Presentation to Teacher

On Saturday afternoon, June 8th at the home of Miss Myrtle L. Watson, A.T.C.M., Main street there were twenty-five present to enjoy the recital when her pupils played very creditably piano solos and duets, selected from their term's work. After the recital and before the social hour and to the surprise of their teacher, Miss June Smith on behalf of the pupils presented her with a lovely handbag and handkerchief with their kind thoughts. Miss Watson wishes to express her sincere appreciation to

her pupils and to the friends for their token of goodwill now and through the year.

Attend the flower show next Tuesday evening.

Mr. W. Wright and wife of Toronto were guests last week with Mrs. T. C. Gostick, Duchess street. They were accompanied by Mr. Wright's brother-in-law Wm. Richmond and by James Lawson who taught school at one time at Lemonville. The party had an interesting day here.

Two hundred and thirteen million of money has been paid out in the first eleven months for the baby bonus. Cost of administering the act for this period is three quarters of a million, and there are 488 temporary employees and 36 permanent employees on the pay roll. In Stouffville baby bonus cheques reach quite a sum, yet all who are eligible to claim it, do not do so.

Noted Authority Speaks

Considering the busy season of the year the attendance at the Horticultural Society meeting in the United Church to hear an address by Mr. John Clark was highly gratifying. This outstanding horticulturist took his audience on a sight-seeing tour over Ontario, visiting many of the beauty spots. Mr. Clark's familiarity with the scenes that he shows is remarkable, and adds to the interest and instruction one gains from his address. President E. R. Good reports that the membership of the Stouffville Horticultural Society has now reached 221.

Retiring From Active Work

We learn that a native son of Stouffville district, Henry L. Madill, brother of C.M. Madill, Altona merchant, has disposed of his butchering business in Toronto and is retiring to his farm near Orangeville, which is to be worked by his son-in-law Lloyd Tate, son of Mr. and Mrs. Earl Tate who recently moved from Baker Hill to Newmarket. Henry Madill successfully conducted his city butcher shop for 17 years, and now intends to take matters a little easier back in rural life which he always enjoyed better than the city. Mr. and Mrs. Madill's new address will be Amaranth Station.

The Hall Question

Expressions are commonly heard that Stouffville should not allow the hall question to fall by the wayside. The matter of a memorial to the soldiers, and the need for a hall in this town, are paramount issues, and it is hoped that the business men's committee who were offered a free-will gift of over \$5,000 if the total of such free gifts reached \$10,000 should give the next step to be taken serious consideration. The Women's Institute and other organizations badly need hall facilities which this town is so sadly lacking. It is suggested that the whole issue be submitted to a vote of the electors, and if it is, we believe the ratepayers would pass such a by-law. A town can hardly progress without hall facilities and every loyal citizen would like to see it go ahead. The very few who think only of themselves and their pocket books are not in sufficient numbers to retard any advancement of this kind.

"PLEASE EDITOR GET ME A SKUNK"

The nest of skunks located under the chicken house on Main street by Harry Sawyer as reported in this paper, was a story quickly scented by Andy Clark on his popular Sunday morning broadcast. Now a Toronto lady implores this paper (on Andy's recommendation) to get her a baby skunk. The lady once owned a woodchuck, and they became such pals that its memory is still cherished by her. She would like to try a skunk this time, which should be capable of leaving something she will not soon forget too. The editor has been appealed to to carry out many strange missions in his experience, but this is the first order ever received for a skunk. Well, we will see what can be done, even at the risk of a scent or two.

Jack, son of Mr. and Mrs. K.R. Davis, Stouffville, who was married in Toronto last Saturday. Jack is a serviceman of this war, and is continuing on the technical staff of the army.

Mrs. Edna Stewart, Toronto, was in town over Sunday visiting her mother Mrs. George Watson, O'Brien avenue. Her husband is still in Germany on duty there.

The Willoughby Real Estate Agency through their agent Harvey Moyer reports the sale of the Wm. Ball property one door east of the Presbyterian church, to Mr. Fred Alsop, formerly of Claremont.

Vinc. Baker, farmer east of town, has just disposed of one of his horses thus breaking the fancy team he has been showing at district fairs with considerable success. The purchaser is an U.S. buyer. Price is not disclosed.

Friends will regret to learn that Mr. Walter Dickson, patient in the Brierburn for some weeks, and who returned to his home recently, had to be admitted to the hospital again after only a week since his condition became worse again.

The increasing number of oil burning furnaces in town is stepping up the demand for garbage collection. Peter Bramwell who takes care of this work under a private arrangement with each household served, now has eighteen regular customers. He lifts the garbage twice a week.

Hydro interruptions experienced in various parts of town on Friday last were not of a local origin. The main lines coming into town were shut off for some reason over on Yonge St. where some emergency work was done on the high tension.

Several more oil burners were installed in town last week, thus changing still more homes over from the time honored custom of heating with coal to the automatic oil burners.

Mr. Thos. B. Rae was in London last week attending a Convention of Western Ontario telephone companies. During the proceedings held in the London Hotel, Mr. Rae presented one of the reports in connection with the Independent Companies.

The clothing drive in Stouffville will be made on Monday, June 24, Chairman Hugh Bannerman announces. It will be carried out by the Lions Club, and town churches will be asked to co-operate by doing the packing as was the case last year. First in 28 Years

Visiting at the Mrs. S. M. Warriner home on Church Street are Dr. and Mrs. F. G. Warriner of Winnipeg, Mr. and Mrs. R. J. Fleury of Welwyn, Sask., Mrs. Totten of Richmond Hill. Additional Sunday visitors were Mr. and Mrs. Harold Warriner of town, Dr. and Mrs. Harold Totten and children of Hamilton and Mr. Wilmot Warriner of Markham. The pleasing feature of this get-together is that it is the first time in 28 years the family have been home at the one time.

The new waiting room for Grey Coach Lines customers at Stouffville Motors—Ratcliff & Pipher—is certainly appreciated, and will be even more so when disagreeable weather arrives. Centrally located at the point where buses start from, it is a convenience long hoped for.

Green strawberries are forming in local gardens which enables us to fairly estimate that berries will be enjoyed from local gardens within a week. Like all other crops berries promise to be in abundance, but they will not be too cheap in price, it is estimated.

Ex-Warden Addresses the Lions

Ex-Warden Fred A. Lundy, Dr. Lockhart and Councillor G. Byers, all of Newmarket, paid a visit to Stouffville Lions Club Monday evening. Mr. Lundy gave a short address telling of the grand work being done for children in the neighboring town. He was introduced by Dr. Bodendistel and was given a vote of thanks by the reeve. Mr. Lundy has promised to return and give a more extended address to the Club in the fall. Next Monday evening the Lions and the ladies will visit Shadow Lake Camp as guests of the Eaton people.

Brought Pictures from Germany

Squadron Leader, Rev. DeCourcy H. Rayner and Mrs. Rayner, Montreal, visited his father, Rev. T. DeCourcy Rayner, and his sister, Mrs. Karl A. Cowie, Markham Tp., on Tuesday of last week. Sqn. Ldr. Rayner has just returned to Canada from duty with the R.C.A.F. in Europe. Shortly before leaving England he flew back to Germany, going to Nurmberg to attend a session of the trial of the Nazi leaders. He brought back some snapshot pictures of Nurmberg, taken by himself, showing some of the ruins of bombed sections in that city. The Squadron Leader is attending the sessions of the General Assembly of the Presbyterian Church in Canada at Knox Church, Toronto, having been sent from Montreal to report the Assembly sessions for the Canadian Press.

DAVIS—CHADWICK

On Saturday, June 8th at two o'clock in the Salvation Army church, Toronto, Miss Thelma Chadwick, daughter of Mr. Arnold Chadwick and the late Mrs. Chadwick, Toronto, was united in marriage with John Ross Davis, son of Mr. and Mrs. K. R. Davis, Stouffville. Rev. Sloan officiated. The bride given in marriage by her father, wore a pale blue dressmaker suit with white accessories and a corsage of carnations and sweet peas. Mrs. B. Hoskin was matron of honor and wore a teal blue suit with white accessories and wore a corsage of pink, carnations and sweet peas. Mr. Robert Sanderson, Stouffville, was best man. Mr. G. Chadwick, brother of the bride, accompanied the soloist at the piano. A reception was held at the home of Mr. and Mrs. Ireland, Toronto. The couple left for short honeymoon to London.
