North Bay Honors Late J. E. Lehman

North Bay, July 10—Flags on the city hall and on the public schools of North Bay flew at half mast today in last tribute to Jacob Ethan Lehman, prominent pioneer resident of this city, who passed away at St. Joseph's Hospital on Saturday, July 8th. Senior business man of North Bay, having opened his barber business in this city in May 1897, Mr. Lehman was 67 years of age at the time of his death. Funeral services were held at his home and at St. Andrew's Church this afternoon.

Born in Stouffville, the son of the late Mr. and Mrs. Joseph Lehman, Mr. Lehman began his barbering trade in that centre 53 years ago, later moving to Ottawa, Welland, Renfrew, London, Peterboro, and finally to North Bay in 1896. The same year he married the former Margaret McMillan of this city in Carleton Place.

Prominent in civic affairs and a respected elder of St. Andrew's United Church for many years, Mr. Lehman was a life member of the Masons and the Odd Fellows, and was also a member of the Orange Lodge. The funeral was conducted by the Odd Fellows. He was a member of the public school board for 10 years, and chairman for two years, and was also a member of the Pioneers' Association of this city. Besides being an elder of St. Andrew's Church, he was a choir member for many years and taught in the Sunday school of that church. In poor health for some time, he died after a brief illness of one week.

Funeral services were conducted this afternoon at his home, 62 Wyldie street, and at St. Andrew's Church, by Rev. M. N. Omond. Interment was made in the Union Cemetery. Surviving Mr. Lehman are his wife and three sons, Dr. Ethan Lehman of Ottawa; Bert Lehman, druggist, of Noranda; and Sqdn. Ldr. Reg. Lehman of Ottawa. One daughter, Mrs. H. R. Stratton of Englehart, also survives. He was predeceased by one son, Dr. Trevor Lehman, who died one year ago, and by two infant daughters.

ADDITIONAL LOCALS

Misses Eileen Weldon, Mary Williams and Beth Kellington were in Kitchener during the weekend visiting with Mrs. Gordon Bailey, formerly of Stouffville.

Miss Glenna Fleury and Miss Mildred Hurst of Malvern, Sask., are visiting Miss Fleury's grandmother, Mrs. S. M. Warriner, Church street.

Miss Bertha Clark, Albert street, underwent a surgical operation performed at Toronto East General Hospital a few days ago. We understand that Miss Clark is making good recovery.

Mrs. George DeWitt of Gormley, spent the weekend with cousins in Prince Edward County and returned with her parents, Mr. and Mrs. F. C. Rowbotham who had been holidaying near Cornwall.

Mr. and Mrs. W. R. Chidley and son Bill have returned to their home in Halifax after a visit here at the home of his sister and brother-in-law, Mr. and Mrs. T. H. Paisley.

Perry McCallum from Roland, Man., stationed at H.M.C.S. York, Toronto, was in Stouffville, visiting at the Leslie Rowbotham and R. E. Curtis homes during the weekend. Seaman McCallum's grandfather W. B. Martin taught school at Almira years ago.

Jack Harding, son of Mrs. Harding and the late Mike Harding, Stouffville barber, has joined the army. He has been working at Queen's Park, but immediately he reached his 18th birthday Jack presented himself for military duty and was accepted.

The Altona Women's Institute Picnic which was to have been held in the Stouffville Park this week has been postponed until Tuesday evening next week. Wet weather was the cause of the postponement. The program will be carried out as previously announced.

Mr. and Mrs. F. C. Rowbotham have returned from Hamilton's Island in the St. Lawrence, where they spent two weeks with Mr. and Mrs. Bruce Rowbotham and Brian, at their cottage. Friends will be interested to learn that Bruce has been transferred to the C-I-L plant at Shawinigan Falls, Quebec, and the family will be leaving Cornwall where they have resided for seven years. Ninety per cent of the people at the Quebec plant are French, we are told, and Bruce will be obliged to learn the language.

TOOK EMPLOYERS PURSE
Somebody took a purse containing a sum of money, keys and other articles from Golden's store on Monday, but no action has been taken to day a charge, pending the return of the contents. The purse was the property of an employee in the store, and the person is being given a chance to rectify the error before any further action is taken.

NO OWNER FOR CATTLE
Two heifers that came to the farm of Mr. Oliver Harding on the 8th concession of Whitechurch, about one month ago have never been claimed by their owner, although they have been legally advertised in this paper for three weeks. Farmers might do well to check over their young stock in pasture and make sure they have not lost any.

Uxbridge Council

The monthly meeting of the Uxbridge Township Council was held on the evening of July 10th with all members present.

The minutes of the last meeting were read and confirmed and a number of communications dealt with by the council.
Mr. John Kydd and Mr. A.A. Toole interviewed the council asking that action be taken to urge upon the Provincial Government the advisability of extending the Live Stock Protection Act to include poultry as Live Stock. Mr. Toole had about seventy-five early chickens destroyed recently by dogs, and naturally feels that some protection should be given to poultry growers. The council instructed the Clerk to write to the Minister of Agriculture.

The Council discussed the seriousness of the situation that is arising because of the increasing bills for damages to flocks of sheep caused by dogs. If the present rate of loss continues it may be necessary to increase the dog tax to cover the claims.

Road accounts for June, amounting to \$302.64 were passed for payment and general accounts of \$228.88.

The next regular meeting will be held on August 14, at 8 p.m.

One of the most successful Sunday School Conventions yet recorded by the Whitechurch Association is the result of the gathering for 1944 held at Vivian Church where the home folk made such a splendid contribution to the social part of the affair. Mr. and Mrs. Lyon located at Bethesda ten years ago, coming from Aurora where he had spent many years as a carpenter. Besides the husband, two daughters survive, namely, Mrs. John Holman and Mrs. Thos. Smith. Mrs. Lyon's name was Alice Heise.

RACING IN NEW JERSEY

Mr. Fred Shelke, owner of the famous racer Shepperton is down in New Jersey with the king of the race track doing a circuit of races. Before going south they had to bog the Gormley racer down on the Ontario tracks until he was loaded like a dray horse. That's what they call a handicap. It sure is.

Send the Tribune to absent friends.

JUPP GETS ROAD CONTRACT

The new tarvia mulch top to be laid on the road between Stouffville and Goodwood will be a job for the Jupp Construction Co., since this firm was awarded the contract last week by the Ontario Department of Highways. The entire surface from Goodwood to Stouffville which has given off such a cloud of dust the past two weeks will be treated to a penetrating coat of oil this Thursday so that the dust nuisance will be abated then. The contract for gravel mulch top will be completed by the end of August or thereabout, we understand.
