## ALDINE REDSHAW

**IN MEMORIAM**  
ALSO—In loving memory of our dear father, Hiram Alsop, who passed away May 26, 1935. We watched him suffer day by day. It caused us bitter grief. To see him slowly pine away. And could not give relief. God saw the road was getting rough. The hill was hard to climb. So he closed those weary eyelids. And whispered peace be thine. Sadly missed by  
Roy, Alice and Annie.

## ADDITIONAL LOCALS

**Holiday at Centre Island**  
About 30 girls belonging to Mrs. Montgomery's Monday Night Class of the Christian Church boarded the train on the holiday morning bound for Toronto and Centre Island for a day's outing. For practically all of the holiday seekers it was their first trip to the Island and for this teen aged group it was a great thrill. It was a holiday trip many of us enjoyed before the days of the motor car when excursion train loads went along. Mrs. Montgomery, class leader, was in charge of the group.

Our Goodwood correspondent reports the presence of two deer in the neighborhood of that village this week. Mr. and Mrs. Harry Woodland had a good look at them about six o'clock on Tuesday morning, when the pair were in their roof field. The deer ambled off into Stafford's bush, and now the Goodwood reporter is speculating on the necessity of Morley Symes and all the Goodwood deer hunters going north when there's game to be had in the very environs of the village.
