From 11:30 a.m. to 2 p.m.

SUPPER

From 5 p.m. to 8 p.m.

Sunday Evening DINNER

From 5 p.m. to 8 p.m.

Mr. and Mrs. N. G. Kinsmen of Toronto and Mr. Russel Bruce of Guelph were Sunday guests with Mr. and Mrs. Ken Campbell.

This Friday evening will be the occasion for the annual daughter and mother banquet of the local C.G.I.T. group. The affair will be held in the United Church basement with Mrs. Miller of Toronto as guest speaker. Mrs. Miller has recently returned from the Arctic and has a number of interesting curios to display besides will give an entertaining address.

Dump No Rubbish

A West Hill man has been ordered by the Markham Twp. police to clean up a mess of rubbish which he deposited in a field on the farm of Geo. Freeman, Cedar Grove, last week. Mr. Freeman, in rummaging over the refuse, came upon two license plates and copy of a magazine with the owner's name upon it, and from this evidence the police apprehended the guilty party and ordered the clean-up.

Local and Personal Happenings

A skein of red wool was lost in town Saturday evening. It would be appreciated if the finder would leave it at The Tribune office.

Friends will regret to learn that Mr. Len Wilkes, Baker Ave., was admitted to the Brierbush Hospital last week where he will be confined for treatment.

Miss Annie Drewery and Mrs. E. Cook, daughters of the late Mrs. Wm. Drewery, both of Liberty, Sask., have been visiting at the Earl Drewery home and with Mr. and Mrs. Fred Campbell, Stouffville.

The household effects of the late Mrs. Drewery together with the house belonging to the late Ernest Drewery will all be sold by auction today, Thursday, at the home on Tenth street south. Bidding for the small frame house with immediate possession, is expected to be spirited. The sale opens at two.

Nine hunters from Markham Township each brought home a deer last week from the annual trek made to the north country. Reeve Charlie Hooper reports shooting a bear, but owing to the waterways in the locality of the killing, the hunters could not reach the animal without a 40 mile roundabout trip, which they decided not to make.

WHAT IS A COMMUNITY HALL?
Folks who might ask what is a community hall, may be likened to the old farmer who asked his more progressive son what he wanted a manure-spreader for. The answer is obvious. However, it has been brought to the attention of the press that there are people in Stouffville actually asking what use a community hall will be put to.

A public hall for the use of the people of the community is to be found in almost every town in Ontario, Stouffville excepted. Such halls are usually owned by the municipality, and are available for public functions of many kinds. For instance, if Stouffville had a suitable hall this winter, it might be expected to be used by the Youth for Christ group for their lecture meetings, and a place where banquets and luncheons might be served, it would be used by the Women's Institute, the Horticultural Society, and by the schools for their commencement and dramatics, and other functions that are not now possible.

Although the veterans might build a small place for a club house, material for which is partly purchased, they would be welcome the use of the hall for any public function they might wish to hold.

We have little doubt but that everybody knows what a hall is wanted for in any town, but in case we are wrong, then this will give just a little idea of the numerous undertakings that might be carried on.

Management of such a hall is vested in a committee appointed by the council, who will have a set of rules to adhere to, also the rates to be charged for use of the hall. Rentals are based on the mere cost of heat, light and caretaking.

Last year two important livestock organizations sought to hold their annual banquets here but could not secure accommodation. The plowmen had to serve a supper down in the arena, where it was found to be chilly and very unsuitable to the needs of such a gathering.

Almost every business man in town has petitioned the council to do something about this lack of hall accommodation and council has acceded to the quest of seeking the authority of the ratepayers to procure a hall at the first possible moment when building materials are back to near normal.

You will be asked on December 9, election day: "are you in favor of an expenditure up to \$25,000 for procuring a community hall for Stouffville?"

Sweet peas were in bloom last week outside the home of Mr. R. J. Wilson, O'Brien avenue, the former Nendick house. Only five weeks from Christmas and flowers blooming like this out of doors is something we are not accustomed to, but we could easily adjust ourselves to it, if old man winter cares to keep out of the way.

1945-46 Junior Hockey Team Receive Windbreakers

Owing to the scarcity of goods the Stouffville Junior Hockey team are only this Wednesday night receiving a presentation ordered last spring. The boys will each be given a smart blue leather windbreaker with the Club crest emblazoned on the front. President Blake Sanders and other members of the club executive will be present including, Bruce Clark, Bob Snowball, Chas. Nolan, Ken Laushway and Claude Brillinger. It is also expected that several of the prospective players for this year's team who are new faces here will be on hand. The boys to receive the presentations are, Ken Burkholder, "Kick" Paisley, Gord. Lewis, Don-Campbell, Louis Raxlin, Doug. Moore, Geo. Rummy, Jack Rummey, Gord. Minton, Keith Jewett, D. Petch, Earl Lehman, "Bun" Sellers, coach "Ike" Harper. The group will gather at the Mayfair Restaurant for the affair.

Nomination Friday Evening

This Friday evening, Nov. 22nd, is nomination time in Stouffville, when the offices of reeve, councillors, cemetery commissioner, and members of the Board of Education, will be filled. In case more than the necessary number are nominated to fill any of the vacancies, an election will be held on Monday, Dec. 9th.

The reeve and councillors all say that they are willing to hand over the reins of office to any group who care to offer their services. The reeve claims the town is poorly organized to handle the ever-increasing responsibility of the council. Hydro and water departments are growing by leaps and bounds, and should have better supervision than a municipal council can give. He will urge some improvements in our municipal set-up, we understand.

No new names are heard mentioned for office, but it is hoped that good, responsible citizens will be ready to offer their services in some capacity or other.

Mrs. Robt. Bone, second vice-president of the Garrett Evening Auxiliary of the United Church, presided at the meeting held at the home of Mrs. Harry Klinck. It was a birthday anniversary offering and Miss Ida Lehman who was in charge, read something of interest for each month as the offering was received. Mr. Harry Klinck gave an interesting descriptive talk of a three months' trip enjoyed in the West, mentioning only a few of the places of interest, Winnipeg, Brandon, Regina, Medicine Hat, Calgary, Banff, visiting relatives at Vancouver, and on Vancouver Island. A quartette of the C.G.I.T. girls composed of Misses Barbara Dixon, Marion Murphy, Sheila Tait, and Carol Weldon accompanied by Beatrice Lickorish rendered a much enjoyed vocal number. Miss Lucy Waters gave a reading on temperance. Miss Gertrude Todd reviewed the second chapter of our study book on India, the theme "The Man with a Wooden Plow." Miss Jane Burkett read the scripture and lead the devotional, the theme "Jesus Christ Our Lord and Master." A poem was read by Mrs. T.B. Rae.

Edward Logan, Worshipful Master of Richardson Masonic Lodge, presided on Friday evening at the official visit to the lodge made by R.W. Bro. John McMechan of Toronto, who complimented the officers on their efficiency. Mr Logan presided at a banquet served at the conclusion of the lodge meeting.

Archie Little of Cedar Grove carried off first prize at the Royal last week for his fine two-year-old bull. This was the only animal being exhibited by Mr. Little, and it took the honors from entries from the Maritimes and Western Canada.

One of our old townsmen, Mr. Walter Dickson, is still a patient in the Brierbush Hospital. Walter thinks he is becoming quite a fixture in the institution which is located almost opposite his home and birthplace. Unfortunately, he does not gain enough strength to enable him to get out of doors.

Hewlett's new laundry building is making progress in course of erection. Foundation work is completed in readiness for the superstructure, and Mr. Hewlett reports that he has a considerable amount of material lined up for this end of the construction. With a good laundry once in operation in town, a lot of women are going to be relieved of a weekly task they will be glad to see the end of.

Mr. and Mrs. Earl Drewery and family attended the funeral last Saturday of Mr. H. Warren Bean of New Dundee, brother of Mrs. Drewery.

Mr. George Connor and son Glenn of Vantage, Sask., who are in Toronto to attend the Royal Winter Fair and are spending the winter in Ontario were visiting at the home of Mrs. David Watson a day last week.

William Morris has purchased a portion of the McGillivray farm on the second concession of Uxbridge just north of Glasgow, taking all but 20 acres which McGillivray previously sold to a Toronto man, and which included the house and barns. The balance of the farm now acquired by Mr. Morris will be used as pasture land. In the spring the McGillivrays will move to their new farm in the northern section of the county.

The Poppy Day collection from the sale of pokies in town amounted to about \$150, which sum is augmented by the collection taken at the memorial service held in the United Church to bring the grand total to \$186. Bert Lickorish, in charge of affairs, extends the sincere appreciation of the organization for the splendid donation which will be put to a good purpose in relieving distress of needed veterans this winter.

According to daily newspaper report and through Andy Clark's Sunday morning broadcast, Gordon Bartholomew, a Stouffville lad now living near Oakville, has been enjoying fresh corn from his garden. He picked more than two dozen ears, which proved to be among the best grown by him this past summer. Certainly, this is a record for late corn, and rather puts us in the class of the Southern States or Victoria so far as winter or late fall gardening is concerned.

Unionville Pony in Big Company
Spectators from Stouffville were thrilled on Saturday at the Royal as they witnessed the third honors going to Betty Rae of Unionville with her pony Leading Lady shown in the children's pony class, 14 years and under. First prize went to a pony from Pittsburg, second to a St. Catharines midget, and the decision gave the judges plenty of thought, it was announced. Leading Lady, the Unionville pony, was ridden by Douglas Hood, Markham township lad.
