NEAR DROWNING AT UNIONVILLE
Taking her small son, four years old to the dam so well known in the village of Unionville as a water hole Mrs. Pollard of that place almost lost the small lad when he slipped beyond his depth, and the mother had to wade into deep water to rescue him. Had she not been right at hand the boy would have lost his life in a matter of minutes.

TORONTO BUSINESS MAN PASSES IN MIDDLE LIFE
Well known in the motor sales industry and founder of the firm of Giles, Rice and Peters, William S. Giles died at his home in Toronto in his 51st year, following a short illness.
He was born on a farm near Wexford in Scarborough Township where he lived until 12 years of age when the family moved to Toronto. He began his career driving a milk truck, but it was not long before he owned the outfit and later became a widely known business man.
Surviving are his wife, formerly Alma Stiver of Unionville, two sons and two daughters.

Mr. and Mrs. Rae Doolittle and family of Orillia and Mr. and Mrs. Ab. Wright of Toronto spent the holiday at the home of Mr. Nathan Tarr in Stouffville.

AGINCOURT FLIER MISSING AFTER RAID
Mr. and Mrs. A.J. Little, R.R.1 Agincourt, have received word that their son, Flt. Lt. Stewart W. Little, 30, is missing after a raid over enemy territory. Flt. Lt. Little, a member of the Pathfinder Squadron mentioned in his last letter home that he had been over enemy territory 31 times.

PLENTY OF CHICKS
Canada does not need July and August hatched chicks this year. With the substantial increase in early sales, greater hatchability and a good growing season, there are ample potential supplies of egg and poultry in sight to meet all anticipated requirements, states the Dominion Egg and Poultry Market Report. There is also the grave question of the use of feed for the production of anything the essentiality of which is subject to doubt in war time.

Next Wednesday the glorious 12th will be marked in Goodwood.
