**YORK WINS CANADIAN CHAMPIONSHIP**

As we mentioned in a recent issue, York County Juniors won two championships at the Provincial Inter-County Club contests at the Ontario Agricultural College when the clothing and dairy teams put the county on top with two wins. Last week in the National Club contests at the Royal Winter Fair these teams represented Ontario against the other provinces.

The Markham Calf Club team consisting of John Kennedy and Ray Ingleton of Agincourt, ran a strong second in the dairy cattle division at the Royal, losing out to the Quebec team. With all provinces represented this was the keenest competition of them all. The boys were coached by A. O. Dairymple, Newmarket, assistant agricultural representative for York.
