An unfortunate accident occurred on the Brock Road just north of Claremont on Sunday evening when Mr. "Chub" Spenceley failed to negotiate a turn in the road and took to the ditch. The truck, one of very recent vintage, was badly smashed, while Chas. Redshaw who was a passenger in the vehicle sustained a sprained arm and the owner and driver suffered cuts and bruises. Ratepayers are pleased to see the roadside weeds in the village have been cut despite the help shortage. Henry Johnston did this job and the cost was approximately \$16.00.

### Pickering Surmounting Weed Nuisance

Despite the numerous complaints which came before Pickering Township Council at their regular session in Brougham on Tuesday, the council is steadily surmounting the weed trouble, and had a large number of weed cutting accounts and the Weed Inspector to back up this claim. Township farmers are paid 40c an hour or 90c an hour with a mower to cut the weeds on the roadside. Weed Inspector William Ellicott told council that he had entered several properties to instruct the owners to cut the weeds on their places owing to complaints. John Scott waited on Tuesday's meeting to request a donation for Markham Fair and \$25 was granted. Mr. I.
