

# Local and Personal Happenings

Leading Wren Aurelia Jennings is enjoying a furlough in New York city, from which place she called her parents by telephone the other evening.

Leading Wren Kathleen Turner, daughter of Mr. and Mrs. Lloyd Turner is enjoying two week's leave at home with her parents from her Navy post at Quebec.

**Special at Wideman Church**  
Dr. J. Bruce Beare of Toronto, will be guest speaker at Dickson Hill Young Peoples' meeting on Tuesday, March 13th, at 8 p.m. A cordial welcome is extended to all.

There was no skating at the Stouffville Arena last Saturday night, which is the first break in the weather necessitating a calloff of this popular Saturday night amusement.

Mrs. Herbert Mitchell was out from Toronto on Friday. Former resident of Musselman's Lake Mrs. Mitchell is pleased to meet many old friends on her occasional visit to Stouffville.

Mr. and Mrs. Don McCrae were Sunday visitors with Mr. and Mrs. Jas. Porter, Victoria St. Don was a former member of the Bank of Commerce staff here and is now stationed in Toronto with the R.C.A.F. His wife is a western Canada girl.

Keith Steckley who makes his home with Mr. and Mrs. H. J. Malloy while attending High School here, was threatened with pneumonia last week, but is steadily improving this week. His friends will be pleased to learn.

Markham village council has ordered seven and a half tons of calcium for use in keeping down the dust on their streets this coming summer. Locally, the municipal council must make a decision between calcium and oil, and would welcome the views of any interested citizens in the meantime.

**School Choir to Sing at United Church**

The Senior Choir of the Stouffville High School will occupy the choir loft at the United Church next Sunday morning. Under the leadership of Mr. L.C. Murphy, the senior students gave several impressive renditions at the current Commencement Exercises, and in case you failed to hear them, this will be an opportunity for you next Sunday morning.

Mrs. Will Birkett is in Port Perry this week visiting with a friend who is ill.

Mr. Clayton Stouffer has been serving on jury in Toronto the past few weeks, and found it quite an interesting vacation.

**Stanley Theatre to Have First-Run Film**

The Stanley Theatre, Stouffville and Loews, Toronto will this week feature the first-run M.G.M. film, "The Thin Man Goes Home", starring Myrna Loy and William Powell, not omitting that popular terrier, Asta. Patrons of the local playhouse must appreciate the fact the latest in pictures are being contracted for right in their own town.

Has the time again arrived for merchants to be on guard against burglars. Last week in one night three places in Port Perry were broken into, Jackson's Implement Shop, Beare's Motors, and Gerrow's Bakery. At Beare's they stole a car and drove it to Toronto where it was found on St. Clair avenue west, while at the other two places they obtained cash, and threw things around in general disorder.

All night parking of motor cars on the streets in Port Perry is receiving the attention of the council of that place, indicating that the problem of one town is much the same as that of other municipalities. Cars should not be left over night on the streets unless parked well out of the line of traffic, and at that owners assume considerable risk.

As a result of the rebate obtained from the Hydro System the usual domestic billing ordinarily going out at the end of March will not be issued, since everybody's bill will be more than paid by the rebate due them. The next billing will therefore be the June account, and this too will be covered by the rebate for most customers, according to their consumption in 1944. Some customers will not have used up all their rebate even at the June billing, it is estimated.

**BLOOD DONOR CLINIC TODAY**

The Red Cross Mobile Blood Donor Clinic will be held today (Thursday) at Markham, from 8.45 until 12.00 noon. If you can give, your donation is needed. Come!

**Spring Planting!**

One of the first spring gardeners of whom we have heard in town is Mr. Harry Stouffer. Mr. Stouffer removed some of the snow from his garden one day last week and planted some sweet peas. He reports the soil easy to work. In addition the berry bushes in the Stouffer garden are showing green shoots near the base, so it looks as if it won't be long now.

Stouffville High School has reverted to fast time after trying out a different system that would tend to accommodate the hours of many students, but it is found advisable to make a change again. The whole thing is a "headache" to teachers and parents and will be so long as fast time is the standard over the country. Probably another term the Dominion Government will do something about adopting standard time again, and thus make it more satisfactory for the winter season at least. Fast time seems to be all right for many during the summer season, but no one approves of it in the winter.

**Lions to Hold Ladies' Night**

Stouffville Lions Club will entertain the ladies at their regular supper meeting next Monday evening at the school building when the Mayfair Restaurant will again cater to the supper. An interesting program includes a quiz, and other entertainment as well as several solo numbers. Mrs. Neil Smith, wife of Dr. N. C. Smith, who is now in Toronto, will be present as guest of the Club and probably give a short talk at the meeting. Being close to the 17th of March, the affair may take the turn of an Irish Night.

**With the Traveling Public**

A lady passenger on the C.N.R. train from Toronto to Stouffville one evening last week, was reported as a bit "tipsy," and accordingly loudly proclaimed her destination as Stouffville. She provided considerable amusement if one is permitted to laugh at the fair sex in this condition, yet not a single one of several Stouffville people on the train recognized the would-be resident as of local origin. Whether observers were mistaken or not about the lady's condition, she made no mistake in declaring she was bound for Stouffville, because this proved her destination, but we shall leave her in charge of Stationmaster Bob Johnston.

**Cub News**

We had our usual Cub meeting on Friday night, March 2nd with 19 present. We welcome Ronnie Wilson as a new cub. We are planning a Parents' Night soon and also hope to have our first Star Test finished by the first of April. Cecil Andrus, C.M., Walter Pipher, A.C.M.

**Buys Town House**

Mr. Stewart Stouffer, who is retiring from the farm owing to ill health, has purchased the residence on Albert street owned by Mr. James Ratcliff, and occupied by Mr. and Mrs. F. Innes. It is expected that Mr. and Mrs. Innes will ultimately locate in Manchester or Brooklyn since Mr. Innes is in business at the former place. When that time comes Mr. and Mrs. Stouffer will move to town to reside in their newly acquired house.

**Want to get Married?**

Recently this paper turned down an advertisement with the heading "Want to get Married," and coming from a matrimonial bureau. Now we learn that the individual ordering the advertising, a Dr. West of Juliaette, Idaho, has not sufficient good standing that would entitle him to a line of credit in the press. The nature of his advertising didn't appeal to the publishers anyway. In fact the one and only couple of our acquaintance who mated as a result of newspaper advertising didn't make much of a success of the job, consequently we wouldn't like to be the means of bringing couples together for this purpose, since we have enough unavoidable troubles to answer for now.

## Install Diesel Engine on Maintainer

Markham Township Council recently installed a 42 horse power Diesel engine in their big grader replacing one that had seen its best days and could not longer chop the work required. The council consider themselves extremely lucky in being able to secure this new engine at the present time. A new maintainer is impossible to obtain, and somehow councilors learned of the existence of this new engine, when with a lot of persuasive power they were able to obtain a priority order and secure the coveted machinery without great delay. It is now reported doing a grand job on the township roads.

## Many Auctions Coming in March

A. S. Farmer, auctioneer, will conduct three sales this week, including the auction sale on the farm of Edward Evans north of Claremont for which splendid weather prevailed on Tuesday. Then on Wednesday he handled the A.E. Staley sale north of Goodwood, while on Friday he will be in Brock township near Blackwater for Leslie Nugent who is giving up farming. Next Tuesday, March 13, he will sell for T.M. Evans three miles west of Brooklin.

Today, (Thursday) Clarke Prentice will swing the hammer over the dishes, furniture, and other articles, belonging to W.A. Boyington, a mile east of Markham village on the highway. The 150 acre farm will also be offered Mr. Prentice announces.

Sellers & Atkinson come into the ring on Wednesday, March 14 with a big sale on the 8th concession of Markham for Fred Banks who is retiring after many years a successful farmer. Everything must be sold, and if a reasonable bid can be obtained the farm of 100 acres will also change owners, since Mr. Banks is anxious to make a sale. The place is well located on the highway between Stouffville and Markham, with bus service at the door, also hydro on the premises.

However, watch for the entire list of each and every sale which will be published in this paper, also refer to the sale register for brief announcements.

**Won Certificate for Bravery**  
A certificate for outstanding good service, bravery and great devotion to duty during the campaign in England and on the Continent has been awarded to Bdr. E. G. Jeffery, formerly living with Mr. H. W. Moorby of Gormley. The certificate is personally signed by Field Marshal Sir Bernard L. Montgomery, C.Q.M.S. "Ernie" as he was known among his friends enlisted in 1939 and has been overseas ever since. He is a veteran of the last war.

The new date for the Annual Convention of the Markham Township Sunday School Association postponed from January, is Thursday, March 29, and will be held in the Victoria Square United Church. Dr. George Little of the United Church Publishing House, Toronto, an outstanding Temperance speaker, will give an address in the afternoon and the Rev. J. E. Mallis, internationally known Bible Conference speaker, will speak at both the afternoon and evening sessions. Special singing has been arranged for the day.

Mr. and Mrs. Duncan Heise of Toronto were weekend visitors with Mr. and Mrs. M.E. Watts.

"Good as a letter from home," writes Mr. and Mrs. E. Honsberger of Waterloo, in renewing their Tribune subscription, while reporting that their copy arrives regularly each week. Friends will be glad to know the Honsbergers are well.

Mr. and Mrs. Sam Adams who have been living at Bethesda, where Mr. Adams was herdsman for the Brown farm where the world famous cow made her great record, moved this week to Cheltenham in the Brampton district to take on a similar job for a farmer in that district.

Rev. Chas. McGrath of Kapuskasing, former Stouffville pastor, will be here next Sunday and will occupy his old pulpit in the Baptist church for the evening service. His many friends will be glad to greet this former resident, who left here in 1937 to take up pastoral work in Northern Ontario. Rev. McGrath was succeeded here by the present incumbent of the office Rev. D. Macgregor.

## Again THE RED CROSS ASKS YOUR HELP TO HEAL A WAR-TORN WORLD GIVE!

• Wherever the great destroyer, War, has passed, pain, suffering and sorrow follow in its wake. Young men on the battlefield or in hospitals are tormented by sickness or wounds. Little children, mothers, aged people are homeless, hungry, cold. In every theatre of war, whole cities lie in ruins. Millions are suffering the pangs of disease, starvation and dire want.

So the Red Cross will continue to reach out a helping hand. It must heal

and comfort our own sick and wounded. It must send food, clothing, medical supplies to war-torn lands.

And the Canadian Red Cross will answer this urgent call. For the Canadian Red Cross is you and your friends and your neighbors, and all the good folks up and down this fair Dominion of ours. You will send help—yes, life itself—to the stricken people of other lands. You will stand staunchly behind your Red Cross, and—GIVE!
