## County Improving Roads in Claremont District

At long last there is considerable improvement in the county roads running through Claremont, namely, the Brock Rd. south, and the 9th concession. The 9th concession between Claremont and Stouffville has been rather starved for a couple of seasons, but practically the entire stretch over to the Markham townline has been given a good coat of fine crushed gravel, which if kept well graded, will certainly be a marked improvement over the pot-holed surface that has been prevalent for so long. On the Brock Rd. between Claremont and Brougham a mulch top is being worked into certain sections of the road which broke up so badly this spring.

## MRS. TAYLOR, ASHBURN 91 YEARS OLD

Mr. and Mrs. Wes. Slack of Brougham were in Ashburn on Monday where Mrs. Slack's mother, Mrs. Taylor was marking her 91st birthday, at her home. Friends are pleased to know Mrs. Taylor is in comparatively good health, having broken her hip twice during the last five years.

## Local Couple Fifty Years Married on Saturday

Some one hundred relatives and friends gathered at the home of Mr. and Mrs. Jas. McCullough on Saturday for the occasion of their golden wedding anniversary. Mr. and Mrs. McCullough were married fifty years ago, on a bright June day, at Eau Claire, near North Bay. Twenty-five years ago, the couple moved to Pickering Township, and retired to the village about eleven years ago. Mrs. McCullough was born near Ottawa, and her husband was a native of Quebec province. Mr. McCullough was an active farmer for some forty years. Since retiring Mr. McCullough has taken quite a prominent part in the life of the village serving on the Trustee Board of the Village and of the School. He has also been an Elder in the United Church here for some years. His life partner, while not accepting executive office, has been an ardent church worker.

To the couple were born twelve children, eleven of whom are living today. There are four sons, Freeman of Port Perry, Lyman of London, and Leslie and Donald of Claremont; seven daughters, are Mrs. H. Pennell, Mrs. R. Hopkins and Mrs. J. Pickins of Toronto, Mrs. D. McCarl of Whitby, Mrs. R. Kirk, Renfrew, Mrs. John Locheed, Barrie and Joyce who will be married next week. There are twenty-four grandchildren. Mrs. McCullough has two half brothers and two half sisters residing in New Ontario, while Mr. McCullough has three brothers and three sisters.

"It is rather difficult," Mr. McCullough told The Tribune, "for a family as large as ours, to all get together at once, but this was one time we did it, and I think they had a good time visiting one another as they did visiting us."

Mr. and Mrs. McCullough received a host of cards and verbal congratulations, in addition to numerous lovely gifts from the family and friends.

## ROSE MAYNARD WEDS ORVAL WILSON

The marriage of Miss Rose Ann Victoria Maynard, daughter of Mr. and Mrs. Maynard of Cherrywood to Orval Douglas Wilson, of Whitevale, took place on Saturday, June 1, at four p.m., in the Whitevale United Church. Rev. John McLachlan performed the ceremony. Upon the strains of the wedding march the bride entered the church escorted by her father. She wore a traditional wedding gown of white crepe, with a veil of white tulle, held in place with orange blossom buds. She carried white flowers. Her matron of honor wore deep rose and carried matching flowers. Her large hat was pink. Also Alvin Wilson stood up with his brother. The church was beautifully decorated with baskets of mauve and white lilies, and intermingling bouquets of paper narcissus and tulips. The guest pews were marked by little bouquets of forget-me-nots and white ribbons. During the signing of the register, Mrs. Gordon Hagerman, of Locust Hill sang "Because." Mrs. Newton Robinson was at the organ throughout the ceremony. The wedding reception was held at the home of the bride's parents in Cherrywood.

## CAR INCREASES NOT WARRANTED

"Claims by representatives of the motor industry they cannot grant wage increases unless they receive price increase completely ignore the fact they have already received one considerable increase since the war ended by the reduction of the excise tax and other means" George Burt, Canadian director of the United Automobile Aircraft and Agricultural Implement Workers (C.I.O.-C.C.L.) said last week in a statement.

"In an effort to discourage motor car production, the government raised the excise tax in 1940 to 25 per cent, on expenditures for cars up to \$900, to 40 per cent, for any amount above \$900 and up to \$1,200 and to 80 per cent, for any amount above \$1,200," Mr. Burt said. "In May last year, the tax was reduced to 10 per cent. There wasn't any reduction in price, so the companies gained the difference. The fact such an increase was, in effect, unknown to the public was not denied by representatives of management in negotiations. The fact remains Johnnie Worker's car has increased in price from roughly \$902 in 1939 to \$1,316 plus \$25.90 for a spare tire and other increases up to \$28 for 1946. This is an increase of \$307.90 on a low-price model."

## Inquest Evidence Brings Conviction

### Morley Miller, of Whitby Guilty of Perjury—Drop Negligence Charge

Charged with perjury arising out of two statements made by him at an inquest into the death of Myrtle Miller last Christmas day, Morley Miller, Whitby uncle of the dead woman, was convicted by a general sessions court jury before Judge S. L. Smoke at Whitby.

He will be sentenced at the conclusion of the court sessions. The charge was that Miller had told the inquest jury he did not know Miss Miller was dangerously ill on the night prior to her death, and that he did not tell the doctor she was dead when he called seeking medical assistance early Christmas day.

Dr. J. Ruddy told the court Miller had called at his office and led him to believe Miss Miller was either dead or dying, and said he had suggested to Miller that he should call a coroner rather than seek medical aid.

Charges of negligence against Miller, Laura Campbell and Everett Hockley, all of Whitby, were dropped when Crown Attorney Alex. C. Hall announced he would offer no evidence. The charge was that all three had failed to provide proper medical necessities for the deceased woman.

## Feeding Pullets with MARMILL GROWING MASH Saves Money

ANALYSIS: Protein 18%, Fat 3%, Fibre 7%

A growing mash plays an important part in the feeding of poultry. It is the connecting link between the feeding of a baby chick and a laying pullet, and, as such, must carry on from where the starter ration left off and fit the bird for the long, continuous high production in the fall and winter.

Marmill Growing Mash is the connecting link on many hundreds of farms. This mash, made up of only carefully chosen, high-quality ingredients, and manufactured and balanced to give the highest possible digestibility of ingredients, will give your pullets the strong, well-developed bodies and large frames necessary for pullets which are to start laying at six months of age and continue through the winter.
