Gormley seems to be "looking up" according to all improvements and additions to a number of homes. The homes of Mr. E. Hunt and also the homes occupied by Mrs. M. Haig, owned by Mr. Harry Bennett, are both being covered with brick siding to cope with the wintry blasts. In the Hunt home many other improvements are being made. In other homes we hear rumors of painting and papering going on. Then on the property of Mr. Alvin Winger a new home is being built. These with other improvements, all help to make Gormley more attractive.

We welcome Mr. and Mrs. Austin Yake back to their home here after spending the last year in Aurora, where Mr. Yake was working.
