Committee Work Lagging
Not more than 200 farmers thus far in Markham township have signed the cards circulated asking them to be permitted to be taxed at the rate of about \$1 per \$5,000 assessment for Federation of Agriculture purposes. The small number of signers is due to lack of committees getting the cards in circulation.

THE STOUFFVILLE BUCK-RAKE
The increasingly popular buck-rake is now being made in Stouffville, since Mr. Win. Haley at International Motors Garage is looked upon as a manufacturer after having made the third one which was delivered to the order of Harmon Jones only this week. Mr. Haley does a neat and sturdy job just as though the outfit came from a big implement firm.

ASK COUNCIL TO CONSIDER SOCIAL INSURANCE
Six of the farmers in Markham whose crops were badly hailed out, three from the east and three from the west side, waited on the township council Tuesday night, urging some thought be given to setting up a fund similar to an insurance to be used for this purpose. "The idea of social insurance is growing everywhere," said Mr. J.F. White for the delegation, consisting of Messrs. White, Dennie, Hart, Silverthorn, Walton and McKay.
