Dr. and Mrs. N. F. Tomlinson were Claremont guests at the wedding of Miss Helen Glover at Hastings, Ont., on Saturday.

Geo. Middleton had the misfortune to fall from the end of a small bridge the other day, cracking a couple of ribs, which will keep him from active labor for a time.

Pte. Everett Hammond arrived home in Claremont from his Vancouver army post on leave last week.

Harold Brooks, son of Mr. and Mrs. Andrew Brooks, has arrived home here from Fort Erie where he was employed along with his father in an aircraft assembly plant. Harold is considering re-opening the Brooks store here which was formerly operated as a grocery.

Transporting apples to the Nighswander mill on Monday morning, Mr. Ed. Pilkey of Cherrywood lost his wagon load on the corner of the 9th concession and the townline. He had gone some miles on when he realized that his wagon load was left behind. On retracing his tracks he found the wagon had broken loose and jumped the ditch near the turn. Neither apples nor wagon were damaged.

At the November meeting of the Claremont Women's Institute at the home of Mrs. John Gregg the members learned with delight that they had sent cigarettes to no less than 45 members of the armed forces. In addition a donation of \$100 was made to the Red Cross fund for the prisoners of war fund and the blood donors clinic. The guest speaker for the meeting was Mr. Doherty, one of our Claremont citizens, whose address was outstanding. He spoke on Lord Van-Sittart's book, "Lessons of my Life." A piano duet was rendered by Bernice and Mary MacAvoy, and refreshments served and a delightful time enjoyed.

## Young Swain Loses Car

The story is told by the local constable of a young swain from Greenwood who, while visiting his "lady fair" in Claremont one evening last week, came out to find his car missing. Suspecting a trick of some sort he made a thorough search of the district with the aid of friends but failed to locate the family machine. Getting desperate he summoned Constable Norton, who agreed to have a "stolen car alarm" sent out at once, as soon as the proper license numbers were given. The rōmeo hurried home to obtain the necessary numbers from his father in whose name the car was registered, only to find that the car had arrived there before him. Dad had figured that even if "young Lockinvar" wasn't ready to leave before sunup, the family chariot was coming home anyway, and had hooked on by tractor and taken the car home.

## LOAD OF EGGS IN COLLISION NEAR MANCHESTER

A truck loaded with eggs, driven by Roy Crapper, Uxbridge, was upset as the result of a collision with a car, driven by Jos. Clyde, Uxbridge, on No. 12 highway a short distance north of Manchester, Thursday night last. Both vehicles sustained extensive damage but no one was seriously injured, Crapper receiving injuries of a minor nature.

The accident occurred at the intersection of No. 12 highway and the county road, shortly before 6 p.m., when the car, which had been proceeding west on the county road, ran into the northbound truck. Provincial Constable T. W. Harding investigated the accident.

Pickering Township council will meet next Monday in regular session when the business of the year will be fairly well completed.

The Woman's Auxiliary of the United Church, Claremont, will meet in the basement of the church at 2:30 on Thursday afternoon this week. Election of officers will take place, and tea will be served from 5:30 until all are served. Mrs. John Beelby's group is in charge.

## BROUGHAM

Mrs. H. Crawforth of Whitby spent the weekend with her mother Mrs. A. Matthews.

Master Ronald Hamilton had the misfortune to break his right arm at the wrist one day recently. He is now wearing it in a cast.

Miss Poops of Toronto spent the weekend with the Carl Devitt family.

The Glee Club under the leadership of Billie Devitt had charge of the musical part of the service on Sunday afternoon and did their part in a very able manner.

## TRUCK OF GRAVEL STRIKES WAGON

Harold Hughes, 17, R.R. 3, Uxbridge, was fined \$10 and costs or 10 days in the county jail when he pleaded guilty before Magistrate P. S. Ebbs to a charge of dangerous driving resulting from a collision with a wagon on the Brock Road near Epsom on Nov. 2nd. Provincial Constable T. W. Harding was the investigating officer.

The evidence was to the effect

## Pickering vs D.I.L. Road Case to be Heard Dec. 5th

The case of Pickering Township and the D.I.L. plant at Ajax regarding the roads taken over by the munitioners plant, will be heard in Toronto on Dec. 6th.

When the plant entered Pickering Township they took over several base line roads amounting to an area comprising approximately eighty acres. The township estimates the value of such land at \$8,000.

The D.I.L. plant has asked that Pickering waive all claims to such roads, and this the township refuses to do.

William Beaton will represent the township at the coming hearing.

## MISS HELEN GLOVER BRIDE OF A. MUTTON

The marriage of Miss Helen Elizabeth Glover, daughter of Rev. and Mrs. J. E. Glover, Hastings, and formerly of Claremont, to Clifford Arthur Mutton, son of Rev. H. H. Mutton, Bridgenorth, and the late Mrs. Mutton, was solemnized in Trinity United church, Hastings.

The bride's father officiated at the double-ring ceremony, assisted by the groom's father, Miss C. Dooxey played the wedding march and Miss Cora Charlton, Lakefield, sang. The bride, given in marriage by her father, wore a floor-length ivory slipper satin gown, styled with full skirt falling into a train. The fitted bodice was fashioned with a sweetheart neckline and the long sleeves came to points over the hands. Her long illusion net veil was arranged with a Queen Anne headdress, and she carried a bouquet of dark pink roses. Mrs. Vaughan Glover, Peterboro, as matron of honor was in a floor-length gown of dusky rose crepe made with sweetheart neckline, fitted bodice and full skirt. The bridesmaids, Miss Dorothy Clark, Toronto, and Miss Jean Love, Peterboro, were in similar style gowns of gold crepe. All wore shoulder-length veils of bronze silk net caught with tiny bronze 'mums. They carried bouquets of bronze 'mums and ferns. D. Smith, Toronto, was groomsman, and ushering the guests were John Jackson, Toronto, and James Andrews, Peterboro. At a reception in the church parlors, the bride's mother received in a moss-green floor-length gown with matching hat. Miss Fusée, groom's aunt, assisted, in a raspberry red floor-length dress and matching hat. Both wore corsages of bronze 'mums. For the wedding trip the bride changed to an Alice blue dress, royal blue coat with a white fox collar and black accessories.

that the accused, who was employed driving a gravel truck, had been travelling south and meeting a northbound vehicle was unable to make the brakes work quickly enough to avoid striking the rear of the wagon which was also travelling north. As a result the horses ran away, upsetting the wagon and the driver, Mr. Whippey, suffered leg injuries.

## Former Cherrywood Girl in Front Line Hospital.

Ruby Rogers, daughter of Mr. and Mrs. Fred Rogers of Havelock and formerly of Cherrywood, outlined the work in a Canadian front line hospital. Lieut. Ruby Rogers has been overseas more than four years. Enlisting in 1939 she has served on all fronts, where Canadian forces have served.

Her letter in part: "So you would like to know more about my work. Well! We admit a lot (of casualties) and send them by air to England very quickly. The greater percentage of our patients are either entirely unconscious or are not exactly right in their head.

"They have to be fed mostly fluids. We get a number paralyzed on one side, whichever side they were hit on. We also get quite a lot with back injuries and we have a fair number paralyzed from wherever the lesion is, down.

"We have a few, most of the time, in the ward who are not conscious enough to keep the mucus cleared from their throats. They have airways down and sometimes a tube like an anaesthetic patient. We feed some of them if they can't swallow.

"For a while we were using a case of plasma a day, that is about 12 bottles. We use a fair amount of blood too. I really don't know what we would do without the field transfusion unit. We get all our blood plasma and penicillin from them.

"We give all the patients with wounds in the brain tissue penicillin and sulfadiazine. We have a great deal of trouble preventing bed-sores, especially on deeply unconscious or paralyzed patients. We have several arrive at the base with quite nasty bed sores."

## Average of \$231 at Cattle Sale

The 42 head sold in the dispersal of the Holstein herd of Fred Baston, Goodwood, realized a total of \$9223, the 35 purebreds averaging \$231. Top price was \$510 paid by R. L. Marshall, Fordwick, for Strathmore Winsome DeKol Vrouka, a three-year-old heifer. Mr. Marshall also paid the second highest price of \$415 for a five-year-old. Four head brought \$400 or more. Nineteen milking females averaged \$300; six bred heifers \$179, four open heifers \$155, and four heifer calves \$126. These considerably better than average prices were in no small measure due to the fact that the cattle had been well fitted. Bidding was very brisk and Auctioneer A. B. Brubacher disposed of the entire offering in a few minutes less than two hours.

Wm. J. Murphy, Lindsay, bought seven head for a total of \$1,835, these including three five-year-olds at \$410, \$400 and \$325, and the four-year-old herdshire at \$200. Credholme Farm, Streetsville, paid \$1,425 for seven head, five bred heifers, an open heifer and a five-year-old. The latter sold for \$340. Other good prices were: \$375 by Ransom Stock Farms, Oshawa, for a two-year-old; \$330 by Craig Nelson, Campbellford, for a three-year-old; \$320 by E. L. Anderson, Campbellford, for a four-year-old; and \$280 by Lloyd Turner, Stouffville, for a five-year-old. Top price for a grade was \$270.

In addition, cattle were bought by the following York County breeders: N. L. Chantler & Son, Bradford; Reginald Stansbury, Milliken; Lewis Grove, Markham; Arthur & John Miller, Agincourt; and C. R. James, Thornhill.

## Ontario County Deters Health Plans

Would Cost \$20,000 Annually—Get More Particulars

The establishment of a county health unit under section 35 of the Public Health Act, in Ontario County, at an estimated cost to the county of \$20,000 annually, or \$1.15 per head, was discussed by the County Council at Whitby last week and laid over for the consideration of the 1945 Council. A report presented by Deputy reeve J. H. Ormiston, of Whitby, chairman of the Committee on Education, prepared at the request of the Council in June, was presented, setting forth the details of the health plan which would give to every municipality in the county a modern health service covering a wide field. The report was based on information obtained by Mr. Ormiston from Dr. J. T. Phair, chief officer of health for Ontario.

Under the health unit plan, the actual cost in Ontario County would be in the neighborhood of \$40,000, half of which would be paid by the government. It was pointed out that only through the

## Ex-Cell-O HOG RATIONS

To meet the demand for a lower protein hog ration for straight feeding Ex-Cell-O Hog Grower and Ex-Cell-O Hog Finisher are meeting with splendid favour with hogmen everywhere.

These two Ex-Cell-O rations work with the Marmill feeding plan. Nursing and weaning pigs require a higher protein content in rations, as is provided in Marmill Piggy Starter Pellets and by Marmill 17% Pig Ration. At sixty pounds weight pigs have a sufficient start to change to Ex-Cell-O Hog Grower, and at 140 pounds again change to Ex-Cell-O Hog Finisher and continue until marketed. These rations supply all the essentials for growth and most economical gains per pound of feed consumed.
