Jack O'Boyle Prominent Livestock Man Dies Suddenly

Mr. Jack O'Boyle, of Stouffville, prominent live stock dealer, died suddenly on Tuesday while on a business trip to Belleville district. Mr. O'Boyle left Stouffville shortly after noon hour and drove to the village of Stirling where he made his headquarters on his frequent trips to the eastern district buying cattle and hogs. He was in the restaurant and had ordered his supper. Then he took a glass and proceeded to the kitchen for water when he slumped on the floor and was dead.

Dr. A. E. Carleton of Stirling, coroner, turned the body over to Dr. McKay of Belleville, pathologist, and an autopsy was conducted. L. E. O'Neill, local undertaker here brought the remains back to Stouffville on Wednesday afternoon.

The funeral from the late home just east of town will be held on Friday afternoon, Sept. 21st, at 2.30 o'clock. Interment will be at Stouffville cemetery.

Son of the late Daniel O'Boyle, John was 52 years of age and is survived by his mother who resides with a daughter at Islington. He married Edna Empingham, widow of Clarence Glover, who survives together with a young son Walter. Two sisters are (Nellie) Mrs. John Alfred, and (Marry) Mrs. W. D. Wells and an only surviving brother Norman O'Boyle is a local butcher.

The late Mr. O'Boyle has been in rather delicate health, and was known to have a critical heart condition, but he was very energetic and found it hard to be idle.

Lieut. Wesley James Reaches Home

Flight Lieutenant Wesley James (formerly of Goodwood), and Mrs. James arrived in Stouffville Sunday morning to visit his mother, Mrs. Nettie James, Main street. Since returning from overseas where he spent two years on coastal duties Wes has been enjoying holidays at the home of his wife in New Brunswick. He has been 4½ years with the R.C.A.F.

His brother Ronald James a navigator instructor has recently been discharged and is taking up a senior matriculation course at a rehab. school in Toronto.

Canned Whole Beef for European Relief

It was purely by accident that the press learned this week that the members of the Old Order Mennonites in the Stouffville district had just recently killed a beef and canned the whole meat production for shipment overseas to those who are in such dire need in the war devastated country. The church has a distributing officer in Europe who will see that the goods shipped are properly disposed of.

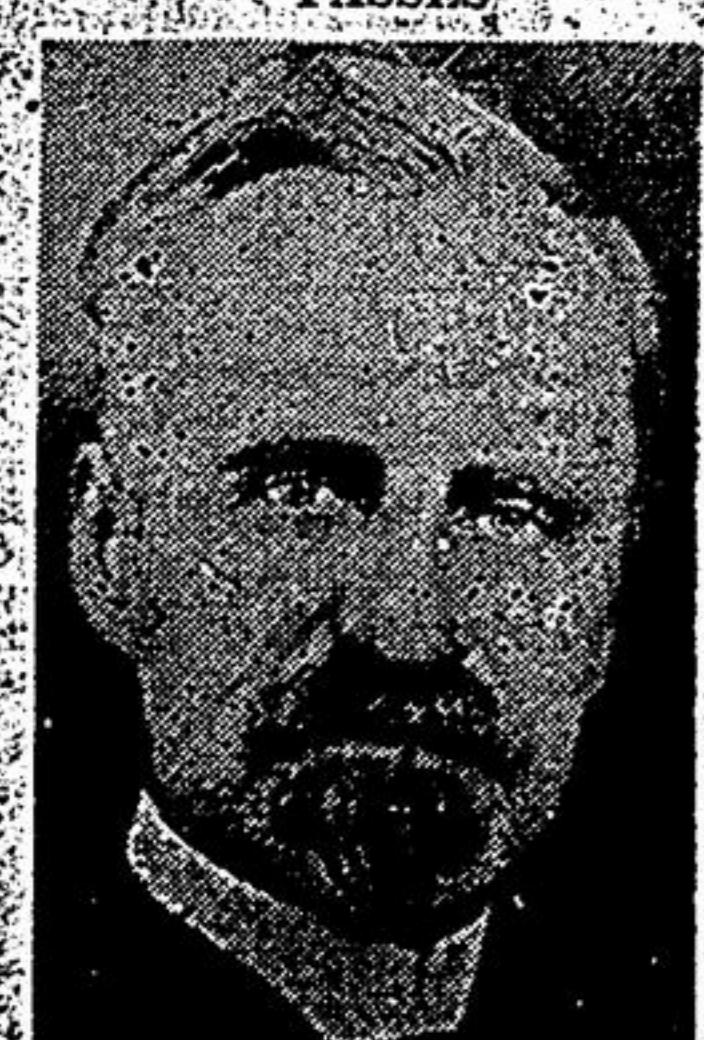

Incidentally, it might be stated that this same group of people have a sewing circle, and when they meet 40 or 50 members are on hand to make over and make new goods for this same cause.

This work has been going on since the beginning of the war, but little is known about it, since the members of the faith are not given to letting their right hand know what the left hand doeth. The old order of Mennonites have three churches in this locality, one on the 5th concession of Markham, one on the south or Scarborough townline on the 11th concession, and then there is the church at Altona.

HOPES SIGHT WILL BE RESTORED

Mr. D. W. Raymer of Markham village has had a cataract removed from each eye within a month, and after being unable to see for over a year, he anticipates being able to read once again. His friends will wish him every success in regaining his sight again. Mr. Raymer will be 86 in November.

PASSES

J. M. Walton of Aurora, well-known through the county, died last week in his 83rd year.

SAFE

Allen Harper, son of Mr. and Mrs. Ross Harper, 6th concession of Whitchurch, is safe in

Allied hands according to a cable received Tuesday evening by his parents. Allen was taken prisoner at Hong Kong, and only scant news of his condition as a Japanese prisoner of war has come through to the anxious parents. Last week Mr. and Mrs. Harper received several letters from their son, but all were dated over a year ago, and only on Tuesday did official word reach them from Ottawa of his safety. The cable was dated Sept. 9th, which may mean that Allen is due to arrive in Canada at any time.

Mrs. Massey, son and daughter were here from Oshawa at the home of Mr. and Mrs. George Lee last week.

Two Bad Motor Crashes Send Three to Hospital

Three Unconscious as Cars Crash at Lemon- ville — Truck Collides with Horse and Buggy at Ballantrae

When two motor cars were in collision at an intersection on the 7th concession of Whitchurch, just north of Lemonville on Saturday afternoon, three persons (all the passengers in the two cars) were rendered unconscious and might have been left in a bad condition for some time had not a little girl heard the crash and sounded the alarm. Phyllis Claughton, daughter of Mr. and Mrs. Norman Claughton on the Dan Hall farm just north of Lemonville, heard the impact, and told her mother who went out and made the discovery.

Dr. S. S. Ball was summoned and found the occupants of one car to be Dr. S. S. Crouch and son Tom, of Toronto, who has a summer home at Lemonville and the other car was driven by Ralph Player, con. 2, Whitchurch. Dr. Crouch was the first to regain consciousness but his son Tom, who was the most seriously injured, suffered a concussion and a broken thigh. Player suffered bruises and cuts and was completely knocked out.

Constable Elmer Wells said that when he reached the scene he could not identify any of the injured. All were unconscious. Both Dr. Crouch and his son were hanging out the one door of their car while Player lay two feet from his car. There were no skidmarks which indicated that neither car saw the other. The radio was still going in the Crouch car.

From information put together later it was said that the doctor's car was travelling down the concession line, hauling a trailer with sand in it, while the Player car was proceeding east on the sideroad. Both cars were very badly wrecked and turned over several times from the impact. The occupants of both cars were rushed by ambulance to Toronto where they were taken to the Emergency Ward of the General Hospital. Dr. Crouch who is widely known in Masonic circles, was able to sit up on Sunday. His son Tom suffered more serious injury. Player showed bruises, cuts and is still in serious condition as is Tommy Crouch.

Constable Wells directed cars to be removed. The accident occurred about 5 o'clock in the afternoon and was the third motor crash of the afternoon in the municipality, one other occurring at Wilcox Lake and one at Ballantrae where a truck ran into a horse and buggy.

At Ballantrae Albert Mapes, 85 year-old resident of the 7th of Whitchurch was in the act of putting groceries in his buggy, the horse being tied to the hitching post, when a truck struck him and fairly tore the harness off the animal which was not injured. Mapes, however, had to be removed to the Newmarket Hospital for treatment. He was found to have a broken hip and a broken ankle. Occupants of the truck were two girls and a youthful boy, strangers to the merchant Gib Wright, who was pre-

Local Girl Wins Honors in Four Languages

Unable to speak English six years ago, when she arrived in Canada from Switzerland, Rennie David, 16-year-old daughter of Edward David, 10th concession just south of Stouffville, and Markham High School student, has been awarded the James Harris scholarship for languages. The new Canadian citizen, born in Germany, won honors in English, French, German and Latin during the summer examinations. She plans to enter the University of Toronto this fall to study sociology and philosophy.

Markham Farms Change Ownership

Mr. Herb Bracken has sold his 75 acre farm on the Mount Joy sideroad in Markham township to Mr. Bert Weir of Gormley. The sale price is reported to be \$7,500. Mr. Bracken was a good farmer but is forced to retire from so rugged work. He will hold an auction sale in a few weeks, as announced in the register of sales.

Still another well known farm that has recently changed owners is the Mrs. George Lewis farm of 100 acres just south of Stouffville on the 9th concession. Mrs. Lewis has just sold the place which her deceased husband bought 33 years ago to Mr. W. A. Knee of Toronto, and who farmed with his father at Whitevale 20 years ago. Mrs. Lewis will hold a public auction, and hopes to ultimately locate in Stouffville but at present is unable to obtain a house here.

The Philip Forsyth place at Mt. Joy consisting of two acres with buildings has just been sold to Mr. Chard of Weston, it is reported.

The Helmky farm south of Goodwood, 50 acres, known as the Rodanz place is reported to have been sold for \$33,000.

Millions of people in Europe will surely freeze this winter unless Canada comes to the rescue, and with this knowledge the National Clothing Drive is backed by our government. It is felt that every home in Canada can donate something from a scarf to a used pair of shoes. The needy, 30,000,000 of them, have not had a new dud in five years, and will welcome anything in the line of covering. Blankets and other bed linens, too, are acceptable. Who is there that can not dig up something from the attic or clothes closet?

If every home in Stouffville gives something the depots will have about 400 parcels to handle, not a burdensome job, but then some may contribute half a dozen parcels.

The goal of National Clothing Collection is to obtain a substantial volume of serviceable used clothes that Canadians can spare without replacement. With millions of pounds of clothing forgotten or unused by us, placed at the disposal of the Committee, the goal can be reached of doing a needed job for humanity that really must be done now.

We congratulate Mr. Reesor on his splendid physical fitness and his capable mind. One would never guess he is a man of 70.

Will Reach Eighty This Saturday

An interesting caller at The Tribune office on Monday was Mr. Flavious Reesor who was bent on renewing his paper for another year.

This life-long resident of the district will celebrate his birthday on Saturday, Sept. 22, when he will become an octogenarian for it will be his 80th birthday.

Mr. Reesor enjoys very good health and drives his car with the expertness of a much younger man.

Born at Tiverton, Mr. Cameron

Former Pastor Killed in Accident

Rev. Peter Carey Cameron, Toronto, for many years active in the ministry of the Baptist Church in Ontario, died suddenly Tuesday in hospital at Englehart, Ont., of injuries suffered in a fall. He had been supplying the pulpit of Englehart Baptist Church. For the last 14 years he had been a resident of Toronto. Over 40 years ago he was pastor of Stouffville Baptist Church.

Born at Tiverton, Mr. Cameron was a graduate in Arts of McMaster University and had the degree of B.Th. He had held pastorates in Paris, Kitchener, Windsor, Owen Sound, Orillia, Ridgeway and Humber Bay. He had been active in the Baptist Convention of Ontario and Quebec.

Surviving are his widow, the former Florence M. Gould; three sons Kells M. Cameron, Windsor, Ont.; Rev. Peter Donald Cameron, Little Britain, Ont.; and A. Bruce Cameron, St. Catharines; and a daughter, Mrs. Fred V. Light, New York. Interment was made at Orillia.

OPENS NEW BUSINESS

Mr. Kenneth Waggs, just discharged from the army, will open a watch and clock repair business upstairs in the Spofford block. He will carry a line of jewelry as well. Ken is a son of Mr. James Waggs of Goodwood and became proficient in this line of work during his years in the army.

Delegates Attend the 61st Mennonite Meeting at Kitchener

Announcement of the 61st annual session of the Ontario Conference of the Mennonite Brethren in Christ Church, being held at Bethany Church, Sept. 17 to Sept. 23, was made by Rev. P. G. Lehman, former Mt. Joy pastor, this week.

Delegates from Manitoulin Island, Petrolia, Coborne, Stayner, Owen Sound, Toronto, Markham, Vineland, Waterloo, Stouffville and Gormley districts are expected to attend.

Dr. H. A. Kellerman, of Calvary Evangelical Church, opened the ministerial conference on Monday evening, and was the main speaker. This service, as well as that of Tuesday morning, was devoted to the needs and problems of a minister. Business sessions began Tuesday afternoon, with Rev. R. A. Beach, chairman of the conference presiding.

Reports of work at home and abroad will be given, with general plans for the ensuing year. Of interest is the Thursday night meeting when pastors and workers give oral reports of Christian work done in their respective fields.

The conference concludes Sunday, Sept. 23, with a special conference service in the morning.

Last Saturday the reeve showed a number of Toronto people over the town with a view to securing a suitable building in which to manufacture children's garments.

While the deputation was more than pleased with the town and indicated their desire to locate here, it seems there is not a building available.

Ratcliff's hall, a very suitable place, has only recently been rented, and other negotiations are on for the rental of the upper half of the Gold Fish Supply building, another very undesirable place.

The officials of the company were very definite in their statement that 50 girls would find employment if the firm could find a building in town, and this was enthusiastically received but so far as town officials are concerned they are unable to suggest any available premises.

Would Employ 50 Girls if Factory Premises Found

ANNOUNCE CATTLE RESULTS

Results of the Shorthorn exhibit at the Lindsay Central Exhibition last week were as follows: Grand and senior champion bull, A. C. McDermott, Goodwood; reserve grand and senior champion, Shaw Bros. Peterborough; junior champion, W. A. Gardhouse, Weston; reserve junior champion, F. H. Deacon and son, Unionville. In the female classes the grand and senior champion was shown by John Gardhouse, Weston; reserve senior champion, Shaw Bros., Peterborough; junior champion and reserve grand champion, R. F. Law, Weston. The Dominion Bank tray for the best herd of beef cattle in Victoria County was awarded to Roslyn Fleet of Lindsay.
