

Dairy Feeds —

We have received a few hundred bags of Dairy Concentrate. If pastures should start to dry up, Dairy Feeds could become very scarce. We advise that you put a few bags away for future use.

MILL FEEDS

We are taking orders for BELL COW BRAND, BELL COW SHORTS and BELL COW MIDDINGS that we are expecting in a few days.

WESTERN GRAIN

We have a stock of WESTERN OATS and BARLEY. Our deliveries are about three days back. So we ask you to give us about three days notice on orders. Then we try not to have any disappointments.

HAY SALT

Salt adds to the quality of your hay and is definite insurance against spontaneous combustion in barns. We have a fresh stock of PURITY DRY SALT on hand Half ton Lots \$8.00.

INSECTICIDES

KING BUG KILLER SPECIAL in 50 lbs., 20 lbs., 10 lbs. and 5 lbs.; B & I Control in 50 lbs., 20 lbs. CIL "Deetrox" in 50 lbs. BLIGHT CONTROL and DDT. CIL 3% DDT Dust, for Cabbage and Cauliflower. Local and Personal Happenings

Single copies of the Globe and Mail are five cents. Do not leave three cents in place of five in the yellow box in front of the Tribune office.

Mr. and Mrs. George Patton returned from their honeymoon last weekend, which they spent in his home town of Napanee also at Picton and Lindsay.

Investigation is being made to ascertain the names of boys who defaced the wall of the town wash rooms with writing. This abuse has been the cause of previous complaint, and the walls were since redecorated. If caught the guilty ones are in for stiff punishment.

The Mongolia beef ring started again last week with a slightly decreased number of shareholders. With beef at sky-high prices it is a wonder the beef rings do not flourish more than they do, since they give the farmer his beef at first price.

Rev. Arthur Greer, pastor of Weston Baptist church was in town on Monday. In addition to attending his pastoral charge, Mr. Greer during the past year has successfully passed his first year University course on which he has embarked.

First prize in the ladies' bowling tournament on Friday evening went to the rink skipped by Dawson Davis; second to Earl Beare's rink from Claremont, and third to Bert Lickorish, Stouffville. In the men's trebles held at Agincourt last week, a local rink comprised of F. L. Button, T. B. Rae and J. B. Sanders carried off third prize.

Stouffville Lions Club again held their annual Ladies' Night at Shadow Lake when a delightful time was enjoyed. The affair started off with an appetizing chicken dinner, and wound up with the vain efforts of Jack Smit and Andy Williams trying to get down on their knees while balancing a potato or orange atop their mental domes. It was an evening of great enjoyment.

Many Friends Attend Funeral
No less than seven cars filled with friends motored to New Dundee on Sunday to attend the funeral of Miss Evelyn Shantz. Two cars from Gormley were taken by A. S. Farmer and Herb. Oliver, also from Stouffville and district were Paul Boardway, Ambrose Stover, Ira Russell, Lloyd Moyer and Harmon Jones. The service at the church had to be halted for some time due to a terrific rain storm.

Financial circles report that the price of bread will not be advanced in Canada despite the fact that the price has gone up in the U.S. and the size of the loaf down. Wages in the States may be higher than in Canada, and so is everything else, so that the wage earner is really no better off in one country than in another from a financial point of view.

Jean Westlake Wed in United Church

The wedding was solemnized on Saturday, June 15, at four o'clock in the United Church of Jeanne Lucille Westlake to James Alexander, son of Mr. and Mrs. Wm. Alexander, Toronto. Rev. Douglas Davis officiated. Spring flowers formed the setting. The bride, given in marriage by her uncle, Mr. L. C. Murphy, wore a floor length white satin gown with sweetheart neckline, and a three-quarter length veil caught to a headpiece of orange blossoms, and carried a bouquet of red briarcliff roses and lily of the valley. Miss Marie Westlake of Springfield, sister of the bride, was maid of honor and wore a floor length gown of yellow organdy and carried red briarcliff roses. Miss Marion Murphy, bridesmaid, wore a floor length blue net gown and carried Talisman roses. Mr. Wm. Alexander, brother of the groom acted as best man. Organ and piano duets were played by Mrs. Charles Nolan and Mrs. May Roberts, A.T.C.M. A.A.C.M., Colborne, aunt of Mr. Murphy's. During the signing of the register Miss Marguerite Grubin sang, "God Has Made Two Hearts As One." Masters Edward and Billie Murphy were ushers.

Following, at the reception, Mrs. Murphy received the guests wearing a rose brocaded crepe dress, and a corsage of pink roses and lily of the valley. She was assisted by the groom's mother wearing navy blue crepe and a corsage of red roses. Guests were from Springfield, Colborne, Cobourg, Trenton, Amherstburg and Toronto. The guests were entertained by a violin solo by Mrs. Miller of Toronto accompanied by Mrs. May Roberts, an instrumental by Carroll Mallory, nephew of Mr. Murphy and a duet by Masters Edward and Billie Murphy. Later the couple left for a trip to Northern Ontario, the bride wearing a navy blue dress, short powder blue coat with white accessories. On their return they will reside in Toronto.

HEADS WORTHY CAUSE

Hugh Bannerman, proprietor of the Stouffville 5c. to \$1 Store, who is the chairman of the local clothing drive being carried out by the Lions Club, Women's Institute and church ladies next Monday.

Weekend guests at the home of Mr. and Mrs. Walter Holden were Mrs. Mary Lloyd, Mr. William Lloyd, and Mrs. Florence Johnson.

Mr. and Mrs. Alvin McQuarrie motored to Mount Forest on Thursday afternoon to attend the wedding of his brother Donald. They remained for the reception in the evening, which was held in the town hall at Durham.

Up in Bracebridge the Women's Institute own a splendid rest room on the Main street, where the organizations of the locality enjoy a delightful meeting place, and strangers passing through also are accorded a resting place and a chance to wash up as they pass along through that town. Some such idea has frequently been suggested in Stouffville, and the town institute gave the matter serious consideration some ten years ago. It has frequently found that a private house may be suitably located and bought for this purpose. If the Institutes of Stouffville and district ever embark on such a venture here—that of purchasing a centrally located residence to be converted into institute quarters—they would receive marvelous support from many people outside the membership of the organization. The Stouffville Institutes have been greatly handicapped for years now because of lack of suitable quarters in which to meet.

No Place for the Old Grey Mare

It seems that even the church folk are turning their back on Old Dobbin, who many years ago brought many of the present day officials to church and Sunday School without the slightest hitch and minus punctures. Now the Stouffville United Church which has maintained the last haven for the horse, is advertising the sheds for sale, and the M.B.C. opposite the school contemplate tearing down a large closed shed erected only in recent years, and so the horse is about to lose his last town friend. We know the "Old Gray Mare Ain't What She Used to be," but for the sake of fair play let's provide a winter haven for her in town somewhere. Business firms should be interested in the matter, but perhaps it would not be amiss for the christian organizations to take the lead in the interest of fair play for man and beast. The man who must drive the team and the animals too. There'll be winters yet when country folk will be glad to make use of the equine, and there are always a few horses about every winter.

We are informed that the United Church sheds or that part of them running north and south would be saved by the officials if sufficient encouragement was forthcoming to induce them to take the proper action. Well, the Tribune herewith makes a donation of \$10 to start the fund that would put into condition the shed across the western end of the property. This fund should mount by other offers, all for the sake of "The Old Gray Mare."

 - July 4 Markham at Richmond H.
 - July 4 Aurora at Stouffville

Former Methodist minister in Stouffville, Rev. James Aikenhead, died at his home in Toronto on Sunday. He is survived by a wife and one daughter. The aged preacher will be remembered by many of our readers who became acquainted with him during his tenure of office here. He was a son of the founder of the Aikenhead Hardware Co.

Anything Funny

Ontario County Council has protested the printings of funnies in the newspapers in which the comic strips feature gun duels, and such like. This was a timely step to take by the county council, which might even go another step and recommend that the funnies be banned entirely since they are so useless and lead to nothing. Certainly thousands of tons of paper are wasted in printing funnies that are not funny, when paper for needful purposes is difficult to obtain.

New Books Coming

The distribution of ration books will be made in Stouffville again this year during the week of September 9 to 16. There will be no major changes in the books or the manner in which they will be issued from other years. Mr. A. E. Weldon is the local ration officer in charge of the arrangement for issuing books.

The scribe has seen several gardens in town the past week in which potatoes are in flower, which with green peas just around the corner, reminds us that the race is on to serve new potatoes and green peas on or before July 12.

Standing six foot three and weighing 225 pounds that new cop appointed in Whitchurch should look imposing enough to silence anything but a drunken man with just one look. Hugh Hamilton is a Yonge street lad whose size is much more advanced than his mere 21 years would indicate.

California Visitor

The office of this paper enjoyed a visit on Tuesday from Mr. E. V. Heise who is here from California on a visit at the home of Mr. L. B. Heise, Victoria Square. Their fathers were brothers. The southern visitor was accompanied by his sister Miss Charlotte Heise of Richmond Hill. Born in Markham township, it is 27 years since Mr. Heise was last here on a visit. He has resided in various states of the union, and followed the dairy farming all his active days. Mr. Heise and sister accompanied by Mr. L. B. Heise and Miss Stella Heise continued on to Epsom in Reach township to visit another member of the Heise family.

CONVENTION BOUND

Lion President L. E. O'Neill, who will lead the local delegates to the big National Lions Convention in Niagara Falls this weekend. Local delegates will be Lions L. E. O'Neill, Harold Spofford, Andy Williams and Telf. Rennie.

Milk now advanced to 12 cents a quart to the consumer, may take another jump in October to 14c a quart. Will the stiff cost of this commodity induce the return of the family cow, is answered in the negative. The family cow is quite definitely only valued today as her supply contributes to quantity production in the farmer's herd.

Madeline Mairs Passes

The death occurred on Friday of Madeline H. Mairs, daughter of Mr. and Mrs. Alex. Mairs of Markham, at the Toronto Western hospital, thus terminating a young life and leaving a saddened home to mourn her passing. The funeral and burial took place on Monday afternoon, service being held in Grace Church, Markham, and interment in Grace Cemetery.

Mourning Paid Dividend

After reading the following item from a U.S.A. weekly, we may anticipate better attendance at funerals in the future: "The 112 persons who attended the funeral of Charles Coffin, 58, are scheduled to receive \$1 each, since his will filed for probate disclosed that a list of mourners be compiled and the payment made." Coffin was a retired farmer, and must have been somewhat of a humorist of the Charlie Miller type.

CANADIAN NATIONAL

"Great Work"
CO-OP

"Oh the great work men could do on this earth! Oh, the achievements of grandeur and worth— We could accomplish if we, like the team, Would each do our bit in perfecting the scheme... If all... did their own tasks with a glad willing heart... Pulling together instead of apart."
—Palence Strong

By "Mutual Aid" Canadians supplied wartime allies with food, clothing and munitions. By mutual aid, too, Canadian farmers did their part. By helping each other they planted and harvested the crops which meant so much to the United Nations. At harvest time groups of neighbors worked first at one farm and then at another. Farmers from different parts of the same province, or even from different provinces, became harvest "neighbors" under government-sponsored farm labor interchanges.

Another form of mutual aid among farmers— purchasing and marketing co-operatives—played an important part in achieving Canada's food production records, and is even more vital now in this time of rehabilitation and reconstruction. These co-operatives reduce farmers' costs, increase their returns from the sale of produce. These co-operatives increase output, improve quality, and reduce the cost to the consumer. At the same time they raise the farm standard of living, increase rural buying power, build self-respecting citizens. They contribute to the prosperity of township, village, town, city and nation.
