BLACKWELL WOULD USE PEOPLE'S MONEY TO FIGHT TAX FREE ISSUE FOR ONTARIO MEMBERS

Attorney-General Leslie Blackwell suggested last week the proposed income tax free indemnity for Ontario M.P.P.'s should apply right across Canada to members of every legislature and municipal and county council. "If and when the bill becomes law the federal government should assume their responsibility and extend it to include others," he said.

The attorney-general said if the bill is given final approval by the legislature the government will just stop making deductions from members' pay and cease making payments to the federal department of income tax. "If any issue is taken with this action the government will carry the fight to the highest courts in the empire," he asserted.

That would be too bad for the people of Canada. What right has Hon. Mr. Blackwell to dictate the Income Tax Act for the members of the Ontario legislature who have just as much right to pay income tax on their indemnity as the persons who labors for \$600 per year and is forced to pay income tax or the married man keeping up a home on \$1200. For Mr. Blackwell to say he would just keep the money back and if necessary fight the matter, (meaning of course with the tax payers money, not his own.) is a brazen stand.

Stating that members "shouldn't be unduly depressed" by reports from Ottawa expressing doubt that the bill could ever become law, Mr. Blackwell referred to Ottawa's recent action giving members there a \$2,000 a year increase on top of their \$4,000 indemnities and making the increases free of income taxes. "If that is right in Ottawa then the same principle should apply with equal force to this legislature," he declared.

Mr. Blackwell stated the majority of Ontario M.P.P.'s "pay money out of their own pockets for the privilege of coming here and working as representatives of the people of their constituencies."

Mr. Blackwell should remember that there was no objection raised against the pay when the members of the legislature were stumping the country for the job.

Stouffville has gained a new resident in Mrs. Albert Mantle who has come to town this week to live with her daughter, Mrs. Dorian Woodburn.

Dalton Rumney Elected President

President of the York County Federation of Agriculture, Dalton Rumney, Victoria Square farmer and former Markham township councillor, presided over the annual meeting at Richmond Hill last week. The meeting discussed the farm help situation including the responsibility of farmer to employee, the advisability of having agriculture brought under unemployment insurance and workman's compensation to give more security to workers. Consideration was also given to forming a rural film circuit, the organizing of more forums and organizing hog producer committees in the county under the new hog marketing plan. Mr. Rumney was re-elected for another year as president.

ANNUAL MEETING COUNTY JUNIOR FARMERS

Forty Junior Farmers and Junior Institute delegates representing six local clubs attended the annual meeting of the York County Junior Farmers' Association held in the Agricultural representative's office, Newmarket on Thursday, March 21. Chas. Haines, Newmarket, the general president and veteran of over ten years of junior farmer activity in York County presided over the meeting and in his address to the association stated that a period had been reached in the development of junior activities and interest to broaden the annual meeting to include all the membership. This Secretary-Treasurer, Walter Reesor, Markham, reported a financial balance for the year equal to last year.

F. M. Campbell, the Agricultural representative from Ontario County addressed the group at the noon luncheon and spoke of some of the advantages of junior organization, and of how senior farm organizations were now looking for executive material among the juniors. In the afternoon the boys and girls met separately and discussed individual problems. An exchange of ideas proved profitable to all.

The following officers were elected for 1946:
President, Mason Fletcher, Woodbridge; Vice Pres., Mrs. Barbara Hart, Victoria Square; Sec.-Treas., Gordon McNern, Sharon; Voting delegates to Provincial Junior Farmer annual meeting, O.A.C., April 25 and 26, Chas. Watson, Todmorden; Mary Laviolette, Pefferlaw; Non voting delegates: Gordon McNern and Jean Muirhead, Unionville. Directors to York County Federation of Agriculture are Perry Winch, Keswick and Arnie Fletcher, York Mills.

It was decided by the Association to purchase a motion picture projector which would be available for all types of agricultural meetings throughout the county.

Before adjournment the meeting moved a vote of thanks to the newspapers in the county and to the farm radio announcers for their willingness to publish and announce junior activities throughout recent years.
