Brougham Ties Whitby to Take Round 7-2

Whitby "Bandel Bees" Intermediates fell by the wayside on Monday night as Brougham Bearcats battled them to a 1-1 tie on their home ice and advanced into the S.O.H.L. group finals. Brougham's 6-1 victory in the first game of the series gave them a 7-2 margin on the round and qualifies them to meet Oshawa Intermediates for the group championship.

For fifty-five minutes and fifty-three seconds the game was scoreless then a Whitby defenseman cleared the puck from behind his net out to Clark at the blue line and the Brougham forward rifled a shot into the twine. Burkatt had no chance on the play as players from both teams blocked his view, Brougham's lead was short-lived, however, for only two minutes later Harden tied the score by pushing the rebound of his own shot under Boardway and made the red light blink.

The game was a scrambly affair. Soft ice practically prevented any organized system of passing so both teams resorted to the "shoot it and go after it" style of hockey. As a result, both goaltenders were kept busy. In the opening session, Whitby outplayed the visitors. Brougham missed an opportunity to score when Harden was banished for tripping and the period ended scoreless. The second frame saw Brougham's attacks become stronger, and the play evened up. Both squads began to check heavy and the game became rougher.

The third period was even rougher and to keep the game under control referee "Peg" Hurst thumbed off five offenders during the 20 minute session. Brougham missed a golden opportunity to forge ahead when Willis and Vipond were banished only 10 seconds apart. Before these offenders had finished their term on the sin seat Derusha and Bradley joined them. Whitby held off Brougham's renewed attacks and it began to look as if the game might go scoreless. However, at 15:53 Clark broke into the scoring column and at 18:50 Harden made the final tally of the night.

For the winners, Clark, who scored their only tally, starred. He made many fine but unsuccessful rushes throughout the game. Simpson and Derusha also played well and Boardway guarding Brougham's nets did much to keep the score at a minimum. For the losers, Watson, Harden and Willis were the pick of the team with Burkatt playing a nice game in the nets.

Details are now available of the progress made in the Central Food Department's scheme to provide storage for imported grain at the main ports and in provinces for grain acquired under the Government's Basic Food Plans. The total central capacity, at present existing or in sight, is 220,000 tons. Allowing for turnover, every 3 months this storage could accommodate Central imported reserves amounting to nearly one million tons in a year, in Great Britain.
