PERSONAL

IN MEMORIAM

LEHMAN—In proud and loving memory of our beloved son and brother, L. Cpl. Alvin L. Lehman, killed in action in Italy, Jan. 2, 1945, at the age of 22 years. Wide is the rolling ocean, heart-breaking wide and deep. It flows between us who love him, and where he lies asleep. But the soul of a gallant soldier can span the widest wave. Only his body is resting in the shadow of the grave. A grave is only an empty, though sacred resting place. God never could hold in prison a boy's young gallant grace. A distant land is honored with the glory of his clay. But his spirit is in Canada, his soul with God to-day. Loved dearly in life and leaving yet, In the depth of hearts that will never forget. Mother, Dad and Brothers.

IN MEMORIAM

HARDING—In ever-loving memory of a dear husband and father, Archie A. Harding, who passed away on January 9th, 1943. In our hearts your memory lingers Sweetly, tender, fond, and true, There is not a day, dear Archie That we do not think of you. Lovingly remembered by his wife and son.

To our many friends and patrons we say "A Happy New Year" and a Prosperous 1946.

For your kind consideration, patience and co-operation, we say "Thank You". If we failed to get you all you wanted, and when you wanted it, we can assure you that it was no fault of ours. More of those things that you have been wanting so badly, will no doubt be available in the early months of the New Year, but we must not expect too much. Conversion from war time to peace time production is a tremendous task and our factories cannot do the impossible. Certain materials vital to the manufacture of farm equipment are still scarce, and will be scarce for some months to come. So we say, please be patient a little while longer and we feel sure that before another New Year dawns, you will be getting those long wanted things and you will find them wonderfully improved and well worth waiting for.

To our many well known and world famous lines of merchandise, we have added "WESTINGHOUSE" and "COLEMAN". No need to tell you anything about these lines, as they are well and favorably known the world over. "WESTINGHOUSE", with its fine brand new models of Electric Household Refrigeration and Fast Freezers, its dozen or more brand new lines Electric Ranges and Washing Machines, will be here by February First. "COLEMAN" with its brand new line of Oil Burning Space Heaters, Floor Furnaces, Air Conditioners and Hot Water Heaters, will be here soon.

Then there is "PHILCO", the greatest name in radio. For years we have sold this product and no one asks or expects anything better in radio. And onw they are back with all new models, better and more pleasing than ever before. Their new model combination radio and record player is unique and in-expensive. It is built in both Console and Table Designs. With the Table Design, first push a record in the slot, close the door and it automatically starts, and stops when the record is finished. The Console Design will automatically play twelve 10" records and ten 12" records.

Then, the tea new models of Philco Household Refrigeration and Fast Freezers, beautiful in design beyond your fondest hopes. The new Philco has everything, plus. Every model has a spacious Fast Freezing Compartment; exclusive fold-away shelves, controlled humidity, moist cold compartment, one piece steel cabinet and vegetable storage bin. Easy out ice cube trays. Hermetically sealed Philco Super Power System, no moving parts. 5 year warranty.

We are promised delivery, on several of these new models of Refrigerators, Radios and Electric Ranges, not later than February 1st, so please watch for announcement in your local paper.

A local man had a hard time making things right with his wife last week, when he arrived home from Toronto with his face covered with lipstick. The accused had been in one of those mix-ups where a train load of soldiers arrived from Overseas, and his claim is that so many women grabbed him, since he was in uniform too, that he received the marks which he so surely carried home. It could happen, and we are happy to announce that the soldier was given the benefit of the doubt, and as the saying goes, "all is well that ends well."
