Friends of Miss Stark of Toronto will regret to learn that this lady has suffered a very severe stroke. Miss Stark, it may be remembered, is a sister of the wife of a former pastor of the Baptist Church here, Rev. Chas. King, and she resided at the parsonage.

Mr. and Mrs. Bert Gibson of Oshawa visited at the home of Mr. and Mrs. Chas. Hardy on Saturday. Mrs. Nelson Wagg is visiting with her daughter and family, Mr. and Mrs. Alex Morgan of Sarnia.

Geo. DeRusha is recovering from a nasty facial cut which he sustained while playing hockey with Brougham last week.

Mrs. Mary Rawson's daughter-in-law, wife of Dr. Don Rawson who lives in western Canada gave a short talk over the radio recently on the topic, "Post War Work."

The prayer service of the Baptist Church will be held on Friday evening at the home of Mrs. John Coates.

Loss Hill who has been working at Ajax has been home for a time through ill health.

Rev. I. E. Kennedy was absent from his pulpit last Sunday, being visiting minister to a congregation near Leamington.

The World Day of Prayer will be held on Friday afternoon, Feb. 16th, in the basement of the United Church.

Carol Johnston, seven-year-old daughter of Mr. and Mrs. Mel Johnston of the 9th concession has been removed to the Sick Children's Hospital for observation. The little girl is suffering from a nervous condition.

Mrs. M. Williams is recovering from a broken leg which she sustained when she took a tumble in her home in North Claremont in the fall. Mrs. Williams is now able to be about on crutches, although she is still carrying a cast.

The service of the World Day of Prayer will be observed on Friday afternoon, Feb. 16th, at 2:30 o'clock in the Sunday School room of the United Church. The Baptist Women's Mission Circle and the United Church Women's Missionary Society will be in charge. All the ladies of the community are invited to join in this service of prayer.

The Women's Missionary Society of the United Church held its monthly meeting on Tuesday, Feb. 8th, at the home of Mrs. Wm. Palmer. Mrs. T. Condy's group was in charge of the program. The worship service was conducted by the Pres. Mrs. F. Forsyth and Mrs. Roy Ward, with Mrs. Walter Ward at the piano. Plans were made for the service of the World Day of Prayer to be held in the United Church on Feb. 16th. After the business period reports on Temperance by Miss J. Pilkey on Peace by Mrs. Rawson and on Christian Stewardship, by Mrs. Wm. Palmer were given. Mrs. D. Gregg very ably presented a chapter in the study book, "The Church in the Philippines."

A Chance to Help
Some group or organization has a fine opportunity to help in the boys' work of the Claremont community, by assisting with financing the transportation of local boys to the Stouffville Cadet Squadron. The group of boys who are taking advantage of this training has grown from six to fifteen. For over two years, the Stouffville Lions Club, sponsors of the cadet work, has paid the transportation costs of these boys from Claremont. This has amounted to some \$200, and it is felt that the people of Claremont should assist in this work which is giving such excellent training to their boys. A meeting of the Civilian Cadet Committee is scheduled for this Friday evening, and the matter will be discussed at this time, it is understood.

CORRECTION
In last week's account of the Pickering Council an error was made in the statement of increase in salary of the Road Supt. Mr. Ward will receive \$1500 and \$900 for car expenses this year, not \$1500 and \$500 as previously stated.

NEW CORONER FOR ONTARIO COUNTY
Dr. R. B. E. Wilson of Uxbridge has been made coroner for Ontario County, owing to the death of Dr. Walter Shier, who held the position for 25 years. Dr. Wilson is a veteran of the last war, and enjoys a large practice in the Uxbridge district.

Brougham Defeated 4-3 in Overtime

Whitby Intermediates battled through to a 4-3 overtime decision over Brougham "Bears" Friday night in Uxbridge to move up into second place in the S.O.H.L.

The Whitby team were paced by defenceman Walt Brown who scored the hat trick. After a scoreless first period Brown countered midway through the second frame on one of his now famous shots. In the overtime session Brown added two more timely tallies. One was scored in a similar manner to his first goal while the last one which won the game was a backhand off Willis' pass that gave the Bearcat goalie, Boadway, little chance.

In the dying minutes of the second stanza Derusha combined with Harper to tie the score. After only a minute and a half of play in the third frame Art Bradley pushed Whitby out front again when he tallied on a beautiful solo rush. The Bears were not behind for long though for at the 5:40 mark Clark unassisted goal made it 2-2.

The rest of the period was a sea-saw battle with plenty of action in both ends. Harper's boarding of Art Bradley resulted in a fight and both offenders were thumbed off by referee Max Reesor for five minutes.

Both sides made desperate efforts to break the tie but were unsuccessful. The main reason for this was the stand-out goaltending of both netminders.

In the extra period Brown's two goals, one at 2:01 and one at 7:30 gave Whitby their victory. Brougham's efforts to counterattack were not fruitless, however, as Harper scored unassisted at 8:02 but the time ran out before he could score again. For Whitby the stars were Brown, Willis, Art Bradley and Al Bradley, while for the losers Derusha, Harper and Simpson played a stand-out game.

THIS NEW TYPE OIL SAVES YOUR ENGINE 2 WAYS!

FAST FLOWING, it puts a protective oil cushion between "dry" parts the second you start. Thus it helps reduce starting wear which can cause up to 1/4 of all engine wear!

TOUGH BODIED, Golden Shell resists forming sludge and carbon under the heat of steady high speeds.

Golden Shell is made in a new way that takes the "bad things" out of oil. Sold in sealed bottles—sold at a price below the other premium quality oils.

CEDAR CREEK SCHOOL COMPLETED

The Cedar Creek School, east of Claremont has been completed with the exception of bricking, and the teacher and pupils have taken up their new quarters. The new building which replaces the one burned down last fall, is plastered and insulated, and gives much greater warmth.

Dental Survey Being Planned

Commenting on the annual report of the Board of Health for Pickering Township, Medical Health Officer, Dr. N. F. Tomlinson stated that a Dental Public Health survey would be undertaken in the township about April of this year. It was hoped he said to increase the number of complete physical examinations for school children, and to increase the infant welfare work.

The report showed the township with a population of 5,348. The total expenses of the Board of Health were \$2,629.60 of which \$1850 was for salaries and \$235 for treatment and control of disease.

Three epidemics were recorded during the year with the following number of cases, 31 cases measles, 28 mumps, 43 of whooping cough and 1 death from infantile paralysis.

There were 103 school children received diphtheria toxoid, 21, scarlet fever, 277 small pox and 103 whooping cough. Twenty-one schools are served by the Public Health Nurse, Mrs. Gordon, and these have an enrolment of 915 elementary pupils and 67 secondary pupils. The Continuation Schools in the township received a test for tuberculosis.

There were 370 home visits made by the nurse, and 67 classrooms inspected for communicable diseases. A number of physical defects were found, and corrections given.

Since the beginning of the war the tonnage of freight carried by the railways in Britain and the average length of haul have both increased so that the work done by the railways measured by net ton miles has risen by about 40 per cent.

Pickering Township to Purchase Two New Trucks

Set Road Appropriation at \$42,000 for This Year.

At a special meeting of Pickering Township Council held at the municipal building on Monday, it was agreed that two new trucks should be purchased. Both are International make, the one a K7 model, to cost \$3,588, and the other a K11 model to cost \$7,222.76.

This latter model is a heavy truck to plow snow, and both will be fitted with dump boxes so that they may be used for gravel hauling in the summer.

As stated at previous meeting by Road Supt. Ward, the present township truck and grader has seen a record number of hours' service, and it was imperative they should be renewed and augmented by some more satisfactory snow-plowing equipment as soon as possible.

The road appropriation total for 1945 was set at \$42,000 which is an increase of \$14,000 over the appropriation of last year. The figure set was made up as follows, road construction \$3,500, bridge construction \$2,800, machinery \$12,200, superintendence \$2,500, maintenance and repair \$21,000.

Fifty per cent of this amount is borne by the Dept. of Highways.
