Last Thursday evening at the Stanley Theatre the name of Mr. Chris. REV. C. N. GOOD BEREAVED

Sister of Rev. C. N. Good, M.B.C. pastor so well known in local church circles of this denomination, died at her home in Kitchener last week. Mrs. Sarah Eby was 79, and passed away after only a brief illness.

Born Aug. 18, 1866 in Iowa, U.S.A., she was a daughter of the late Mr. and Mrs. Jacob G. Good. She was a member of the Bethany Mennonite Church. Twice married her first husband, Abraham M. Shantz, died 33 years ago. Her second husband, Peter M. Eby, whom she married in July, 1927, predeceased her in March, 1929.

Mrs. Crockery of Toronto was the guest of her sister Mrs. Harold Spofford on Saturday.

Corporal Roy Stewart of Foxwarren, Man., Mr. and Mrs. William Stewart, Toronto, and Miss Sadie Stewart, Stouffville, visited in Uxbridge on Sunday with Mr. and Mrs. E. W. Evans.

Mrs. Norman Neal underwent a surgical operation at Toronto General Hospital on Monday, where she was rushed suffering a sudden attack of illness. Her condition is reported as favorable.

Mr. Norman O'Boyle who has just completed the construction of a lovely home in town, and who recently took unto himself a wife, was ordered to bed for a week suffering from a heart attack. However, this town businessman is now getting around again, we are glad to report.

Rev. Gibson Brown expects to sail from New York on Saturday this week aboard the John Ericson for Belfast, Ireland, where he will visit his father whom he has not seen in sixteen years. Mr. Brown hopes to return in time to take up his duties on the Ringwood circuit Easter Sunday. During his absence Mrs. Brown will visit her parents in Quebec near Montreal.

Holland Bulbs Now Blooming

Last fall when Clifford Morgason was Overseas and in Holland, he forwarded 200 Holland tulip bulbs to his wife here. The result of this thoughtful act, is that right now the Vague home at Ringwood where the Morgasons live with her sister, is displaying some beautiful blooms. Mrs. Morgason potted a few of the bulbs and is now enjoying the lovely flowers. Two have finished blooming, she says, while three are now in bloom, and there are a few more to come later.

Dr. John Button, son of Mr. and Mrs. E. A. Button, we hear, will hang up his professional sign on Main street next week, when he will commence his medical practice in Stouffville. A town boy with an excellent record, who joined the RCAF, has had a marvelous training, and will be welcomed not only by people of the town district but by his medical associates who are scarcely able to keep pace with the demands made on their time. Dr. Button's office will be upstairs in the "Button block" over the hardware store of F.L. Riches and the law office of Mr. F.L. Button.

Building Activity

Only the lack of building material prevents one of the best building sprees this town ever experienced in a single season. As it is we understand that at least five new homes will go up, starting in a few weeks. The owners will be H. Bannerman and Elgin Wagg, who have chosen lots on the streets leading to the curling rink just north of the Todd property, and two in the north west section, for Arthur Farthing and Dr. Thomas, V.S., who intends to locate here. Others may be erected if material and labor can be obtained, including one for Mrs. Jack O'Boyle. Store enlargements, too, are quite numerous, and in addition there are whispers that some new stores may be erected.

Golden Store Expansion

Harry Golden's Clothing Store has been greatly improved with the addition of some 15 feet in depth more floor space, gained by doing away with the apartment at the rear and taking that space into the main store. It was the hope of the proprietor to add still more building to this, but conditions in the building line are so bad that the idea had to be abandoned for the present. Nevertheless, a great improvement has been made and the extra space provides needed display room for the constantly expanding stock. New style display racks further conserve space, and permit a customer to see a wide range of coats or other wearing apparel at a mere glance without disturbing the stock from the hangers.

The Jewish Passover

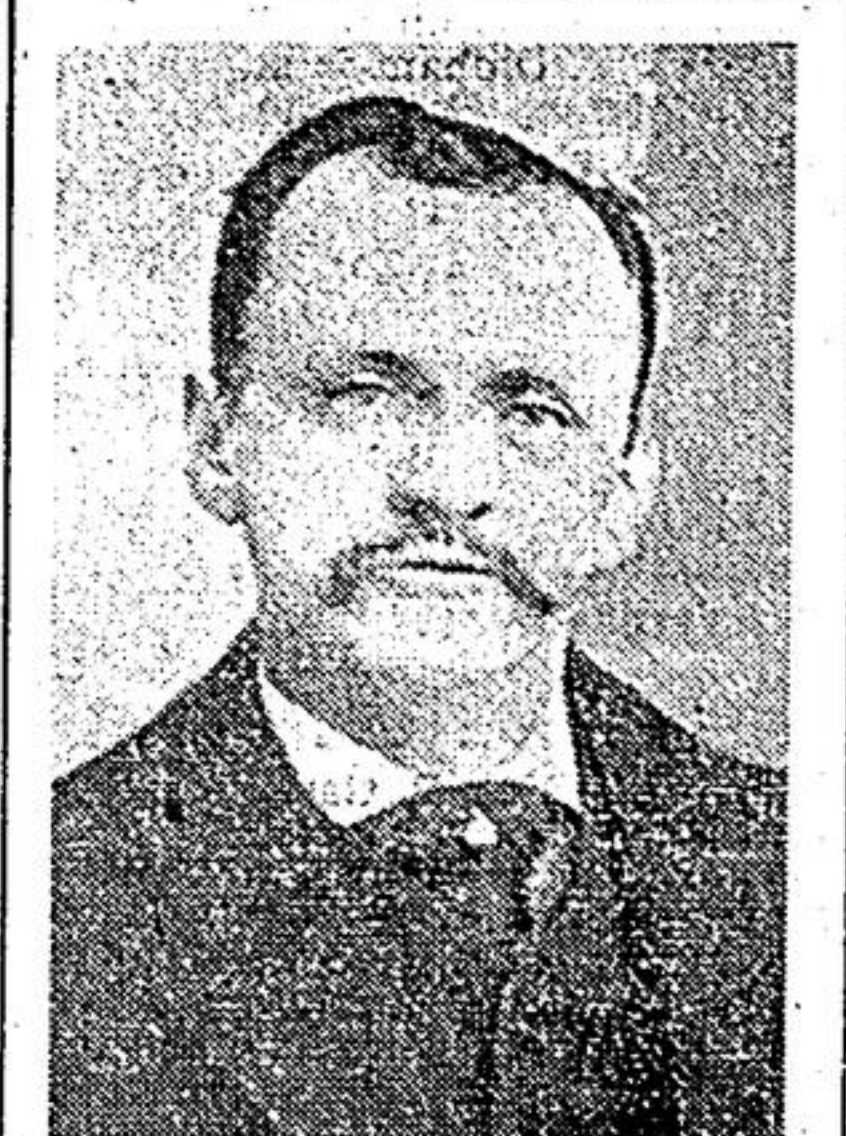

"Judaism is the root, christianity the fruit," declared Rev. Dr. C.K.S. Moffat, Irish evangelist, before a capacity congregation on Sunday evening in the Christian Church, where he gave an illustrated sermon on the Jewish Passover. "If a Jew be baptised he does not become a Gentile but merely a new creature in Christ," he contended. He prophesied that the Jews would ultimately return to Palestine, and that Jesus will come to the christians. A forceful and gifted speaker, Dr. Moffat illustrated his address with all the elements on the table as used in the Jewish Passover. He explained in detail the meaning of the lighted candles, three cups of wine, bitter herbs, unleavened bread, hard boiled eggs, salted water, apples, shank bone of lamb, and the blowing of the horn, as well as the vacant chair of Elijah. The speaker wore the prayer shawl of Israel, and chanted the accompanying prayer on donning the shawl. After hearing Dr. Moffat there is no doubt but a lot of people have a better understanding of the Jewish Passover, and its symbolic parts.

Local and Personal Happenings

Shoe Merchant Here 60 Years Ago Dead

Richard Underhill, 87 years of age last October, a native of Plymouth, England, and resident of Canada since 1867 died at the home of his son Prof. Frank Underhill in Toronto on Monday morning this week.

As a young man he opened a boot and shoe store in Stouffville and prior to 1884 his business was on the site of the present Spofford & Co. premises. Later he moved east in the same block of stores, and

continued an exclusive shoe business.

He served as a councillor for the municipality and as reeve for several terms following Jos. Todd in that office, and later was succeeded by Jas. McCullough.

In 1905 he helped to form the partnership of Underhill & Sisman, in the shoe manufacturing business in Aurora.

During the past few months Mr. Underhill was in bad health and unable to move about. Besides his son and a daughter Mrs. Isa Millar, his aged wife survives him. She too, is not enjoying good health. Prof. Underhill told The Tribune yesterday.

The funeral took place on Wednesday afternoon with interment in the Necropolis.

CLARKE-BROWN

A quiet wedding was performed on Thursday, February 14th at 3 p.m. at the residence of Rev. and Mrs. Gibson Brown, when Margaret Ruth Brown, daughter of Mr. and Mrs. J. Percy Brown, Stouffville, became the bride of Thomas Leslie Clarke, son of Mr. Albert Clarke and the late Mrs. Clarke, Stouffville. Rev. Gibson Brown officiated. The bride wore a street length dress of turquoise crepe, trimmed with rose sequins and black accessories, and wore a corsage of red roses. Lillian Brown was her sister's attendant and wore a flowered silk jersey dress with black accessories and a corsage of white carnations. Roy Clarke, brother of the groom acted as best man. Afterward the couple left for a motor trip to Detroit. They will reside in Ballantrae.

NO HALL HERE, AND STOUFFVILLE PASSED UP

Lack of any hall accommodation in Stouffville prevents the Lions Club or any other organization sponsoring the worthy work of Boys' and Girls' Clubs that are operating throughout York County. The 1946 program, has just been announced by the District Representative, who had to pass up Stouffville as a meeting place, because our hall facilities are so deplorable, which is a thing that is hurting our community.

The following are the clubs and their sponsors:

1. Schomberg Dairy Calf Club — Schomberg Agricultural Society.
2. Woodbridge Dairy Club — Woodbridge Agricultural Society.
3. Sharon Dairy Calf Club — Sharon Junior Farmers.
4. Markham Dairy Calf Club — Markham Agricultural Society.
5. Markham Grain Club — Unionville Junior Farmers.
6. Aurora Potato Club — Aurora Lions Club.

Club members must be farm boys and girls over 12 years of age by May 1st, 1946, and must not have reached their 21st birthday by Nov. 1, 1946.

All club members who complete the project successfully will be the guests of the Downtown Kiwanis Club next autumn. The Kiwanis Club also awards agricultural scholarships in each club.
