### 3 MILLION CHILDREN IN NEED

More milk and still more milk is urgently needed for Britain. The Kinsmen Club of Toronto and district are holding a tag day in Stouffville, Saturday, June 17. Proceeds of this tag day will go towards sending more milk to Britain's children. Today the eager eyes of England's children are turned to us in Canada. Their little hands are stretched out to us for help, only we can give. These children may easily have been our own, then how grateful we would have been for this same milk for our children. To date the Kinsmen Club, sponsors of the Milk Fund, have sent 14 1/2 million quarts of milk to three million unfortunate children in war areas, who only receive on the average of 1 1/2 points a week.
