Mrs. Eli Willson who last Saturday celebrated her 81st birthday at her home south of Miss Gertrude Todd's residence. One would never guess that this bright woman was anything like the great age she has attained. She enjoys a lot of good friends for she was fortified with three lovely birthday cakes, from Agincourt friends, Toronto acquaintances and from the home town folk. They were accompanied by the customary greetings. One of her earlier birthdays, Mrs. Willson says she will never forget. It was her 61st and was spent at sea when she came from England to settle in Canada. Mrs. Willson is an aunt of the Timbers brothers (Win and Fred) prominent Ontario plowmen, she being a sister of their father the late Matthew Timbers. If you want to call at a home where your visit will be most appreciated drop in for a few minutes on this white haired lady whose mind is clear and who appreciates a social visit.

There's ROOM FOR EVERYBODY...

PRODUCTION MEN—keeping in constant touch with sources of raw materials, suppliers of parts, government and military authorities.

THE ARMED FORCES—with responsibility for training and supply, for troop movements, for operations on land, air and ocean battlefronts.

GOVERNMENT OFFICIALS—in touch with every phase of our production and military program—with foreign governments—with national and international war agencies.

YOU—depending on your telephone for quick, essential communication at work and at home.

But telephone lines can carry this wartime load only if we all use existing facilities sparingly, and keep our calls just as short and business-like as we can. Additional equipment is severely limited by material shortages; co-operation must take the place of construction if essential calls are to go through promptly.
