## STIVER BROS.

STOUFFVILLE — ONTARIO

### YES, IT'S CWAC— NOT WAC GROVE

(From the Fargo, U.S.A. Forum)  
She's Cwac—is Lance Cpl. June  
E. Grove who comes from Dick-  
son's Hill, near Toronto, a daugh-  
ter of Mr. and Mrs. Wm. Grove.  
Nineteen years old, she has already  
served for 15 months, for she en-  
tered the service on June 1, 1943, her  
18th birthday. Had she been in the  
United States, she would still have  
to wait another year before she  
could wear her G. I. uniform.  
With her little sister, Evelyn,  
Cpl. Grove is spending her leave  
with her uncle and aunt, Mr. and  
Mrs. Charles G. Johnston, 1015  
Fifth av S.  
When June entered the service,  
she received her uniforms, a light-  
weight one for summer, and a  
heavier one for winter—her shoes,  
hose, and cap. If she had joined the  
Wacs, she would have received  
everything from undies to her

toothbrush.  
But like the Wacs, she had to  
have from a month to six weeks of  
basic training. June took her basic  
at Kitchener, Ontario. Like them  
too, she had a chance to travel  
but in an unusual way. For she  
marched in a recruiting band to  
bagpipe music travelling with them  
to larger towns in Ontario.  
Her first promotion was to lance  
corporal, similar to the rank of  
private first class in the Wacs.  
When she gets to be a second  
lieutenant, she will wear a pip.  
Americans call it a bar, but it's the  
same thing. She is serving now in  
the headquarters office at St. Clair  
barracks in Toronto.  
Like nearly every girl in service,  
she would love to serve overseas.  
Serving in all capacities, the Cwacs  
are needed in England. But Cpl.  
Grove will have to wait until she  
is 21 before she can go overseas.  
By that time, she hopes the war  
will be over.

# Local and Personal Happenings

Mrs. W. S. Cook and daughter  
Mrs. H. E. Coon of Toronto spent  
Thursday with Mrs. Shankel.

A letter received from Dr. John  
Button who is stationed a hundred  
miles north of Whitehorse in the  
Yukon, states that there is five  
inches of snow at his R.C.A.F.  
post.

Mr. and Mrs. Don Fraser and  
daughter Joanne, of Belleville are

you to buy a tag in support of the  
Navy League. This is the work to  
bring comfort to the sailors of our  
navy and merchant marine, and  
your earnest support will be ap-  
preciated.

H. Pollard and wife were callers  
in town last week enroute from  
Toronto to their home in Fenelon  
Falls. They were greeted by num-  
erous old friends.

scheduled for Stouffville on Mon-  
day was cancelled since the only  
two cases on the docket had been  
withdrawn, or traversed to the  
next court.

The Evening Auxiliary of the  
United Church will celebrate its  
25th anniversary on Wednesday of  
next week.

### FATHER AND SON-IN-LAW CAPTURE TROPHY

Messrs. David Stouffer and Fred  
Nicely won the A.B. Harris trophy in  
the horse shoe pitching contest  
held again this year at the H. A.  
Kirton farm east of Stouffville, at  
Ramona Park. This is the second  
successive year that father and son-  
in-law captured the silverware  
which we expect will be on display  
at Riches Hardware.

The game started at 2 o'clock  
and refreshments were served at  
six when playing continued again  
until eight in the evening, and  
some thirty spectators enjoyed the  
fun.

The trophy has been donated by  
Mr. A.B. Harris of Scarborough, and  
will be competed for again next  
year on Labour Day.

### IN FRANCE

Lieut. Margaret Ball, daugh-  
ter of Dr. and Mrs. S. S. Ball,  
is now in France, according to

few days at Camp Prentuskoka in  
the north country.

Mr. and Mrs. H. J. Malloy have  
returned home after enjoying a  
two week's holidays in the Sarnia  
peach belt, and visiting near The-  
ford and Forest.

Mrs. Alex. Grubin was in town  
for a day last week. Mrs. Grubin  
is now living at 37 Indian Trail in  
Toronto.

Mr. and Mrs. Alex. MacLeod of  
Markham, are being congratulated  
on the arrival of their second son,  
a bouncing young brother for  
Master Douglas.

Mr. and Mrs. Clarence Pengelly  
of Brooklin were in town on Sat-  
urday, Mrs. Pengelly being a  
daughter of the late Thos. Patter-  
son of Claremont.

Mr. and Mrs. S. Borins of Toron-  
to were visitors over the weekend,  
at Mr. Borins home, O'Brien Ave.

Friends in Stouffville will regret  
to learn that Mrs. Chas. Wismer,  
former resident of the district, is  
not enjoying good health and while  
at the summer cottage on Pick-  
ering Beach a few weeks ago, suf-  
fered a stroke.

Mr. and Mrs. Lee of Ottawa,  
were in Stouffville during the  
weekend visiting with Mrs. Lee's  
parents, Mr. and Mrs. Bert Lick-  
orish.

Mrs. Dan Cook has returned  
from a delightful trip to Winnipeg.  
On the return journey she was ac-  
companied by her brother-in-law  
Mr. H. Southby who after spend-  
ing a few days in Stouffville left  
for Muskoka to visit a sister he  
had not seen in thirty years.

The Salvation Army tries to save  
the boy or girl before they are  
sentenced to jail, and many a  
young person through the Army's  
care has avoided a life of crime by  
listening to sound advice and by  
accepting practical help that the  
Army has to offer. 1,286 men and  
women were saved the stigma of  
a jail sentence in this way last  
year. For this, and other reasons  
Stouffville Lions Club intend to  
sponsor the drive for funds on be-  
half of the army Home Front  
appeal shortly to be announced.

### About Soldier Subscriptions

Persons sending The Tribune  
overseas are reminded that the  
paper will stop at the expiry of the  
date to which subscription is paid.  
In this event it will be necessary  
for those sending these papers to  
see that they are renewed prompt-  
ly if they wish the paper to go for-  
ward. Members of the armed forces  
in receipt of a copy of The Tribune  
should not overlook mentioning  
the fact to their friends at home so  
that they will know it is reaching  
its destination all right.

### GLASGOW MILL OPERATING OVER 150 YEARS

One of the very old landmarks in  
this part of the country is the grist  
mill at Glasgow owned and operat-  
ed by Mr. James Elson. The busi-  
ness has been in operation for more  
than 150 years, and has been under  
present ownership for 92 years.  
Both Mr. and Mrs. Elson suffered  
a stroke this summer, and are forced  
to take life easier, consequently  
the place is now being offered for  
sale. The property comprises 42  
acres, including the large pond and  
considerable workable land. For  
many years the grist mill was  
operated by the late Edward  
kardt. The site is fortunate to  
possess a good water power which  
rises over on the 4th concession of  
Uxbridge, and with the passing of  
the mill at Altona the place be-  
comes more of a necessity then  
ever in the locality, and should be  
an attractive business for a young  
man.

Mr. and Mrs. J. K. Agnew are  
holidaying this week in the north  
country.

Mr. and Mrs. Howard Long of  
Lockport, N.Y. were recent guests  
of Mrs. S. Shankel.

Mr. and Mrs. Arnold Hennessey of  
Windsor have been spending holi-  
days at the home of her father, Mr.  
Hugh Boyd.

Mr. Edward Walls was forced  
to remain in bed this week several  
days due to a severe heart condi-  
tion. This is a busy time for an  
orchard man to be forced off work.

Mr. and Mrs. Leslie Williamson,  
Toronto, Mrs. Frank Williamson  
and Miss Flossie Barkey motored  
to Port Perry one day last week,  
and were accompanied by Mrs.  
Peter Ramer of Port Perry who  
has been visiting her relatives  
here.

On Friday evening a picnic  
supper was enjoyed at the home  
of Mr. and Mrs. Geo DeWitt, Gorm-  
ley, when a number gathered in  
honor of their aunt, Miss Ruth  
Curtis of Toronto. Among those  
present were Mr. and Mrs. R. E.  
Curtis and Margaret, Mrs. J. G.  
Wetheral and Bob, Mr. and Mrs.  
F. C. Rowbotham and Mr. Les.  
Rowbotham.

It is expected that the popular  
Riverdale Band of the Salvation  
Army will visit Stouffville on Sat-  
urday or Sunday Sept. 16 or 17, to  
mark the opening for the Red  
Cross Shield Appeal to raise funds  
for the home front work carried  
on by the army. Everybody loves  
a band and if the visit can be  
arranged as the band proceeds to  
Uxbridge, there will be a good audi-  
ence to hear their sacred strains.

### Starting School Life

A beginners class of 20 young  
hopefuls entered school here this  
month for the first time under the  
guidance of Mrs. Cunningham, the  
former Margaret Forsyth, as  
primary teacher. Girls were in the  
preponderance, there being 14 little  
Misses and six lads as follows:  
(girls) Isobel Atkinson, Marilyn  
Brown, Nancy Barry, Beth Green-  
wood, Barbara Davis, Evelyn  
Harper, Barbara Hare, Lorna  
Lewis, Sandra Pugh, Mary Penna-  
nem, Betty Raymond, Joyce Silver-  
thorn, Patricia Skinner, Joan Lint-  
ner, Garry Crawford, Merlin Har-  
mon, Ronald Hartley, Elwood Lint-  
ner, Stanley McMullen, Ross Ma-  
dill.

### Please Don't Pinch 'Em

Down in Grand Valley house-  
wives are really thrifty, and they  
don't buy fruit until they know  
exactly what they are getting.  
This knowledge they obtain by  
the pinching method, and so thor-  
oughly do they pinch the fruit be-  
fore accepting it that loss to the  
merchants is the result. The mer-  
chants interested joined together  
and published a display advertise-  
ment in the local paper: "When  
buying fruit, no matter where you  
buy it, do not pinch it with your  
fingers," states the advertisement.  
Even if you buy the basket you  
have pinched to death, it is bound  
to rot on you to-morrow." Now  
who wishes to have fruit rotting  
on them? The warning should be  
heeded.

### There's Little Between Us

Mr. Hugh Bannerman was over  
to the U.S.A. the other week and  
reports that he found crossing the  
border just as easy as stepping  
over the threshold of his own door-  
way. He found the Yankees ready  
to take his money (why shouldn't  
they at ten per cent discount) and  
altogether a cordial lot of people.  
After all there is no difference be-  
tween the Canadian and the  
Yankee other than that little some-  
thing called the border line. We  
are all of the same stock, the same  
tongue, and ideals. What a blessing  
that such is the case. Those who  
have travelled Europe and other  
countries know too well the prob-  
lems of nations living next door to  
each other and speaking different  
languages, plus nursing a back-  
ground of racial hatred.

### Visitors from Saskatchewan

Interesting visitors in town at  
present are Mr. Isaac Lemon and  
his daughter Miss Elvera Lemon  
who are here from Peebles, Sask.,  
visiting the scenes of other days.  
The Lemon family will be recalled  
as residents on the sixth conces-  
sion of Whitchurch living on what  
is now the Talbot farm. About  
thirty years ago they joined the  
throng moving westward and con-  
tinued to follow their occupation  
of farming on the prairies. Three  
years ago Mrs. Lemon died. She  
was the former Nettie Cook, a sis-  
ter of Mr. George Cook of Lemon-  
ville. Two other brothers were the  
late Dan Cook of Stouffville and  
William A. Cook of Whitchurch.  
Mr. Lemon and his daughter are  
staying at the home of his sister  
Mrs. Wm. Ratcliff, Church street  
north, and with other relatives in  
and about Stouffville all of whom  
are delighted to greet their old  
friends once again.

### ODDMENTS IN THE RURAL NEWS

A Warwick farmer lost his purse  
and sizeable roll of bills last fall.  
It had long been given up for lost  
but last week his brother discing  
in a field on the farm turned up  
the roll of bills in a clump of dirt.  
The bill fold was completely rotted  
away, but the money was intact  
and fully recovered.

Miss Marguerite Preston, whose  
marriage to Leonard Swanson  
takes place on Sept. 16, was pre-  
sented with a table and glassware  
last week by associates of the  
Sisman Shoe factory where she is  
employed in Aurora.

Bracebridge probably holds the  
record for family for the Brazier  
boys, seven in number are all in  
uniform, while their dad is a vet-  
eran of the last war. Some record,  
eh. In this opinion we certainly  
agree with the editor of the Mus-  
koka Herald.

There was a family reunion last  
week held on the St. Lawrence  
River near Prescott at the home  
of Dr. P. A. MacIntosh. The reu-  
nion holds general interest for  
every body in that the founder of  
the MacIntosh group was Allen  
MacIntosh of Dunlea, Eastern Can-  
ada, who originated the famous and  
popular MacIntosh apple so popu-  
lar in this district. The chairman  
of the reunion gave a history of  
the family dating from 1164, and  
made reference to the discovery  
of the MacIntosh apple.

The reunion of the family of the  
late Thos. Stickwood was held at  
the home of Mr. and Mrs. E. Stick-  
wood, Queensville, on Sunday, as  
reported by the Newmarket Era.  
Among those present were Mr.  
and Mrs. Charles Haines, Sharon,  
Mr. and Mrs. Carl Glover, Louise  
and Richard, Ravenshoe, Mr. and  
Mrs. W. Walker and Patsy, Mr.  
Joshua Stickwood and Miss Lydia  
Stickwood, Bogartown, Mr. and  
Mrs. R. O. Stickwood, Claremont,  
Mr. and Mrs. G. W. Fairbairn and  
Donny, Sharon, Mr. and Mrs. S.  
Stickwood, Elton and Ronald, Mr.  
and Mrs. D. B. Stickwood and  
Patty, Mr. and Mrs. O. Stickwood,  
Hope, Pte. Tom Stickwood, Mea-  
ford, and Miss Evelyn Miller,  
Sharon.

Another of the old landmarks  
down around the station has dis-  
appeared from Uxbridge, the  
Times-Journal announces. One of  
the large warehouses belonging to  
George Lambe was sold to Mr. Ira  
Ramer, of Richmond Hill who had  
it torn down and removed to that  
place where it will be used in the  
construction of a new mill to re-  
place the one burnt recently. The  
building was 30x60 feet and con-  
tained a tremendous quantity of  
the real old pine plank and timber  
used in the early days some of the  
stringers being a full sixty feet  
long and all sound, while the num-  
erous bins in the building were all  
walled with good sound pine plank.

### TWO IN ONE GRAVE

Over a lawyer's grave in a near-  
by cemetery was the inscription:  
"Here lies the body of a lawyer  
and an honest man." A stranger  
reading the wording said, "Why, do  
they bury two in one grave here?"

The Stouffville War Workers  
are still filling ditty bags for the  
soldiers, and would appreciate a  
donation of money or goods at  
once. A long list of names of per-  
sons making donation could not be  
inserted because of space difficul-  
ties. However the War Workers  
appreciate very much the gener-  
ous support accorded them. Mrs.  
E. J. Davey is the secretary.

## What Does Inflation Mean to You and Me?

Why, we couldn't buy enough food  
to keep our families healthy under  
inflation. For wages and salaries  
never catch up to prices when they start  
to soar!

How would we like to pay \$1.10 a  
dozen for eggs? You say it can't  
happen? Don't forget it's already  
happened right here in this Dom-  
inion, during the last war. And it will happen  
again... unless we're on our toes to keep  
the cost of living down. Every Canadian must  
face this challenge! It's our responsibility.

But be of good heart. Living costs  
have risen LESS in Canada than  
anywhere else. Canada leads the  
world in the fight against inflation.

### HERE'S HOW IT'S DONE—

In 1941, Canada determined to  
control the cost of living. Price  
ceilings were established on wages,  
rentals and commodities; subsidies  
were paid on essential foods; goods in short  
supply were rationed... so that everyone  
could get their fair share at a price they could  
afford to pay!

But control of prices is a two-way  
responsibility. It needs your support  
if it is to continue working effectively.

### So make this Pledge Today!

I PROMISE to give my support  
to keeping the cost of living  
down. I will buy only what I  
need—I will observe the ceil-  
ing whether buying or selling  
goods or services. I'll pay off  
old debts, save for the future,  
invest in Victory Bonds and  
War Savings Certificates—and  
will support taxes which help  
lower the cost of living.

## Keep Your Dollar Value High!

THE BREWING INDUSTRY (ONTARIO)
