The Continuation School students are planning a sleighing party and weiner roast for this week, we understand.

We have been asked to correct the report that has been circulating the village to the effect that Carl Miller, son of Mr. and Mrs. Wlad Miller of Oshawa, had died. Carl is very much alive he wishes us to state. It is believed that his name became confused with the late George Miller who passed away last week.

Gladys Morley has become quite proficient in the art of archery since joining the Wrens. Her picture along with that of two other navy girls appeared in the daily press last weekend, showing them engaged in archery practise. Gladys is a daughter of Mr. and Mrs. Fred Morley of Claremont.

The Women's Missionary Society of the United Church held their first meeting of the year at the home of Mrs. H. G. McIntyre. The President, Mrs. Loyst was in the chair. The annual reports were given and were most encouraging. Rev. Kennedy installed the officers for 1945.

The Good Fellowship Class of the United Church Sunday School met for their regular meeting at the home of Mr. and Mrs. Wilmot Hill on Tuesday evening. There was a good attendance of members and friends. Mrs. V. Pilkey was in charge of the worship service. A fine paper on "Splendid Gain of High Ideals," taking Christ as our ideal, was given by Mrs. T. Condy. Musical numbers and readings completed the program. The Pres., Mrs. D. McCullough took charge of the business. Games and contests were enjoyed. A tasty lunch was served and all joined hands in singing "Auld Lang Syne." The February meeting is to take the form of a sleigh riding party to the home of Mr. and Mrs. Melvin Johnson, with Mr. D. Hedges and Mr. Ed. Boniface on the program committee.

## Claremont People Injured in Collision

Three persons were injured one evening last week, when a car driven by Albert Lee of Claremont struck a parked truck on the top of Morgan's Hill, just south of Thornhill on Yonge St. Mrs. Lucy Denby of Claremont was cut and bruised about the body and her daughter, Diane, eight, suffered shock and several teeth knocked out when she was hurled against the windshield. Lee was bruised and suffered shock. Provincial Constable Arthur Harrison stated that John McQuade of Richvale was the owner of the parked car.

### NORTH PICKERING RED CROSS NEWS

Mrs. James A. Fuller, secretary of Bayham Branch, wrote interestingly that Brougham's gift of money had enabled them to make 1400 lbs. of jam for overseas, and that they received letters occasionally saying how much it was appreciated.

The 10c-a-week Club collected \$4.40 for the January collection, not quite up to the usual amount due to less attendance on a blustery cold day.

Mrs. W. Birkett reported the shipment of a nice amount of work from Claremont unit, during the week. Transportation of materials and garments is becoming difficult these days.

Mrs. C. Burrows, Brougham, had another heavy turtle-neck sweater ready for Red Cross at the W. I. meeting on January 9, made since the new year, this lady's knitting achievement is truly staggering.

## Pickering Constable Irvine Gets Another Boost in Salary

Pickering Township Constable John B. Irvine will receive \$1800 for his services in 1945, plus 6c per mile for his car, which is an increase of \$360 more than he received in 1944.

Constable Irvine appeared before the township council last week requesting an increase in salary. Mr. Irvine also presented council with a bill for \$47 for a new desk for his office which he had purchased. The account was passed for payment.

There was considerable discussion over the request for an increase, and a motion by councillor Frank Disney, seconded by Councillor Milton Burk to shelve the matter until it could be given more consideration, was defeated.

Constable Irvine quoted to council, salary allowances being paid Provincial Constables in contending that his services warranted an increase. However, present salary is the highest ever paid by this council. Constable Irvine started at \$1200 and paid all his expenses four years ago.

## "Ike" Harper Gets Lone Tally in Close Game at Uxbridge

Brougham Takes 1-0 Win Over Oshawa in Opening Hockey Tilt in South Ontario League

Brougham Bearcats scored their initial win for the season in the South Ontario Hockey League on Thursday night, when they nosed out Oshawa Juniors 1-0 on Uxbridge ice.

Only one goal was scored in the hard-fought struggle and that came with just 10 seconds to play in the first period while Scott of Oshawa was serving a penalty. The pressure was on in earnest at the Oshawa end of the rink and finally "Ike" Harper who hails from Stouffville, clicked on the shot that Reddoch didn't see until too late.

Incidentally, the Oshawa goalie played a standout game throughout and was himself responsible for keeping the Brougham team's scoring success limited to one lone tally by his brilliant saves. The Brougham team, having a definite edge in weight and size, had an edge in play most of the time.

Both teams had plenty of scoring chances of course, despite the close-checking tactics employed. A. Boadway, at the other end of the rink, was also in stellar form to gain a shutout.

**BROUGHAM:** goal, A. Boadway, defence, Spencely and Harper; centre, J. Todd; wings, Paisley and Reesor; alts., Redshaw, DeRusha, Disney, Clark, G. Todd and Simpson.

**OSHAWA JR. BEES:** goal, Reddoch; defence, Bathe and Dell; centre, Elliott; wings, Bradley and Tyson; alts., Mackie, Crawford, Scott, Burnett, Bone and Farrow.

**First Period**  
1. Brougham, Harper ..... 19: 50  
Penalties—J. Todd and Scott  
**Second Period**  
No scoring.  
No penalties.  
**Third Period**  
No scoring.  
Penalties—DeRusha, Farrow and Mackie.

### REACH RESIDENT IS FOUND DEAD

Believe William Armstrong Suffered Heart Attack—Lived Alone.

According to Crown Attorney A. F. Annis, no inquest will be held into the circumstances surrounding the death of William Armstrong who was found dead on January 5 in his house on the 1st concession of Reach Township just north of Little Mud Lake where he lived alone. Armstrong, who had been living in one room of the house, was found lying dead on the floor by County Constable George Till of Uxbridge after his continued absence from the store at Myrtle had aroused suspicions.

Constable Till, who was called to investigate when the storekeeper at Myrtle noticed that Mr. Armstrong, who had been in the habit of coming to the store twice a week, had not been there since before Christmas, broke into the house to find the man lying on his back on the floor dead. Constable Till said that all the doors in the house were locked on the inside and while he didn't notice any fuel in the house there was a supply of food. He said that Armstrong was of a retiring nature and had always been afraid of fire.

Dr. G. W. Rennie of Port Perry, coroner, said that the man's death was probably the result of a heart attack.

A bachelor, the deceased, who was a man of about 50, had lived on his small farm most of his life. While he lived only about half a mile from the highway and was within 60 rods of the nearest neighbour, the road past his house was blocked and Constable Till said that there would be no one passing the house. On account of the condition of the road, Mr. Armstrong

### WIDELY KNOWN WHITEVALE MAN DIES IN TORONTO

The heartfelt sympathy of the village of Whitevale is extended to Mrs. Ernest Thornton, whose husband passed away in the Toronto General Hospital last week after a lingering illness.

Mr. Thornton was one of the older citizens, and as a boy, Whitevale and its surrounding country was his home. He grew up there, and married a Miss Lillian Major, whose relatives in the country were many. One of her brothers was the late Mr. Wm. Henry Major, and a sister of Mrs. Thornton was the late Mrs. Whitson, who was known to the younger folk in the village. Mr. Thornton's family was a large one, and Mrs. Ida Metcalfe was a younger sister.

In later years, Mr. Thornton resided in the province of Nova Scotia where he had business interests. As he was in ill health he planned to remain in Ontario and build a home for himself and his wife adjoining that of his sister Mrs. Metcalfe.

Mr. Thornton will be greatly missed by his friends who had just begun to renew their acquaintances when Mr. Thornton was called away.

# MARMILL Fleshing Pellets

ANALYSIS: Protein-16%, Fat 3%, Fibre 7 per cent Marmill Fleshing Pellets can be adopted to practically any poultry feeding schedule, regardless of what mash-ens are being fed. They are a supplementary feed, supplying the added proteins, minerals and vitamins that birds which are moulting or are in heavy production will need to keep up body weight and maintain their health.

Marmill Fleshing Pellets, three to five pounds per hundred birds daily, provide a real flesh-building food to meet the needs of birds in moult or heavy production. They whet the appetite and build up sound flesh, not fat. Fat is more quickly and easily put on, but it is also more easily lost. Fat birds do not lay well. Therefore, birds in production need a flesh-building supplement to help keep them in top condition. Do this by feeding MARMILL FLESHING PELLETS. Watch the added health and production of your flock within a few days. These pellets will make them eat more heavily, which in turn will make them lay more heavily.
