For the first time, two representatives of the Junior Institutes sat on the Board, these being Miss Betty Ruddell of Georgetown and Miss Orphie Orr, of Maple, who had been elected by the junior girls as their

In her presidential address, Mrs. Summers reviewed some of the ial deliveries and construction achievements of the last year, mentioning specially the fact that one mobile canteen had been sent to Britain and another to Sweden, to be used in welfare work in these countries. Mrs. Summers emphasized the need for all institutes to take advantage of the co-operative program being provided, and urged that a greater interest be taken in the rural schools and rural education. By a vote of two to one, Aurora She particularly commended pro-
