That well-matched team of Belgian horses, belonging to Vincent Baker of Altona, and which was a prize winner here at the recent Christmas Horse Show is destined for an Aurora stable to become the property of Mr. Jack Woods. Mr. Woods was very anxious to secure the pair to complete a 4-horse team. The Baker team toured many of the fall fairs winning eleven firsts last summer, and never finishing below second. In addition they carried off two championships. The sale price was \$600.

### W.H. THOMAS, FARMER, BURIED ON FRIDAY

Highly respected resident of the 9th concession of Markham, William H. Thomas died at his home five miles south of Stouffville on Dec. 25th.

Deceased was a faithful member of St. Andrew's Presbyterian Church, Markham, but due to ill health had not been seen in his accustomed place of late. Death was due to a heart attack.

Surviving is his wife, the former Mary Elizabeth Robb, also by two daughters Dela, (Mrs. Abidiah Peacock), Ida (Mrs. Robt. Trimmell), and one son Herbert W. Thomas at home.

The funeral proceeded to St. Andrew's Church for service, thence to St. Andrew's Cemetery for interment, on Friday.

### TWINGE OF RHEUMATISM

Said Mr. David Gillham of Ringwood, who will be 89 years of age on Tuesday next week, January 8, "I'm real well excepting for a touch of rheumatism." Veteran farmer he told The Tribune that he was born at lot 14, on the 5th concession of King Township when it was a pretty rugged area, mostly bush, and he had lived all his long life not far from where he first saw the light of day. Twice married, his second wife was the former Alberta Hisey of Almira, and the couple occupy rooms in the home of Mr. and Mrs. Delos Graham.

# Local and Personal Happenings

The village council will hold its inaugural meeting for 1946 this Thursday evening. It is understood that a lot of business is on the agenda.

The Servicemen's Wives' and Mothers' Club will hold its monthly meeting at the home of Mrs. J. Williamson, Church St., on Monday evening, Jan. 7.

Renewing subscription from Ajax, Mr. and Mrs. George Thompson, former residents of Mongolia send New Year greetings to all old friends.

E. A. Grubin, R.O., Optometrist, will be at his office in Stouffville on Monday, Jan. 7th.

Mr. and Mrs. A. Thompson and sons, Jack, Bill and Glenn were Christmas visitors in Campbellford with Mrs. Thompson's parents, Mr. and Mrs. J. R. Battisby.

Miss Doris Hay R.N., of Toronto has been a holiday visitor at the home of Mr. and Mrs. A. G. Thompson.

### 6th Line, Whitchurch

We are glad to report that Mrs. E. Clubine Sr. is somewhat improved in health.

Forrv that Mrs. Brown is not enjoying the best of health.

Mr. and Mrs. Howard Ratcliff enjoyed a real Christmas gathering when they entertained the Ratcliff family, including Mr. and Mrs. Robt. Ratcliff, Don, Chas., and Floyd Ratcliff and their families. Honored guests were Mrs. Lemon Baker and Mrs. C. Macklem who are both in their eighties and enjoying good health. Miss Norah Macklem also was a guest.

Mr. Jack Drewery has been spending holidays with his mother, Mrs. Robt. Ratcliff.

Miss Betty Stiver is holidaying at the home of her sister Mrs. Bert Daniels.

The Harper family could really enjoy this Christmas day since the great anxiety for their son Allen who is now home, did not rest heavily as during former years. Mr. and Mrs. Donald Harper and Miss Grace Talbot from Toronto were among the happy gathering.

Mr. and Mrs. E. Ratcliff, Ross, Helen and David had Christmas dinner at Arthur Steckley's.

Don't forget the croquinole party at the home of Miss Velma Gibson. Mr. and Mrs. Arthur Steckley and family also Miss Jean Paisley were Sunday guests of Mrs. Nicely and Marjorie.

The Y.P.S. of the 2nd Markham Church enjoyed a skating party at Chas. Ratcliff's and afterward a watch-night service at the home of Mr. and Mrs. Fred Gilham.

This week neighbors will see a large modern building on the farm of Andrew Hutchinson which is being moved from town. The new structure 20x40 is coming from Stouffville by a contracting company at Langstaff who will haul the structure from Mrs. Ratcliff's on north Church street across the fields to the 9th, thence over the side-roads some six miles to its present location. The large new chicken palace has two floors or in other words is a double deck affair. The Hutchinson chicks would be justified in doing a good deal of crowing about their fine quarters.

Friday evening, Dec. 28th, the home of Mr. and Mrs. Arthur Paisley resounded with merriment and goodwill as neighbors, friends and church associates joined in extending to Mr. and Mrs. Malt Spence congratulations and best wishes not only for the New Year, but for all their future way. Addressing the newly wedded couple Miss Etta Wright expressed sentiments of all present in a most able manner, and like the beautiful mirror which was presented at this time, she hoped its reflecting glory would always bespeak the good wishes it conveyed, as well as shine forth in usefulness to all members of the family in which home it would soon find a place. Rev. N. Rowan, acting as chairman for the occasion summoned several to their for short speeches which were immensely enjoyed by all, excepting the ones called upon. Musical numbers rendered mostly by youthful talent deserved credit, and included a vocal duet by Miss Ellen Steckley and Miss Margaret Burkholder, a piano duet by Misses June and Doris Steckley, piano instrumentals by Miss Barbara Hisey, Miss Alice Barkley, Miss Ruth Atkinson and Mrs. Mac Clendenning. Also a solo by Miss Doris Steckley. A luncheon in most generous proportions of ice cream, cake and coffee was made possible by our good friends Mr. and Mrs. Clendenning who "shelled out" very effectively when called on by the neighborhood serenaders one night a few weeks ago. So many happy expressions of goodwill for the newly-weds made some "old timers" desire to renew their youth by living all over again the time they too set out on the joyful voyage of matrimony. Mac's final word of advice to those still in single life—"you don't know what you're missing."

A lot of people are going to retire this month, since the lid has been lifted on the sale of auto tires.

A Church street girl last week won a seven pound duck for five cents in some sort of draw in Toronto.

Mr. and Mrs. F. C. Rowbotham and Mrs. T. W. Klinck were guests of Mr. and Mrs. George DeWitt of Gormley on New Year's Day.

Markham Man Honored  
Arthur Daniels, CQMS, RCOC, of Markham was awarded the British Empire Medal in the King's Honor list as released on New Year's Day. Arthur Daniels is a brother of Elmer Daniels, proprietor of the Central Feed Store here, and Murray, local garageman, and was constable of Markham village prior to enlisting.

The Stouffville radio broadcast on Christmas Sunday, was well received as far away as Brazil, a town in central Indianapolis, a Tribune reader writes to tell us. Last year we had reports on a similar reception as far away as Roanoke, Virginia.

A poultry buyer from the city was picked up by police near Stouffville last week, charged with transporting chickens in a truck without the birds in the crates having any protection whatever from the severe zero wind. The constable said there may be a charge of cruelty. Animals in transport, he said, must be protected from the cold in such manner that they will not be made to suffer.

Mrs. John McKinnon, long standing resident of Montreal street, wishes The Tribune to make known her sincere appreciation to so many friends who remembered her with Christmas cards this season. Mrs. McKinnon is enjoying very good health, although she was one of the village girls of quite a few years ago, and has lived in the present home almost since marriage over 50 years ago.

### New Resident Buys House

Tarr, and tenanted by Mr. Jack McMullen, who will be looking for new quarters. Mr. Burgess, the new owner, is a widower, but he has two daughters. We understand they will locate here as soon as they obtain possession of the house.

### Ontario Forms Body To Run Hog Market

Hon. T. L. Kennedy, Ontario minister of agriculture, announced Ontario's first centralized control of hog production and marketing under a board of six. This will come into effect "some time in January." The result of a vote taken in recent weeks among 30,000 hog producers was 29,853 in favor and 205 against the board.

The new hog producers marketing board will be named in two or three weeks, and then will be approved by order-in-council. It will consist of three producers and three representatives of the packers, chosen by themselves. They will meet monthly. Sale of fresh pork will not be affected.

Mr. Kennedy said the plan was expected to stabilize prices and improve quality as well as to provide a means of ironing out difficulties in the industry without government intervention.

## Markham Boy Killed in Collision with Fast Train

Gordon Clayton, well known Markham resident, and returned from overseas only a few months, was instantly killed on Monday morning when the milk truck he was driving was hurled through the wall of the C.P.R. flag station at Brown's Corners, four miles south of Markham village. Witnesses said the truck skidded into the path of the Montreal flyer when Clayton applied the brakes on the icy road, and cans were strewn a quarter mile from the place of impact.

R. F. Sellers, brother of Auctioneer Sellers, and store keeper at Brown's Corners, said Clayton's body was thrown clear of the truck, but much of the truck was carried under the engine and the train was stopped for an hour. Parts of the truck were hurled through the frame station, causing a 20 or 30 foot gap in the structure. The whole building is a wreck.

Gordon Clayton came home from overseas three months ago after serving with the R.C.A.F. is survived by a wife and child. He is widely known about Markham.

A happy crowd assembled enjoyed Christmas at Maple Grove farm, the home of Mr. Joe Mertens and Miss Marjorie, and included Rev and Mrs. S. Goudie, Mr. and Mrs. Fletcher Goudie and family also Mr. and Mrs. Ivan Goudie and Miss Ethel Goudie.

Mr. and Mrs. Flavius Reesor, pioneers of the Markham district, celebrated the 55th anniversary of their marriage with their four children and 17 grandchildren at their Scarborough townline home to which they came as bride and groom. Mr. Reesor cleared the land of timber and stumps and has always been a farmer.

Their children are Carl, Elmira, Mrs. Peter Nighswander, Altona; Mrs. Joe Reesor and Ernest at home.

### Slugged on Toronto Street

A familiar figure about the Mayfair Restaurant on weekends, Mr. Ed. Dorey of Toronto, was robbed on Monday evening as he was about to enter his Toronto home. Mr. Dorey had been in Stouffville, and returning home was walking up his street to his lodging place, when he was slugged by an unseen assailant. His injuries were of such a severe nature that Mr. Dorey was removed to the hospital for attention. He received several nasty cuts about the head. We understand his assailants were arrested later.
