Stouffville Bride to Live at Atha

At the parsonage of the Congregational-Christian Church in Toronto Miss Edna May Wagg, formerly of Stouffville, became the bride of Ernest Ellsworth Carruthers, son of Mrs. Carruthers and the late Arthur Carruthers of Pickering township. Rev. C.H. Way officiated. The bride was attended by Miss Dorothy Weir of Toronto, and the groomsmen were Constable Stewart Martin of Newmarket, brother-in-law of the bride.

A reception was held at 63 Westmoreland avenue after which the young couple left for their home on the Carruthers farm at Atha.

8th Line MARKHAM

Miss Margaret Andrews of Oak Ridges spent the holidays with her aunt Mrs. Alvin Wideman.

Mrs. Edgar Snyder of Waterloo spent Easter with her daughter Mr. and Mrs. Walter Byer.

Miss Agnes Ford of Toronto is visiting with friends along our line.

Mr. and Mrs. A. Blizzard who have been managing a farm near Pickering for the past couple of years have given up the position and are returning to our community. Mr. Blizzard expects to build a house on the farm this year.

Mrs. Reg. Kirk and daughter Helen were visitors with J. Kirk's last Thursday.

The Good Neighbors Class met at the home of Mrs. Albert Reesor on Tuesday of last week.

Mr. Nelson Hunsberger, Mr. and Mrs. Albert Hunsberger and son George visited with A. R. Wideman's over the holiday.

Farmers in this locality are just now very busy with seeding operations and if good weather continues the job will be pretty well completed by many this week. The land seems to be working up very good.

The wedding of Miss Mary Burkholder of Box Grove to Mr. Good of Kitchener was solemnized in the church at Cedar Grove on Wednesday of last week and was attended by a number of friends from this line.

We are sorry to learn of the illness of our old friend and neighbor Mrs. Quantz and trust she may soon be restored to good health again.

Rural Hockey Trophy Presented

Over two hundred attended the banquet of the rural hockey group which operated in this district and played their games in Stouffville Arena last winter. The affair marking the season's close was held in the Stouffville High School.

Rev. Norman Rowan acted as chairman and presented the hockey trophy, donated by Don Ratcliff to Jack Warner, captain of the Peachs club. Peachs will hold the trophy for half the year, while Vivian will be in possession for the other half. These two teams tied the championship and were unable to break the deadlock owing to the lack of ice. Referee E. McNally, was presented with a windbreaker for his services.

There was plenty of music and singing, while the banquet provided a fitting climax to a good sports season.

The Stanley Theatre under new ownership will open every evening at 6.30, with two showings each night.

Everything Sells Well at White Sale

The Thos. White sale on the 6th concession of Markham was featured by the steady high level of prices obtained throughout the selling by Clarke Prentice, auctioneer.

There is a strong demand for tractors on rubber, but tractors on steel are not to be despised. One sold at this sale for \$975 and the buyer came all the way from Bowmanville district to make the purchase.

The best seed drill brought \$155, while a second one of ancient vintage which Mr. White bought some years ago for \$15 went for \$47 at this sale.

A veal calf went at \$41, while a cow and calf brought \$157. Pigs are still keenly bought, feeders going for \$21.75. The sheep market rather dull didn't look bad when ewes brought \$17 each. The sale totaled \$5,700, and the family are anxious to acknowledge the splendid help of neighbors at sale time.

Snow Costs were High in Uxbridge

The Uxbridge Township Council met on Monday afternoon, April 9, all members being present.

The business before the council was rather light, the main business being the passing of the March road account of \$4,460 of which \$3,719 was in payment of bulldozer rental for opening roads in that month. This makes the total cost of snow removal to exceed \$5,000 since January 1st.

The Clerk, who is also Township assessor, gave to the members of council a detailed explanation of the method that will be used to arrive at assessment values under the new system that has been set up by the County assessor, and gave a practical demonstration by setting up the assessment values on the property of one of the council members. Every property in the Township will be surveyed and examined, and in the case of farms the soil will be classified and valued according to such classification. All buildings will be measured and valued according to unit values. Age of buildings, location of properties with regard to access to good roads, markets, schools, etc. will be factors in determining values for assessment purposes. This system will be used by all of the municipalities in the County in order that all assessments may be equalized for county purposes, and it is expected that three years will be required to complete the setting up of the system.

The council arranged to make a survey of the Township roads commencing on Tuesday, April 10.

General accounts amounting to \$152.00 were passed for payment and the date for the next regular meeting set at May 14th, at 8 p.m.

4th LINE UXBRIDGE
