

Local and Personal Happenings

Sergt. Major Arthur Swift, formerly of Stouffville, who has been with the army maintenance staff, has been honorably discharged from the army, and is now employed at the big Gray Coach Lines garage in Toronto.

E. A. Grubin, R.O., Optometrist, will be at his office in Stouffville on Monday, Jan. 22nd.

Stouffville War Branch

We acknowledge with thanks donations of clothing from Mr. A.E. Weldon, Excelsior Class, Mrs. Fred Johnson, Harry Golden. Anyone having knitting or clothing at this time should hand them in for packing on or before Jan. 26. M. Davey, secretary.

Mrs. Hugh Anderson continues to be in very poor state of health, and requires almost constant attention. Since he sold the billiard parlors in town to Red Forsyth, Mr. Anderson has devoted his whole time to his home and his sick wife. We are moved to report this bit of news since we have received two enquiries from old friends about Mr. Anderson as to what he is doing since he retired from the store.

The magistrate in court at Walkerton last week told a woman charged with leaving her house in a filthy condition and making no effort to keep it or her three children clean; that on the next hearing in 30 days he would commit her to jail if the home was not made more sanitary. The woman is in receipt of a substantial cheque from the Mothers' Allowance Board.

Drops Dead at Curling Match

During a curling match in the rink in the town of Perth on Tuesday of last week, Fred Forsyth, one of the players, dropped dead from heart failure immediately after making a shot.

Born on the farm in Uxbridge just east of Stouffville, 58 years ago, he was a son of the late Frank Forsyth, and a brother to Mr. Joe Forsyth still living on the home place. Fred was appointed Agricultural Representative for Lanark County in 1916, serving there for 13 years. He went to Walkerton and later to Alexandria in Glengary county, and left the service in 1916 when he purchased Strathburn Farm, Almonte, where he developed an outstanding herd of dairy cattle. Last year he returned to the agricultural service.

Surviving are his wife the former Reta McCombe, one son Sandy and one daughter Marjorie. He was buried at Elmwood cemetery, Perth, on Friday.

Mrs. E. A. Button is in Chathan for a couple of weeks visiting with her sister-in-law, Mrs. John Anderson.

Mr. and Mrs. Milton Storey were in Toronto on Sunday owing to the death of Mrs. Simeon Morgason, a relative of Mrs. Storey's and a former Goodwood girl.

Miss Lorraine Hisey, daughter of Mr. and Mrs. Norman Hisey, and a graduate of Stouffville High School, has taken a position on the staff of the local Bank of Commerce. She will fill a vacancy recently created by the resignation of Miss Margaret Byers.

Miss Mary L. Pound of Seattle, Wash., who has been visiting for several weeks with her invalided aunt, Mrs. J. J. Brown and cousins Mrs. J. Leland Johnston and Mr. R. E. Brown has taken on her homeward journey, after a vacation of three months touring in Canada and the United States. Mrs. Brown who is in her 82nd year has not been so well lately, and is confined to her bed all the time at the Johnston farm home on the Tenth concession.

Fire-Chief Re-Appointed

At a special meeting of council held last week, Del Jennings was re-appointed Fire Chief. Mr. Jennings was present at the meeting, and stated that the Brigade was in very good financial condition. He told council that some valuable fire-fighting equipment was being disposed of in the Montreal area, since the disbandment of the A.P.R., and was directed to secure whatever he deemed could be of service to the local brigade, in the matter of nozels and hose.

How many town people recall the Stonehouse family, who conducted a grocery in the Rae store before it was remodelled into a bank building? Word has just been received that the son (Winston) of the proprietor of this former store keeper and who entered the Bank of Nova Scotia as a junior here, and later went to Western Canada, is now in the army. He is Capt. Win. Stonehouse, attached to the Ordinance Corps at Regina, Sask. Capt. Stonehouse still retains membership in the Masonic Lodge at Stouffville.

Garrett Evening Auxiliary

A well attended meeting of the Garrett Evening Auxiliary met at the United Church for their first meeting in the new year. Miss Gertrude Todd who was in charge of the devotional period took as her theme "Start the New Year with a clean slate." A duet was rendered by Misses Beatrice Lickorish and Phyllis Burkholder, accompanied by Mrs. Levi Forsyth. From the study book, Miss Ann Lehman gave the chapter dealing with "The Church in the Philippines", and was assisted by several of the members. Reports on the work of the past year were given by the members of the different committees. A social half hour was enjoyed at the close.

A Stiff Winter Week

Nothing was more talked about last week than the weather. Zero temperature and lower much of the time, the snow banks piled high have become so hard that plows are finding it difficult to dig into them. Whitchurch ordered in a bulldozer and the provincial highway has used them where the plows could not operate. Water shortage on farms is still the pest for many stockmen. One farmer in Whitchurch is driving his herd three quarters of a mile every day to a creek. This is very hard on the animals, as one could readily imagine animals coming out of warm stables will not drink properly in the cold, farmers say.

NOTICE TO FARMERS

Whitchurch township operators of snow plows are now calling on farmers to refrain from parking their cars on the roadside where they will be in the way of the snow plow. Several cars have been broken recently where they came in contact with the wing of the plow. Even if the operator is fortunate enough to see the car, it makes a poor job when he has to pull around a car. Co-operation of each and every resident who park their cars at the end of the lane is being asked for.

SUB. LIEUT. NORMAN A. BAKER
Sub. Lieut. Norman A. Baker R.C.N.V.R., a recent graduate of King's College, the naval officers' training centre at Halifax.

Big Salmon Run! A local store had a few tins of salmon last week and how the customers did run for it.

The village of Richmond Hill has set aside from its reserve fund held at the end of the year, \$15,000 for post war projects. \$10,000 will be reserved for sewers in the village, and \$5,000 toward a new hall for the place. The Yonge street village has recently made money from the profits of the Yonge street radial, and is dealing with it wisely in reserving it for things needed in the community.

There are just two kinds of people in Port Perry these days, says the editor of the Star of that town. Those who somehow manage to get out and down town, and those who do not get out but wish they could. That about sums up the situation for all towns at this season of the year.

Carleton Place voted in favor of opening a liquor store in that town, by 180 votes more than the necessary three-fifths required to carry the bylaw. They cannot be said to be a dry lot in Carleton Place if one is to judge by the way they vote. Not often do the liquor people win a contest of this kind. Carleton Place had been totally dry since 1916.

A Double Bereavement

While her mother-in-law, Mrs. Sarah Jane Lickorish was lying in her casket, a cable reached the home of Mr. and Mrs. Bert Lickorish last week, announcing the death of Mrs. Lickorish's sister, Mrs. W. Hillier who passed away in hospital in England. The home of the deceased was in Northampton town, and her death came quite unexpected. Two other sisters and one brother all living in England survive.

J. S. Dougherty 78

Last Thursday, January 11th, those who were familiar with the date offered their congratulations to Mr. J. S. Dougherty who had reached his 78th birthday. Although he has a heart condition that compels him to move about cautiously, Mr. Dougherty looks the picture of good health and is busy every day at the premises of International Motors. For years he acted as clerk and treasurer of the town and retired when he suffered a break-down three or four years ago.

CUB NEWS

The usual meeting was held on Friday night with 20 in attendance. The boys are doing nicely with their first star tests. We will be glad to have Mr. Andrus back with us next week after being absent for two weeks. Walter Pipher, Ass't Cub Master.

THIS NEW TYPE OIL SAVES YOUR ENGINE 2 WAYS!

FAST FLOWING, it puts a protective oil cushion between "dry" parts the second you start. Thus it helps reduce starting wear which can cause up to 3/4 of all engine wear!

TOUGH BODIED, Golden Shell resists forming sludge and carbon under the heat of steady high speeds.

Golden Shell is made in a new way that takes the "bad things" out of oil. Sold in sealed bottles—sold at a price below the other premium quality oils.

Boadway's Service Station

Mrs. Herbert Lee who is spending the winter in Toronto was in town on Thursday last week, and old friends were glad to see her again.

Rev. T. T. L. Williams, minister of Chalmers Presbyterian church in Uxbridge for the last four years, has resigned. Rev. M. McMillan, Port Perry has been appointed interim moderator.

Mrs. E. Ireland, Toronto, was in town on Friday, and arranged to place her house on Tenth Street up for sale. The property has a very fine garden and has recently been tenanted by the late Arthur Williams. Immediate possession can be given to the buyer. Uxbridge Pastor Resigns

91 YEARS OF AGE

Ninety-one years of age the day following Christmas, Mr. Ezra Clubine, townline west, is entitled to a special bow from the public. This veteran farmer assists with the chores every day, and despite his great age, he never suffers from rheumatism or stiff joints, consequently he walks with the nimble step of a man half his age. May he long be spared to enjoy the comfort of his home.

Pilot Officer Gordon Baker R.C.A.F. who went overseas some three months ago, has arrived home in Stouffville. Gordon suffered a broken back while stationed in Western Canada last year, and his health has not been the best since the ordeal, although he made remarkable recovery from such a serious injury. Mrs. Baker, (Phyllis Vanzant) is on the staff of the local Bank of Commerce.

Stouffville Water Works System has over 500 customers, and accounts were sent to each and all of them which were due on Dec. 15 for the first half of the current year. At the give-away price, that water is being sold in Stouffville, no one should be late in paying his or her bill.

Funeral for the late Mrs. James Elson, Glasgow, which was to have been held last Friday, was postponed for a day owing to the condition of the roads. This is the second occasion this winter when a local funeral was delayed, the first one being for Miss Catharine Harper who was held four days until the road between Stouffville and Goodwood was opened for traffic.

Suddenly stricken by illness last week, Raemer Loomis of Detroit, was unable to speak to the Stouffville Business Men's Christian Fellowship, at their regular meeting in the Christian Church on Wednesday evening. In his stead, three Toronto speakers, brought inspiring messages to the nearly one hundred men who had gathered. The speakers were, Gordon Bish, president of the Toronto Business Men's Committee; Dr. Greer, and Sgt. Reid of the Toronto Police Force.

A C.W.A.C. COMES HOME

Overseas Veteran, Pte. Marion Haight, of Welland, Ont., comes home from the wars and is welcomed by her civilian husband, Del, himself a veteran, back since October.

- Purina Calf Startena
- Blatchfords Calf Meal
- Quaker Calf Meal
- Iodized Salt
- Fine Salt

An idle hen not only isn't producing eggs—she's also eating feed a laying hen should have. Often hens are idle only because their egg capacity is not being utilized. For instance, hens on the Research Farm lay as many as 23 more eggs per bird per year when Dr. Hess Poultry Pan-A-Min is added to the ration. And there, in a nutshell, is the reason we strongly urge that you give PAN-A-MIN a fair trial. It's tonics and minerals that a hen gets in PAN-A-MIN. Both are often needed for top production. Just ask us about PAN-A-MIN.

SKATING PARTY

STOUFFVILLE ARENA

Wed., Jan. 24
Lucky Prizes

GOOD BAND MUSIC

Proceeds for Soldier's Comfort Fund

ADMISSION 25c

Look forward to the Skating Carnival in the Stouffville Arena on Wednesday next week. Proceeds in aid of the Comfort Fund.

Mr. P. H. Raymer of Mount Joy who became a patient at the Brierbush hospital in town the first part of January, is doing very well. Mr. Raymer intends to spend a month or two in town at the home of his father-in-law Mr. Ambrose Stover, and will, of course, be convenient to the hospital.

SKATING PARTY

For a good time, come to the Uxbridge Rink on Friday, January 26th. A Skating Party sponsored by the Toronto East Rural Y.P. will be held. \$3.00 goes to the Union with the largest attendance. Free lunch at the United Church afterwards.

EVERYBODY WELCOME

W. M. S. Meeting
The January meeting was held in the United Church on Jan. 11th and conducted by Mrs. Gunn, president. Reports from the various committees were gratifying, as the work done and amount raised far exceeded their allocation. Greetings from the Presbytery were brought by Mrs. Davis, Mrs. Orchard and Miss Bannerman being appointed Presbyterial delegates. Devotional was taken by Mrs. Cross and Mrs. Archard, subject: "The Kingdom of God in this Community." The programme was in charge of Mrs. Orchard and Mrs. Atkinson's group, who displayed a map of South Pacific Islands. The geographical description was given by Mrs. Atkinson and an explanation of the people of these Islands, by Mrs. Gunn. Mrs. Young portrayed the lives of four of the missionaries. Miss Watson rendered two piano solos. Officers for the year 1945 were installed by Rev. D. Davis, who gave a very encouraging talk, emphasizing the major roll this organization plays in the life of the church and community, as well as in foreign fields.

EDITOR'S MAIL

You will find enclosed renewal subscription for The Tribune. We enjoy your paper very much, since it was published in my birth place. We look forward to it every week. Son Claude who lived there once, is now in Holland. How we all wish the war was over.

Mrs. James Cook, Weston, Ont.

Newmarket, 11th 1st month, 1945
Inclosed please find my renewal for The Tribune for one year. The S. S. lessons help here and I continue to much appreciate them, also the news of my co-workers in the S.S. work and other acquaintances.

A number of Tribune readers will be interested to learn that our son Francis Starr's last letter was from Galveston, Texas, the 31st of last month, and stated that he and Wes Brown were to leave that port at 3 p.m. The other passengers were to be two white men and two Chinese. He adds, "We apparently go east as the only stop will be Suez. It was expected the trip would take 50 days to Calcutta No. 1 Upper Wood Street, Calcutta, India, Care of Friend's Ambulance Unit is his next address."

With best wishes for The Tribune staff and readers for 1945.
Sincerely,
Elma M. Starr

Dear Sir:
I own a farm near Stouffville and take your paper to keep abreast of the small adlets. Last week I phoned long distance from Toronto to farmers who offered stock for sale and in both cases the animals had been disposed of, and I was too late. This information may be appreciated by you.

B.K. Wilson
